# County Asked For Funds To Save Wildflower Lands

Marin County will be asked to provide funds to buy a small patch of land in Tiburon and save a wildflower garden including some types of plants found nowhere else in the world.

The land is a hillside of about three acres including old St. Hilary's Church. An apartment house project has been approved for the area by the county planning commission.

Mrs. Robert Bastian, president of the Belvedere-Tiburon Landmarks Society, appeared before the Marin County Parks and Recreation Commission yesterday to gain support in a proposal that the county match society funds to by the land.

She said the society started to purchase the land, paying $10,000 down, but defaulted a year ago on two deeds of trust. The land could be sold on 24 hour notice, she reported.

She proposed county and society join in paying off the debt and the county then take the land over.

Commissioner James Fletcher countered with a suggestion that the county might help to eliminate the default, but leave future payments to be spread over a longer time. He said the county, with its Paradise Cove project, has poured a disproportionate amount of money into the Tiburon Peninsula.

However, he agreed with Chairman Helen Newman that the land and wildflowers should be saved, and that the location is a coincidence. "We can't move the site," Mrs. Newman pointed out.

Mrs. Bastian said maintenance of the area will be no problem for the county. All the land needs is to be left alone.

A resolution to the supervisors, suporting beginning of negotiations with owners to arrange terms for purchase, passed unanimously on Fletcher's motion. Commissioners Elizabeth Davies and Gibbs Lawson were absent.

## Kennedy Dedicates War Memorial For Atlantic Dead

NEW YORK (UPI)—President John F. Kennedy today dedicated a memorial to World War II servicemen who died in the Atlantic and warned Americans to "be prepared to play their part" to protect liberty in our time.

"Every generation of Americans must be expected in their time to do their part, to maintain the freedom of this country," said the president as he laid a wreath at the Battery Park Memorial. "There is no final victory, but rather all Americans must be prepared to play their part."

The president flew from Washington to pay tribute to 4,000 Atlantic fatalities of the war against a sun-flooded panorama of New York harbor. The memorial, located on the tip of Manhattan, stands at the end of a mall that has the Statue of Liberty as its focal point.

Tonight the president will attend a $1,000-a-plate Democratic fund raising dinner at the Waldorf. But at the noon ceremony his thoughts were not on politics, but on memories of the war in which his elder brother was killed and he almost lost his own life at sea.

Kennedy said that when the parents of the war dead come here in the shadow of the Statue of Liberty, they will perhaps wonder why these young men had to die. He said it was in the nature of the struggle for liberty and freedom that each generation must make its own sacrifices.

Kennedy's wreath was laid

## Iowa Capitol Terrorized By Gunman

DES MOINES, Iowa (UPI) — a beer-swilling gunman intent on killing two policemen terrorized employees in Iowa's capitol for an hour today but was finally outsmarted by the state's secretary of agriculture.

Secretary of Agriculture L. B. Liddy won the gunman's confidence by opening a can of beer for him. Then he and an aide closeted themselves in a private office for 45 minutes with the gunman.

**GETS GUN**

They finally persuaded the young gunman to lay his gun on Liddy's desk. A Des Moines policeman, posing as an unarmed capitol policeman, strode to the desk, snatched up the gun and captured the man without a struggle.

During the ordeal, the gunman kept his finger on the trigger of his .22-caliber pistol and switched it idly from hand to hand. But he did not try to harm Liddy or his aide, Clair Boyd. His sole purpose, Liddy said, was to get a clear shot at two members of the Des Moines police department.

"They sent me up and I'm gonna kill 'em," he said.

After the capure, the gunman gave his age as 22 but refused to give his name or explain why he wanted to kill the policemen.

The statehouse drama began when the gunman strolled into a large office used by six agriculture department employees and pointed his pistol at Mrs. Irene Garlock and Mrs. Ora Garnett. He ordered them to call the police so he could shoot them.

**WOMEN LEAVE**

Boyd, head of the weights and measures division of the department, ordered the women from the room and called police himself

The gunman calmly hauled an open can or beer from his pocket and began to sip. He swung his gun about the room as frightened statehouse employees entered and left but made no effort to stop them.

Liddy, a slight, mild-appearing career man in the Iowa agriculture department, took charge as the gunman finished his first can of beer and produced another. He had no opener. Liddy came up with one and did the honors.

He then invited the gunman into his private office so they could discuss ways and means of attracting the police.

# Richardson Bay Recreation 'Can Be Greatest In Marin'

*DRIVER HAD HIS UPS AND DOWNS*

Richard Koegel, 25, laborer of 11 Plumas Avenue, San Anselmo, suffered cuts on face, head and body when his car hit a utility pole and overturned on San Pedro Road near Margarita Drive, just outside the San Rafael city line at 5:55 p.m. yesterday. He was reported in fair condition today at Marin General Hospital. California Highway Patrolman A. G. Koenig said Koegel's westbound car slid 99 feet on the road shoulder before hitting the pole. Koegel will emerge from the hospital to find himself facing a speeding charge.

## Potential Discussed At Flood Meeting

BY ALTON S. BOCK

Flood control was the official purpose of an Army Corps of Engineers public hearing on Richardson Bay streams yesterday in the Marin County Civic Center, but nearly everybody talked about recreation.

"There is a great potential in the recreation and boating future for Richardson Bay," said Herbert Madden of Sausalito, member of the Saucelito Canal Dredging finance committee. "It can be one of the greatest things that ever happened in Marin."

Of the dozen persons who spoke at the hearing, most emphasized the need for coordination in flood control, canal dredging, and development for public recreation.

Col. John A. Morrison, the Army's district engineer, told the more than 40 who attended that during the next two years the corps would be studying streams flowing into Richardson Bay, "and we want up-to-date information on stream control."

He said recreation potentials in and around Richardson Bay would be a part of the study.

"It will be three to five years after our survey before any work on flood control will be completed," he said.

County Supervisor Peter Behr, whose district includes the bay, said proper development of the bay and tidelands "is not just a local matter but of concern for all of San Francisco Bay in terms of recreation."

He said silt is gradually filling Richardson Bay.

"We have no local financial resources or know-how to solve the problem," Behr said.

J. Burton York, senior engineer for the State Department of Water Resources, said: "If a flood control project is justified, the state will reimburse local agencies for the cost of rights of way and land easements and the relocation of affected facilities required for channel work."

Behr reported the board of supervisors has requested inclusion of funds in the state water resources budget for land acquisition related to Coyote Creek flood control work at Richardson Bay.

Colonel Morrison said work on Coyote Creek flood control would be "carried on separately" regardless of progress on the rest of Richardson Bay.

Former Marin County Planning Director Mary Summers and Principal Planner Sidney Shaw stressed the need for keeping as "much open water as possible" and encouraging development of recreation facilities and public access.

Mill Valley City Mgr. A. E. Almcrants said the corps survey should include "more con-

## Cepeda Sues For $1 Million —'Defamed'

SAN FRANCISCO (UPI)—First baseman Orlando Cepeda of the San Francisco Giants filed a million-dollar libel suit against Look Magazine today, charging he was "defamed."

The suit was filed in Superior Court by attorney Marvin Lewis and asks for $500,000 general damages and $500,000 as punitive damages.

The article, written by Look sports editor Tim Cohane, said Cepeda was not a team man, jealous of Willie Mays and was on the trading block.

"Cepeda is a very sensitive man," said Lewis. "What the article said and what it implied is not the truth."

## UNIFIED DISTRICT SEEMS UNLIKELY

A consultant firm studying organization of five North Marin school districts is not likely to recommend their unification in a single district, the man in charge of the study said last night.

Edward Anderson of Booz, Allen and Hamilton told Dixie School District trustees "I do not believe we would recommend one unified district for all four elementary districts, for obvious reasons."

The districts included in the study are Novato Unified; San Jose, Dixie and San Rafael Elementary, and San Rafael High School. All except Novato are within San Rafael High School District.

Anderson's remark came after he was pressed by John Starkweather, chairman of the Dixie board of trustees, as to differences among the existing districts.

"There is no question that there are differences," Anderson said. "And these differences can continue to serve the respective communities." As an example, he said there are two "very different" high schools in the San Rafael High School District. Terra Linda High, he said, is fitting for "young executives in new houses in Terra Linda and Marinwood," whereas San Rafael High serves an older community.

"There needs to be this kind of variety," Anderson emphasized.

Differences exist also among neighborhood schools, he said, even within the Dixie district.

"We would strongly recommend that the neighborhood school continue," said Anderson. "There can be a tremendous range within a unified district. One administration can supply appropriate staffs for each school, and great differences may continue to exist."

Anderson said "severe neighborhood shifts" should be avoided in any kind of unification.

Penrod Moss, Dixie curriculum consultant, asked why teachers were not questioned in the survey as to their views on possible unification.

"We feel the citizenry is more important," Anderson said.

Starkweather told Anderson the Dixie board "will want to see you again before you come back with a final report. We have a lot of unanswered questions."

## Rafferty Says Slang Dictionary Obscene; Unruh Cries Censorship

SACRAMENTO (AP)—Dr. Maxwell Rafferty and Assembly Speaker Jesse Unruh clashed today over censorship and the book "A Dictionary of American Slang."

The book stirred up a controversy recently when Assemblyman E. Richard Barnes (R-San Diego) asked a Sacramento high school student to get him the school library's copy as evidence for an anti-obscenity bill.

Barnes said he felt the book's definitions were "smut." They include definitions of slang sexual terms.

Rafferty, state superintendent of public instruction, said yesterday he feels the book is "a practicing handbook of sexual perversion," and hinted "a little bit of censoring might be in order."

He said its title should be "A Dictionary of American Slang and Obscenity," and that it contains information "completely unsuitable for the children of California.

"I would certainly recommend that any schools that . . . have secured copies of this book try to take them off as quickly as possibly," he said.

Unruh said at a news conference he was "not so greatly concerned with this particular book as with whether it's the first or the last book Dr. Rafferty will want removed."

Asked how he felt about a "little bit of censoring," Unruh, who recently clashed with Rafferty on the issue of politics in education, said he felt it was like being "a little bit pregnant."

"I am always concerned over a God-given ability to censor," Unruh said.

Rafferty has no authority over high school textbooks, which are chosen by the dis-

## Nikita Warns Caribbean May Be In For Worse Troubles

MOSCOW (AP) — Soviet Premier Nikita Khrushchev, addressing a huge farewell meeting for Cuban Prime Minister Fidel Castro, warned today that the situation in the Caribbean carries possibilities of becoming worse than last October.

In a speech of more than an hour, Khrushchev, in shirt sleeves and bareheaded in a broiling sun, declared:

"If the U.S. government does not show necessary common sense and understanding of the situation and permits itself to be drawn into a dangerous path, a situation even more formidable than that of last October might arise in the world.

"If such a situation is created by the aggressive forces of imperialism, clearly it would be much more difficult to emerge from the crisis than it was in 1962.

Stopping only occasionally for small bursts of applause, while Castro looked on, Khrushchev continued:

"A breach of obligations assumed by the United States would not be regarded otherwise than perfidy. This would radically undermine trust and make coming to terms more difficult."

He pledged that the Soviet Union would defend Cuba if the United States should attack that nation.

Responding, Castro thanked the Soviet people for their cordial hospitality during his visit in this country.

"An avalanche of love fell upon us," he declared.

He was unable to begin speaking for several moments after he stood up because of roaring applause.

## Main Breaks, Leaving 'Lake'

A 12-inch water main broke at about 10 a.m. today, spewing water 15 feet into the air and causing flooding on Camino Alto across from Safeway Stores in Mill Valley.

George Eames, superintendent of construction and maintenance of Marin Municipal Water District, and four crewmen shut off the source while police Lt. Charles McCourtney directed one-way traffic through the "lake" on the street.

Eames said he could not tell the cause of the break.

## President Kennedy Father Of Year

NEW YORK (AP) — President John F. Kennedy was chosen today as National Father of the Year for his "courageous defense and leadership" of the free world.

The national Father's Day Committee called the President a humane champion "of the rights and dignity of the individual over all of the globe."

## Paradise Unit Is Against Incorporation

Paradise Property Owners Assn. last night passed a resolution 19-10 asking to be excluded from the proposed incorporation of Tiburon.

Several members abstained from voting.

The group voted to support the Belvedere-Tiburon Landmakers Society in an effort to make old St. Hilary's Church and the surrounding wildflower garden into a county park. The society is asking the county to match funds to acquire approximately three acres.

New officers elected are: Steve Dodge, chairman; Ron Madden, vice chairman; Dorothy Carter, secretary, and William DiGrazie, treasurer.

## Another Team Scales Mount Everest

KATMANDU, Nepal (AP) — Two Americans set a bright new record yesterday, conquering Mount Everest by the hitherto unscaled west ridge of the world's loftiest peak.

Norman R. Dyhrenfurth, of Santa Monica, leader of the American expedition, flashed word from base camp that William F. Unsoeld of Corvallis, Ore., and Thomas F. Hornbein of San Diego, had reached the top after a 12-hour climb up the perilous west route.

Dyhrenfurth radioed that a second team, Harry C. Bishop of Washington, D.C., and Luther G. Jerstad of Eugene, Ore., was assumed to have made the top by the south ridge. This route was climbed previously by British and Swiss expeditions and by an American team on May 1.

Dyhrenfurth reported that the west ridge team was heading down the wind-swept peak by the southern peak, thus making the first traverse of Everest in history.

## JFK Saves Prom

BURBANK (AP) — President John F. Kennedy is invited to an $18-a-couple high school senior prom after a $1,000-a-couple Democratic banquet in his honor almost caused the teen-agers to be evicted from their ballroom.

The president's impending visit to Southern California coincided with the prom planned June 7.

"We will postpone our dinner and I will come out on some other occasion," Kennedy said.

The students invited the president to the prom.

## Kennedy At Mass

WASHINGTON (UPI) — President John F. Kennedy slipped out of the White House today to attend a quiet "Ascension Thursday" mass at nearby St. Stephen's Roman Catholic Church.

Kennedy attended the 9 a.m. mass with White House receptionist Dave Powers before departing for New York.

## Racial Charges

ADDIS ABABA, Ethiopia (UPI) —An African leader charged today that the African summit conference had drawn an "iron curtain" around discussing racial disturbances in Alabama. He issued a protest to President John F. Kennedy over "inhuman treatment" of Negroes there.

Uganda Premier Milton Obote made the charges in an open letter released to newsmen as the 30 African heads of state and government began their second summit session.

## Freezing Weather

By ASSOCIATED PRESS

Freezing weather nipped areas in the northern half of the Midwest again today as a spring cool wave spread into interior sections of the East and South.

Temperatures dropped into the 20s and 30s in much of the northern Midwest but warmer weather appeared on the way and was expected to break the week's spell of unseasonably low readings.

## Yorty Censured

SACRAMENTO (UPI)—The Assembly committee on criminal procedure has censured Mayor Sam Yorty of Los Angeles for asking for a federal investigation of the committee's failure to pass a bill to increase control of the drug percodan.

Assemblyman Gordon Winton (D-Merced), chairman of the committee, said yesterday the entire committee had joined in condemning Yorty's action.

## Red Tricks German

BERLIN (AP)—An East German border guard tricked a 24-year-old West Berliner into cutting a barbed wire border barrier today and then arrested him, West Berlin police reported.

The incident reportedly occured in the French sector suburb of Frohnau.

"The young man was at the border when a border guard called to him and told him he wanted to escape," a police spokesman said.

"The West Berliner cut a piece out of the fence. Then the border guard aimed his weapon at him and forced him to cut another fence. When he got through, he was arrested and taken away."

## Airplane Pilot Scoots Around

MADISON (AP)—When Bruce Mohs applied for a motor vehicle license he was asked what kind of a vehicle he wanted it for.

"Here it is," he said, as he hoisted a gadget to the counter. It was his home-made, collapsible, 35-pound, 25-mile per hour motor scooter.

Mohs explained he carries the scooter around in his airplane for trips to and from airports.

## Cow Produces Record

Yokohl Neptune Belle, a 10-year-old cow owned by Marvin L. Nunes of Point Reyes Station, produced a record 16,935 pounds of milk and 729 pounds of butterfat in 329 days, the Holstein-Friesian Assn. of America reported today.

# JFK: 'I'll Use Troops In Alabama'

WASHINGTON (AP) — President John F. Kennedy has made it clear he will use U.S. troops and marshals if needed next month to crack racial barriers at the University of Alabama.

But he voiced hope at his news conference yesterday that Alabama's segregationist Gov. George C. Wallace would back away from the threatened federal-state collision by heeding court orders to integrate the school.

A federal court at Birmingham told the university Tuesday it must admit two Negroes June 10—one at the Tuscaloosa campus, the other at the Huntsville branch.

Wallace has declared that he personally "will be present to bar the entrance of any Negro who attempts to enroll. This is legal resistance and legal defiance."

Alabama is the only state with all its public schools still segregated.

In his news conference that ranged from flights to space to his trip to Rome, Kennedy also discussed another facet of the civil rights problem: the recent outbreaks of racial violence at Birmingham, Ala.

The president said he will decide in the next few days whether to propose additional civil rights legislation. He did not go into details, but a Justice Department spokesman said any additional proposals would be in the fields of education and public accommodations.

The Birmingham situation prompted Kennedy on May 12 to order 3,000 troops into Alabama military bases—so they would be nearby should they be needed to quell any disturbances in Birmingham.

Wallace challenged the president's authority on the troop move in a suit filed Saturday with the U.S. Supreme Court. Kennedy said he welcomed the governor's court suit, declaring, "This is where these disputes should be settled."

"I would hope," he said, "that the fact that the governor has chosen to carry out our dispute in the courts indicates that in the final analysis, he will accept the judgment of the court in the cases coming up in June."—the enrollment of the two Negro students in the university. The Justice Department had expressed this view for the administration last Saturday.

Speaking of the possible use of marshals or troops if Wallace should attempt to fight the court order, Kennedy said:

"I would be very reluctant to see us reach that point. But I am obligated to carry out the court order. There is no choice in the matter. These decisions must be enforced. Everyone understands that."

Apart from civil rights the prime domestic topic was Tuesday's vote by wheat farmers rejecting strict production controls and high price supports. Farmers voted for no production curbs and a system Kennedy predicted would cut the price of wheat by nearly 50 per cent.

Kennedy said that even if wheat prices fall sharply. "I don't think it will have much effect on the consumer." Instead, he said, it will promote large wheat surpluses, cut farm income and "cause more difficulty to the economy."

The president promised to administer present laws to give wheat farmers "maximum protection." He added he'll consider any proposed legislation that would cut grain surpluses and maintain farm income without putting an excessive strain on the Treasury. He said the farmers may decide to vote for controls next year.

On other topics Kennedy said:

"We are not going to move" on the question of one-site inspection of a possible nuclear test ban until the Soviets talk about other, less sticky points involved.

The United States hopes to withdraw some troops from South Viet Nam by the end of the year but would act quicker should the Vietnamese government request a broader withdrawal—as one of its officials has proposed.

It is "completely untrue" that the United States is preparing to give up the Guantanamo Naval Base in Cuba.

Intelligence sources report no buildup of Soviet personnel or equipment in Cuba in recent months.

The United States, so far as Kennedy knows, is not providing arms or economic aid to any Cuban exile group at the present time.

Project Mercury astronauts are lobbying for one more multi-orbit space flight and the question will be decided in the next few weeks.

Kennedy definitely hopes to see the ailing Pope John XXIII on his trip to Italy next month.

Negotiating tariff cuts with Europe presents "a long road to hoe" but both sides realize "the West cannot possibly afford to have a breakdown in trade relations."

Kennedy, to no one's surprise, is prepared to respond to "the spirit of the party" should Democrats demand that he seek a second term in 1964.

# Pope Looks Vigorous After Transfussion, Rest

VATICAN CITY (AP) — A vigorous looking Pope John XXIII, strengthened by a reported major blood transfusion and a full night's rest, stood in his studio window for about three minutes today and blessed a crowd of 15,000 in St. Peter's Square.

He looked vastly improved and a high Vatican source said that he was, that the blood transfusion had been "a real tonic." This informant said the Pope appeared rallying well from his most recent relapse.

He is suffering from anemia and a stomach disorder, believed to be an ulcer or cancer.

The appearance at the window was his second since Tuesday, when he reportedly suffered the setback.

The Pope stood at the open window, bathed by a pale sun. He recited a prayer in a strong vibrant voice. But he made no remarks, as he often does on such occasions.

The reported improvement in the Pope's condition today followed the general pattern of ups and downs he has shown in the past six months.

Sometimes he carries his 81 years with a look of deep fatigue. At other times he looks vigorous and fit.

Vatican sources say that after a weak spell he soon recovers his energy and color when he takes time for extra rest.

Today was Ascension Day, considered the last day of the Easter period. It marks the rising into heaven of Christ 40 days after his resurrection.

The Pope was scheduled to start on this holiday a nine-day spiritual retreat, or novena, to prepare for Pentecost Sunday, June 2. But Vatican officials announced, after the Pope's appearance that the retreat would start tomorrow.

Vatican officials hope the retreat will allow the Pope to regain his physical energies. He may remain in his apartment. It is fitted with all medical equipment needed for hi treatments.

Since Tuesday his regular doctor, Piero Mazzoni, has been sleeping in the papal pal ace. At least one other doctor has been present part of the time. A priest with nursing training also is said to be on 24-hour duty in the papal apartment.

# Sugar Prices Are Climbing

NEW YORK (AP) — Sugar prices are climbing like crazy and no one seems to know where it will end.

The head of the Agriculture Department's sugar policy staff, Lawrence Myers, says the market is in a state of panic.

A commodity that in 1961 was worth two cents, and which was excluded from the United States except under rigid quota systems, is being pursued with ardor at about 12 cents.

That's what a pound of raw foreign sugar costs at dockside New York these days.

The American Sugar Refining Co. announced yesterday the latest hike in the wholesale price of refined sugar: By $1.75 to $16.80 per 100 pounds in the Northeast. The price was about $10 in January.

The five-pound bags of sugar that sold for about 55 cents in the supermarket last year are tagged at 69 cents and up.

The turnabout involves several factors: Weather has been bad for Europe's beet crop, Cuba's crop has been below normal, demand has been growing rapidly—sugar is one of the first luxuries people in emerging nations seek.

The Japanese now buy dried milk in colors—red, green, yellow and blue.

## New York Prosperity

NEW YORK (UPI)—At $25,000 a room, plus a hefty annual maintenance charge, New York City's newest luxury cooperative apartment house facing Central Park in Fifth Avenue near the Plaza is selling out rapidly, the owners said recently.

# Nixon Meets Ev Charlie; Not On Show

WASHINGTON (UPI)—Former Vice President Richard M. Nixon didn't quite make the "Ev and Charlie Show" this trip, but he has an option to appear in the GOP production later.

The assurance that he will share the Republican congressional leadership platform at some future date may make Nixon feel more comfortable in his strange new role of being more practicing lawyer than practicing politician.

GOP sources said it was an assurance he was looking for.

Nixon arrived yesterday, just 24 hours too early for today's scheduled "Ev and Charlie" leadership meeting and news conference of Senate Leader Everett M. Dirksen of Illinois and House Leader Charles A. Halleck of Indiana.

The 1960 GOP presidential nominee lunched with Senate and House Republican leaders yesterday.

Nixon made it clear to newsmen he was not out gunning for any 1964 presidential candidate. He said "Eisenhower-Nixon Republicans" could and should be able to support any of the prominently mentioned White House prospects.

Syria lies on the land bridge linking Asia, Africa and Europe.

# McCarthy Seeks Closer GOP Work For Election

WASHINGTON (UPI) — California State Sen. John F. M. McCarthy (R-San Rafael) called yesterday for closer cooperation between Republicans in Congress and the state legislature in preparing for the 1964 elections.

He made the plea in remarks prepared for a closed meeting of the California Republican congressional delegation.

He also used the occasion for an attack on Democratic Gov. Edmund G. Brown's tax policies, predicting that Brown would ask for more than 400 million dollars in new taxes.

McCarthy, state senate minority leader, urged GOP congressmen to double their efforts in preparing for the campaign.

He suggested the formation of a "congressional-legislative liaison committee" under the delegation chairman, Rep. Glendard P. Lipscomb to "coordinate and counsel" with GOP state legislators and the state party organization.

"This committee would meet immediately after adjournment of Congress to map plans for strengthening our party, he said.

McCarthy said the committee should hold a series of "issue conferences" to be conducted jointly by Republican congressmen and state legislators during the fall and winter months. He also said it should arrange for a "nationally known party spokesman" to tour California on a continuing basis.

# They'll Be Selling Books At Library

They'll be selling books tomorrow and Saturday at the San Rafael Public Library.

Strange to relate, the process will add volumes to the library shelves instead of denuding them; besides which, it will start a record collection — something the San Rafael Library lacks.

The sale will be by the Marin Assn. of Retired Teachers, from 9 a.m. to 5 p.m. both days on the library lawn.

The books have been contributed by members of the association and by many other residents. "There are thousands of them," according to Mrs. Eleanor Murray, library board chairman.

Hundreds of children's books are included. A special table will be filled with books of interest to students. Even best-sellers are included—at prices ranging from a nickel upward.

The library will benefit two ways, explained Mrs. Vivian Smith, chief librarian.

First, librarians have gone through the books contributed. Copies in better repair than those on library shelves have been substituted, with the more worn books to be offered for sale. Extra copies of some of the library's own books, for which demand is now small, have been added to those to be sold—but other usable books, in good condition, have been placed on the shelves from among those contributed.

"We have added about 100 titles to the library's shelves from these," said Mrs. Smith.

Second benefit to the library will be creation of the record collection, with records purchased with the money received from sale of the books.

tricts. And he has urged that elementary schools be given complete freedom to choose their own texts.

But he said he will recommend in the fall that "our fine public school libraries examine very carefully their books to be sure that obscene material of this sort is not made avail- to our young children."

"This is not a question of witch hunting or book burning," the superintendent said. "There is nothing subversive about books like this. They're just dirty.

"This sort of pornography . . . is just as dangerous to the morals and the minds and the souls of our children as a cholera bacillus would be to their bodies.

"If we have to have 'Tropic of Cancer' and 'Lady Chatterly's Lover' on the shelves of junior and senior high schools in this state simply to prove that we're not censoring, then I think we'd better do a little bit of censoring."

## Sausalito Library Adopts Budget

Sausalito Library trustees last night adopted a proposed 1963-64 budget of $28,405, a $9,000 increase over the current year. The increase to be recommended to the city council, is mainly to provide more books, Mrs. James J. Carroll, acting president, reported.

The board also passed a resolution to ask the city council how much money has been saved from the city library tax fund to be used toward construction of a new library.

# New Year's Eve Death To Jury

The fate of William A. Acree, 20, accused of manslaughter in the New Year's Eve death of a Kentfield youth, rested with a jury of eight men and four women this afternoon.

Dist. Atty. Roger P. Garety and defense lawyer William O. Weissich wound up their final arguments this morning before Judge Joseph G. Wilson of Marin Superior Court.

Acree's car hit two pedestrians, Robert T. McMullen, 19, of Kentfield, and William R. Costello Jr., 19, of Larkspur. McMullen died from the injuries.

The defense contended that Costello and McMullen were "cavorting" on the paved portion of the highway near Marin City.

Miss Penny Heide, riding with Acree, testified she saw one youth run and another "leap" toward the highway just before the crash.

Prosecutor Garety declared that the youths were walking well off the highway, and what Miss Heide saw were the two youths being thrown into the air by the impact of the car.

About 285 feet of tire marks left by Acree's car showed that Acree could easily have avoided the pedestrian's if he had been driving prudently, Garety argued.

Weissich countered that the brakes, which were found defective, had sent the car swerving to the right. He pointed to a bus driver's testimony that she had seen two youths pushing and "horse-playing" on the paved portion a few minutes before the accident.

But Garety replied that the time element shows the bus driver must have seen someone else, not the two victims.

## BAY

tacts with local businessmen and homeowners' groups."

S. J. Hugh Allen, attorney for Richardson Bay property owners, said flood control and canal dredging "to open up the bay for recreation are inseparable."

William A. Hamilton, chairman of the dredging finance committee, urged the corps to "take all necessary steps" so the committee might go ahead with plans to form an assessment district to enlarge Sausalito Canal for navigation.

"Despite this rosy picture," said Floyd Beaver of 34 Ross Drive in Tamalpais Valley, a member of the Kay Park Homeowners Assn., "I would like to call attention to the homes and the people who live there. A boy was drowned last winter when there was flooding in San Rafael, and we wouldn't want anything like that to happen around Richardson Bay."

County Public Works Director Donald R. Frost said worst flooding has been in the western part of the bay and will continue without control. During the severe 1955 storm, damage was $250,000, he said.

"We will continue to talk to you about this during our study," Colonel Morrison said. "All of these things will be considered. When we come up with a general plan, we will hold another public meeting before we send anything to the chief engineer's office.

"In due time we will come up with a project."

## Santa Venetia Group Elects

Harry Johntson, 505 Vendola Drive, was elected president of the newly reactivated Santa Venetia Improvement Assn. at a meting of about 40 property owners last night.

James D. Phillips, 601 Vendola Drive, was picked as vice president; Kenneth C. Duncan, 1595 Vendola Drive, treasurer, and Donald B. Anderson, 312 Vendola Drive, secretary.

The association, once known as the Gallinas Village Improvement Assn., is asking membership of about 733 property owners in the area.

## STOCKS TODAY

NEW YORK (AP) — Stock market prices presented a mixed picture at the close today.

Trading was moderately active. Profit taking nibbled into gains by steels and motors after they had posted minor gains.

Changes of most key issues were fractional in a market that was generally sluggish all through the session.

Volume was estimated at 4.5 million shares compared with 5.4 millions yesterday.

Following are closing stocks.

## Lack Of Quorum

The Corte Madera Park and Recreation Commission failed to get a quorum last night and continued its meeting to 7:30 p.m. June 5 in Town Hall.

The civilian labor force increased by 8.2 million workers between the 1950 - 60 census, from 56.4 million to 64.6 million workers.

Rickover saying that whenever the admiral dedicates a new submarine, he presents it with a plaque inscribed:

"Oh, God, the sea is so great and my boat is so small."

"The seas has been a friend and an enemy to us all," he said. "It was the struggle between nature and man that cost these men their lives."

## 12 Deputies With Guns Set For 'Prowler'

A dozen sheriff's deputies with guns ready surrounded a home at 14 Appollo Drive, Belveron Gardens, this morning in an effort to catch "a prowler trapped in the attic."

Deputy Martin Conlin, who volunteered to crawl through the narrow attic area, found nothing but cobwebs and dust. "He came out looking as if he'd been through a wringer," said Sgt. Edward Levine.

The only live object they found was a cat, which was in the garage, looking quite innocent.

Michael Richard O'Brien, 19, reported the "prowler" about 9:50 this morning. Officers, who surrounded the home, theorized it might have been the cat or squeaks in the attic walls.

## Antique Car Lot Request Denied

Sausalito planning commissioners last night denied a request for a use permit to William Brose to have a used car and antique car sales lot on a 100 by 20-foot portion of the Southern Pacific Railroad Co.'s freight yard.

Denial, according to acting Chairman Robert L. Nissen, was because there were several requisites missing from the request.

The commission adjourned to Wednesday to discuss the Heath Land Co. use permit request to build a 96-unit apartment house in Marinship.

## Tremors From Sharp Quake Felt In Marin

Slight tremors of a sharp earthquake which was centered on the San Andreas Fault south of Palo Alto were felt yesterday at 3:41 p.m. in Marin County. The earthquake lasted for four minutes.

Police departments in Corte Madera and San Anselmo received telephone calls. Also, the Independent-Journal switchboard was busy for a few minutes with inquiries.

No damage was reported from the earthquake which read 5.0 on the Richter scale, compared to the 8.25 reading of the 1906 San Francisco earthquake.

The earthquake was felt as far south as Los Altos and north to Martinez. Office workers in San Francisco saw desks, chairs and swinging fixtures shake for a few minutes.

## Burglars Strike In Mill Valley

Three Mill Valley businesses and Edna Maguire School were broken into last night with a total of $161 in equipment and cash taken of which $11 was in children's hot dog money from the school.

Tad's TV and Radio at 398 Miller Avenue reported five radios valued at $140 and $10 in change taken after someone broke glass in a rear door. Entry was made to the Mount Carmel Salvage Shop, 45 Lovell Avenue, by removing screws from a lock hasp; nothing was reported taken.

Burglars went downstairs from the salvage shop into Mill Valley Motors at 16 Madrona Avenue and reportedly took a screw driver. The school was entered, police said, by breaking a window and lifting a window latch.

# Eddie Howard Dies At 48

PALM DESERT (UPI)—Bandleader Eddie Howard, whose recording of "To Each His Own" sold 15 million copies and became his theme song, was found dead today in his Eldorado Country Club home.

Howard, 48, a native of California, began his musical career while attending Stanford University in the early 1930s. He was majoring in business administration but doubled in music and formed his own band.

The group played college dates in the San Francisco Bay Area and when he graduated from college Howard hit the nationwide circuits.

During his orchestra engagements Howard collaborated with other songwriters or penned pieces on his own. In addition to his theme Howard had a dozen other recordings that sold over a million copies, including "Rickety Rickshaw."

Howard gave up leading big bands a year ago and recently has teamed with small combos at local resort hotels.

Cause of death was withheld pending an autopsy.

Survivors include his widow Jane and two teen-age children.

## JOHN ALBRIGHT

John Albright, a resident of Marin for about 60 of his 98 years, died yesterday in a local hospital after long illness.

For 13 years, Albright, a retired lather, had resided at the county farm in Lucas Valley. Earlier he lived at 110 Tiburon Highway in Tiburon.

He was born in Canada and came to the United States in 1898. He was a member of Lathers Union Local 268 and of the San Rafael Aerie of Fraternal Order of Eagles.

His closest surviving relative is a niece in Illinois.

Funeral will be held at 2 p.m. tomorrow at Chapel of the Hills in San Anselmo. Burial will be in Mount Tamalpais Cemetery.

## Free Cruise Set Tonight

One hundred Belvedere and Tiburon residents will get a free one-hour boat cruise tonight as well as June 6 and 13 from Harbor Tug and Barge Co. Purpose is to acquaint people with the service.

However, according to W. C. Helman, firm representative, all seats are taken for the three nights since people received tickets by mail.

The firm runs regular ferry commute service between Tiburon and San Francisco and has a "champagne cruise" from San Francisco to Tiburon each Thursday night.

Jim Davidson was named chairman of the planning committee for the June 1 CYO dance. Steve Davidson was named chairman of the June 3 spaghetti dinner and dance.

# NATO Ministers Turn To Communist Problem

OTTAWA (AP) — NATO ministers turned today to discussion of problems with the Communist world after reaching agreement on a framework for a nuclear striking power assigned to the alliance's military commander.

U.S. Secretary of State Dean Rusk planned to put before the other foreign ministers of the 15 national alliance his assessment of the Cuban situation, East-West relations, the Soviet-Red Chinese dispute, and the stalmated nuclear test ban talks.

Rusk was expected to stress that Cuba still is an unsolved problem and thus at least of indirect concern to NATO.

U.S. sources said they expected smooth going in the discussion on the second day of the ministers' spring meeting. But there was a possibility that some of the smaller countries might raise certain problems. Portugal, for example, might bring up the touchy Angola situation, they said.

# Mill Valley Gives Up Library Site

Mill Valley will give up its quest for a new library site on the Roy A. Ibache property because the asking price keeps going up, city councilmen and library trustees agreed last night.

The city has filed a condemnation suit for the Ibach property, where the Mill Valley Lumber Co. storage yard is located, and for the adjacent Bedecarrax land.

"Both Ibach and Bedecarrax have left the realm of realism as far as price goes," declared library trustee Paul Fourman. "At every discussion we get another $10,000 tacked on to price."

"Despite these setbacks, we are bloody but unbowed" in the quest for a new site, Fourman added.

"I think we are generally agreed that the suits will be withdrawn," said Mayor Joseph E. Sheeks.

The city fathers, however, failed to agree on whether the present five-cent tax rate for the library building and site fund should be continued in the new budget.

Councilmen Michael Wornum and William M. Secor wanted to leave the five-cent tax in the budget so the fund can be expanded. "The money can be used for equipment for the new library, and the bond issue will be that much less," said Wornum.

Other councilmen, however, wanted to reserve decision until "after we get a better idea of the whole budget picture."

City fathers decided to postpone until 9:30 a.m. Saturday when they will meet for further budget discussions.

The library building and site fund now stands at $33,600. A five-cent tax rate in the new budget would add another $10,000 to the fund.

Councilman George Blackwell urged library trustees to look into city-owned property next to Old Mill Park as a possible library site.

## Larkspur Bonds Are Supported

Samplings of residents' support of a Larkspur School District bond-tax drive are "extremely gratifying," precinct workers for the district's SOS Committee told Supt. Milton S. Cohen yesterday.

Cohen and the committee met to make final plans for a June 4 special election on a $700,000 bond issue for 20 new classrooms and an 85-cent tax rate increase.

Precinct workers are making house to house calls, they told Cohen. They are preparing information for phone calls to voters.

## Los Ranchitos Group Took No Action

The Los Ranchitos Improvement Assn. did not ask for approval of a zone variance permitting a beauty parlor at 7 Van Buren Street, as reported in Tuesday's Independent-Journal, Leland J. Peterson of 28 Circle Road, a director of the association, said yesterday.

Peterson said he signed the petition as a nindividual, not as a representative of the association, and that he knew of no action by the association board to seek approval.

## Hospital, Fire District To Meet On Protection

A meeting between officials of Marin Hospital District and the Kentfield Fire District will be held sometime next week according to an announcement today from the hospital's public relations firm of Becker and Mueller of San Francisco.

The hospital district's attorney, Harold F. Reide, Monday wrote John L. Smith Jr., chairman of the fire district, asking for the meeting.

Purpose will be to discuss reinstatement of the contract with the fire district for fire protection for the hospital. The contract was cancelled a year ago after a dispute between the fire district and the hospital over parked cars which block access to the hospital and to fire hydrants.

Kentfield Fire Chief John McLaren, out of the county the rest of this week, told Reide he would try to set the meeting up next week.

## Stolen College Library Books Increase 400%

By FRED WYATT

The number of books stolen from the College of Marin Library this school year may have increased 400 per cent over the preceding four years, librarian Charles Mastin said today.

Only an inventory to be completed this summer will give an approximate idea of the total loss, said Mastin. The last inventory was in 1948, he reported.

Mastin said he based his estimate on the number of slips written by librarians for books they can't find when students seek them.

Books that vanished run into money, he said. For example one volume of an encyclopedia of world art that disappeared in the past is worth $30.

Of two sets of six volumes each, seven volumes are missing.

Mastin believes former students, no longer authorized to check out books, may be responsible.

He said wistfully the library now has six exits by which "booknapers" can make their getaway. Soon, he said, only front and rear entrances will be used and alarms will be added to two now in use.

Three times last fall semester, slacks of books mysteriously were returned to the library, left on the building steps, Mastin said.

## Hints To Keep Your Car Safe

CHICAGO (UPI) — Chicago's police superintendent, O. W. Wilson, says savvy motorists can prevent many of the 900 car thefts that occur in the United States each day.

He suggested that when parking a car, the motorist should:

1. Lock ignition and remove keys.
2. Close windows and lock doors.
3. Keep clothes and other personal property out of sight.
4. Keep the trunk key when using a commercial lot for parking.
5. Do not leave behind any license registration cards or other identifying credentials that a thief could misuse after stealing the car.

## Trustees To Discuss Changing Vending Machines At College

Whether the College of Marin student executive council may change contractors for food supplies in cafeteria vending machines will be discussed by the Marin Junior College District board at 8 p.m. today in room 61, Art building.

Board President Elizabeth M. Deedy said she will ask a subcommittee of trustees (Robert E. Oliver and Robert E. Rogers) for a report of their findings in the matter continued from May 3.

Students have complained the machines have been "either empty or out of order for two years."

Mrs. Deedy will ask whether the board wishes an appraisal on University of San Francisco property north of Novato and west of Highway 101 as a possible second campus location.

Business Mgr. Norman Bird will report on any bids received for cafeteria and miscellaneous equipment the college has offered for sale.

College President Stephen E. Epler and Vice President Paul Clymer will recommend seven law enforcement courses plus new courses in real estate, library use, and psychology.

# $6,000 Pledged To Teen Center

A proposed teen center for Mill Valley got a shot in the arm last night with a pledge of at least $6,000 by the city council.

The proposed park department budget called for a five-cent tax rate to raise $10,000 for the teen center fund. City councilmen decided the full five cents might be a little steep this year, but agreed to at least a three-cent tax rate.

Councilman William M. Secor strongly backed the teen center fund. "The teen-agers have really hustled," he pointed out. The $1,000 which they have accumulated up to now "has been real blood and sweat money."

The site for the proposed Teen Center has not been decided as yet.

Councilmen also voted for a one-cent tax rate to set up a "pilot" summer work program for boys over 16. Work crews, with an adult supervisor for every five boys, would do odd jobs such as cleaning fire hydrants for 11 weeks, starting in June. The youths would be paid $1 per hour, and the supervisor $2 per hour.

Clay Underhill, manager of the Mill Valley office of Northwestern Savings and Loan Assn., spoke up for both the summer work program and the teen center.

Budget discussions will be continued Saturday from 9:30 a.m. to noon at the city hall. Mayor Joseph E. Sheeks indicated at least one further budget meeting would be needed to discuss salaries for city employes and hiring of additional employees.

The council set for 8 p.m. June 6 a meeting with the Mill Valley City Employees Assn. on salaries.

The proposed Mill Valley budget for 1963-64 originally stood at $875,000. By last night the councilmen had chopped that figure down to about $845,000, which means a tax rate of $2.21 as compared with the current rate of $1.98.

Here is the proposed tax rate breakdown for the 1963-64 fiscal year.

General tax rate 85½ cents; sanitation 26½; drainage 4; library 30 (including 5 cents for building fund; bond redemption and interest 22; retirement fund 24½, and park and recreation 28½ (including one cent for summer work program for boys).

Mayor Sheeks said the council hopes to peg the tax rate at about $2.20.

## Ousted Negro Pupils Head Back To Birmingham Schools

BIRMINGHAM, Ala. (UPI)—An attorney for the Birmingham School Board said today the board will comply with a federal court decision to reinstate more than 1,000 Negro pupils suspended for racial activities.

But the attorney, Reid Barnes, said he would press for a new hearing on the decision rendered last night by chief Judge Elbert P. Tuttle of the Fifth U.S. Circuit Court of Appeals.

The Atlanta judge said the children were illegally arrested. He ruled that the school board could not prevent the pupils from completing this term.

Seven days remain in the school term.

Tuttle overturned a decision by U.S. Dist. Judge Clarence W. Allgood of Birmingham within eight hours after Allgood refused to reinstate the 1,081 pupils expelled or suspended Monday.

Tuttle said the school board's reason for its action was a policy of suspending or expelling any pupil arrested for any cause. He ruled, however, that the pupils "were engaging in legally permissible activities" and were "illegally arrested for exercising this constitutional right."

In granting a temporary injunction against ouster of the pupils, Tuttle said in an accompanying opinion "it appears shocking that a board of education should thus in effect destroy the value of one term of schooling for so many children."

# Hearing Is Set On Oil Field Monopoly

SACRAMENTO (AP) — A Senate watchdog committee has called a hearing June 3 on a report striking at monopoly on a prospective contract for oil in the rich new East Wilmington tidelands.

Hundreds of millions of dollars in state revenue are involved. Some estimates place the potential profits as high as nearly two billion dollars over a 35-year period.

Long Beach, as trustee for the off-shore holdings, has proposed awarding the contract to a single company or a syndicate that would pay a 51-million-dollar advance.

Oscar L. Chapman, former secretary of the interior who was hired as a consultant by the Senate committee, urged a different approach in a report released yesterday.

He agreed that one operator should develop the field. But he said that others should be allowed to share in it.

Long Beach told the State Lands Commission at a March hearing that the single unit development would yield the highest and best bid, provide the most effective means of preventing subsidence and result in substantial operating savings.

But Chapman, retained for a maximum $40,000 fee, said the city's proposal "runs counter to the established policies of the state and federal anti-trust laws."

He said it would discourage competitive bidding and it would "tend to give one company or bidding group a dominant position in the California market."

All but 1,100 of the 6,500 acres in the recently discovered field lie in tidelands held in trust by Long Beach. Under a 1956 law, the city and state share royalties 50-50.

The final contract is subject to approval by the State Lands Commission.

# TAM UNIFICATION HEARINGS SLATED

Public hearings on proposed unification of Tamalpais High School District will be held "sometime next fall," the members of the augmented Marin County Committee on school district organization agreed last night.

The augmented committee adjourned until an undetermined date in September when exact dates for public hearings will be scheduled.

Proposed unification of the entire district will include these propositions:

1. A seven-member board for the district.

2. Election of truestees at large although each trustee will represent one of seven areas in the district.

3. All outstanding bonds in existing districts will be assumed by the new district.

4. The maximum general tax will be based on the assumption that all districts had levelled maximum rates prior to unification.

Explaining the proposed tax rate, committee secretary Edwin L. Blackmore said the rate would be an "average" of all rates to raise money based on total assessed valuation. The rate, if based on current taxes, would be $4.01 per $100 assessed valuation.

"This is more than the rate in some districts now and less than others," said Blackmore.

The committee rescinded, by a 12-3 vote, its action last week asking voters to approve a 25-cent tax limit over the maximum average rate. Committee members that any such increas should be left up to the new board.

After public hearings next fall, a final recommendation for unification will be sent to the state board of education. If the board approves the proposal will be held and the matter will go to voters throughout Tamalpais district.

Although the augmented committee plans no more meetings until fall, the county committee will meet again June 19 in the Civic Center to discuss other business.

## Novato Sanitary District Will Build New Plant

Novato Sanitary District will design and build a treatment plant for the Bahia Del Norte subdivision northeast of Novato on the Petaluma River, the board of directors decided last night.

Developer M. W. Finlay earlier had agreed to build the plant.

"The board decided to design and build the plant according to its own specifications," said Albert Tresch, district manager. "It will be paid from the assesments put on the development of Bahia."

The plant will be designed to handle a population of 7,000, Tresch said. This will give it enough capacity to handle homes on the hills north of the highway at Black Point, he added.

## Tiburon Group Against Annex

Directors of the Tiburon Peninsula Chamber of Commerce today passed a resolution asking the Belvedere City Council not to approve annexation of commercial lands owned by Fred G. Zelinsky and others.

Stuart Burt, secretary-manager, said the board took the action at a special meeting because it felt incorporation of Tiburon might be jeopardized and because it wished to retain the character of Belvedere.

The board felt a boundary compromise can be worked out later, Burt added.

## Seamen Get Jail In Car Tampering

Two seamen, caught removing a tire from a car in Corte Madera Tuesday night, drew three days in jail or $31.50 fine each.

Jerrel Allen Loudon, 20, and Michael Anthony Gifford, 20, both attached to the troopship Montrose, berthed in San Francisco, pleaded guilty yesterday to car tampering.

Judge Harold J. Haley of Marin Municipal Court ordered the two seamen to serve three days in jail if they cannot come up with the fine.

# Sanitary Unit Seeks Superintendent

The Corte Madera Sanitary District will seek a maintenance superintendent, instead of a manager, the district board decided last night in ending a marathon meeting begun May 7.

The first night of the long meeting featured a motion to fire William A. Adam, secretary-manager since 1954. On May 8 Adam was summarily discharged after a closed session.

Last night, after its latest closed meeting, the board voted unanimously to obtain a replacement with more restricted powers. Directors will offer a salary of $600 to $1,800 a year less than the $9,600 a year Adam was getting. The position will be designated as "maintenance superintendent."

"Duties were set forth as" routine maintenance and nominal repairs on sewage pumping equipment, automatic electrical controls and standby generators, nominal administrative functions, supervision of personnel, and representation of the sanitary district to the public." June 4 was set as deadline for applications.

On motion of director Ernest T. Mock, the board voted unanimously to ask the Town of Corte Madera to resume inspections of sewer lateral connections, which the town building inspector ceased four years ago.

Town Mgr. Arthur H. Brandow expressed pleasure when informed of this by the Independent-Journal and said he will convey the request to the town council when officially received.

The sanitary board will hold its next meeting at 7:30 p.m. June 4.

## Breaks Hip At 87

Mrs. Malvine Judell, 87, of 104 East Manor Drive, Mill Valley, was reported in "good condition" today at Children's Hospital in San Francisco with a broken right hip and right arm suffered when she reportedly fell at 2:20 p.m. yesterday at 119 Walnut Avenue. She was given emergency treatment at Marin General Hospital.

# County Will Study Support For Local Park Projects

County policy of non-support for park and recreation projects having only a local community interest may be due for revision.

Marin County Parks and Recreation Commissioner James Fletcher asked for a study after Kelvin Nelson, the new County director of parks and recreation, told yesterday of looking at a site in Novato which would make an outstanding park, but which would cost about $125,000.

The Novato Garden Club has taken an option on the land, the Louis J. Nave estate at 1524 Hill Road, and has proposed that the City of Novato purchase it for a city park. It is a five-acre estate with a mansion usable as a clubhouse, landscaping already in, a guesthouse for a caretaker, next to a school and near downtown Novato.

Nelson said he tried to keep the county out of the project, but was shown the land by a group which included Supervisor William A. Gnoss.

Chairman Helen Newman also pointed to recent action by the board of supervisors to aid senior citizens in local projects, and said the policy should be examined closely, probably in July.

Nelson told the commission there is little chance of using county prisoners for park improvement work. "There just aren't enough to go around," he said.

**The statement immediately brought suggestions for two other sources of cheap labor. Teen-agers might be willing to work rather than pay traffic fines, and county welfare recipients could be put to work, as has been decided recently in Alameda County.**

Nelson said he would look into both possibilities.

Commissioners asked for information on the proposed Sea Cape subdivision next to the Muir Beach Overlook, a small park to be developed by the county.

Nelson said the budget included about $4,000 for development, which would have to be spent before the end of the fiscal year or lost. He said there have been delays because of proposals by the subdivider to build a road to the park from the state highway in exchange for a 40-foot easement owned by the county.

The commission also discussed a ranger's cabin for Paradise Cove Park, deciding against a prefabricated structure.

Nelson reported on a proposal to use San Rafael American Legion Hall as a recreation center in cooperative project with the City of San Rafael. No action was taken on the idea.

The commission referred to the county counsel and the Marin Rod and Gun Club a request that use of firearms be prohibited on Bolinas Lagoon.

## Dixie School Trustee Quits Post

Marcus W. Savage, Dixie School District trustee for five years, last night submitted his resignation one month before his current term would have expired.

"I plan to take a vacation during June," Savage said, "so this will be my last meeting." He did not seek re-election April 16, and his term expires June 30.

His resignation was accepted by the board. Chairman John Starkweather said Trustee-elect Melvin R. Stidham would probably be appointed at the board's June 12 meeting. Both Savage and Stidham are Terra Linda residents.

Savage commented that "most of what is best in the Dixie District is due, I think, to Supt. Dennie B. Willis." He added to this compliment, however, that there is a problem in "informing the parents as to what the district is doing, and we should look for ways to better inform people."

## Fire Chief Candidates Interviewed In Hub

The San Anselmo City Council last night interviewed four candidates for fire chief in an hour and one-half meeting, but made no decision, according to City Administrator Douglas Flautt.

The choice will be announced at Tuesday's regular meeting of the council, Flautt said. Candidates are Asst. Fire Chief Francis Sousa, Capt. William Rawlins, Capt. Richard McLaran and Lt. Robert Beedle. Fire Chief Nello Marcucci will retire on June 28.

## Principal At Vallecito School Relieved Of Job

Henry M. Smith was relieved as principal of Vallecito School last night, at his own request, and will be assigned to a teaching position in the Dixie School District.

Smith formerly was principal of Santa Margarita School and has been principal of the seventh-eighth grade Vallecito School since it opened three years ago.

Dixie Supt. Dennie B. Willis said "personal things" were involved in Smith's request. He will teach in fifth or sixth grades, with a salary of $9,750. He will be assigned to a school later, Willis told the Dixie board of trustees.

The board also approved hiring of 30 teachers, three secretaries and two librarians for the summer school. Most of them are regular district employees.

## Wife Beating Plea Is Guilty

Lowell Harry Smith, 38, of Santa Venetia admitted yesterday he had committed battery against his estranged wife Tuesday night in her San Rafael home.

Mrs. Ruth Ellen Smith, 36, of apartment 2, Mission Avenue, told San Rafael police her husband broke through the front door and beat her.

Smith pleaded guilty yesterday before Judge Harold J. Haley in Marin Municipal Court. Sentencing was set for 3 p.m. next Tuesday.

## Tam Picnic

Tamalpais High School's Honor Society will hold a picnic Saturday on Angel Island. Students, accompanied by Mrs. Mary Baker, plan to be on the island from 9:30 a.m. to about 4 p.m.

## SCHOOL-MADE ZOO IN NOVATO

Inspecting a paper mache giraffe and monkey are (from left) Karen Hensley, David Bonner and Mike Gannon, fourth grade pupils at Rancho School in Novato. These displays are part of an all-Novato schools art display at Rancho School. The monkey was made by Gerard Mitschum and James Shields and the giraffe by Pat Daniels of Novato High School. The show is open during the school hours today and tomorrow for school personnel. It will be open to the public from 3:30 to 5 p.m. tomorrow and from 10 a.m. to 5 p.m. Saturday. # Essay Prize Cruise Trip To Orient

Leslie C. Leonardi of Marin Catholic High School has won a summer cruise trip to the Orient on Pacific Far East Lines for her essay on "American Ships in the Expanded Trade Program."

She is a daughter of Mr. and Mrs. Louis J. Leonardi, 355 Forbes Avenue, San Rafael.

She won the trip as the national winner from the Northern California region in the essay contest, sponsored by the Propeller Club of America. Her major award was announced yesterday at a Maritime Day luncheon in San Francisco.

Winning a trip to Vancouver, B. C., was Sherree Strittmatter, daughter of Mrs. Charleine Strittmatter, 28½ Filbert Street, Sausalito, as a regional winner. She is a student at St. Vincent's High School, San Francisco.

Mark DeSmet of Tamalpais High School and son of Mr. and Mrs. Joseph DeSmet, 75 Rancho Drive, Mill Valley, another regional winner, won a "coastwise" voyage.

# County School 'Dropout' Problem Aired

The "drop out" problem of the county schools office where 11 persons have resigned in the last two weeks, was aired today over radio station KTIM's "Marin Sounding Board."

Dr. Virgil S. Hollis, county superintendent of schools, had a seven-page statement which he did not get a chance to finish. Mrs. Albert White, a mother from Mill Valley, had several questions prompted by conversations she had earlier with schools office personnel.

Daryl Hopkins, director of special education at the schools office, said the five in his department who resigned represent just 6 per cent and that this was an enviably low turnover. He said there are 80 full-time and part-time employees in his department.

Dante Bagnani, chairman of the Marin Assn., for Retarded Children, said there was room for improvement, particularly in transportation for the county's program for mentally retarded.

The first half of Hollis's statement was devoted to praising administrators and other key members of his staff. He next listed the reasons for the recent resignations.

Two, he said were for family reasons (to be nearer and spend more time with children and family); three were to return to classroom teaching and the opportunity for tenure and sick leave; one to do graduate work; two to take jobs with districts absorbing a schools office program, and three "for relocation."

"Occasionally a person who does well in one situation may not do well in another, individuals desire to relocate," said the superintendent.

One of the last questions phoned in from a listener told Hollis to "forget the soft soap and tell why they quit."

"I think I've already answered that," Hollis said.

Mrs. White said, as an interested mother, she had talked to schools office personnel and one of the most common complaints was that office policy often changes right in the middle of a project, and the project is not completed.

Other times personnel will be taken from a job to do non-school work such as working with the Elks Lodge or some service group or a committee.

Hollis said the total turnover in county employment in the past year has been 18 per cent, considerably above the turnover in his department.

Bagnani, who restricted his comments to the mentally retarded program, said more counselling is needed and some kind of supervision on buses or else shorter bus rides to classes.

Hollis said efforts will be made to improve in both these directions with the next school year.

The program, moderated by Kitty Oppenheimer, will be rebroadcast by tape recording at 12:30 p.m. Sunday.

## Photographer Wants Trial Venue Changed

Mill Valley photographer Philip Planert, faced with a $25,000 slander suit in San Francisco Superior Court, has asked for a change of venue to Marin County Superior Court.

The suit was brought against him by Kee Coleman Studio of San Francisco because of statements by Planert on radio station KTIM's "Marin Sounding Board" Feb. 14 and 17. The program involved "kickbacks" to high schools by photographers.

## Three Employees Honored In Novato

Kathleen Simkins, deputy city clerk, and Fred Westfall, head building inspector, today were honored by fellow employees of the City of Novato on the third anniversary of their starting work for the city.

The two were the first two employees of the city after it incorporated three years ago last January. A large cake was presented to them at Novato City Hall.

# Water Unit Calls Bids For Tank

Directors of the Marin Municipal Water District yesterday called for bids for a 500,000-gallon steel tank to serve the Marinwood-Lucas Valley area. Bids will be opened June 12.

The district board approved purchase of 27,800 feet of copper tubing, ranging in size from three-quarter inch to two-inch diameter, from the Crane Supply Co. for $10,236.17. Crane was lowest of nine bidders.

Some 100 gate valves were bought from Kennedy Valve Manufacturing Co., also lowest of nine bidders, for $5,763.60, and 142 cast iron fittings from Tyler Pipe and Foundry Co., lowest of five bidders at $2,902.30.

## Motorbike Accident

Charles E. Stack, 38, of 2000 Redwood Highway, San Rafael, was treated for a fractured right collar bone at Marin General Hospital today after he skidded in loose gravel at 9 a.m. while driving his motorbike at Caledonia and Napa streets in Sausalito and fell to the pavement.

# Bolinas-Stinson School Budget Gets Approval

Bolinas-Stinson School District trustees last night approved a tentative 1963-64 budget of $113, 593 and a tax rate of $1.16 per $100 assessed valuation plus 11 cents for bond redemption.

This includes six cents override tax, a one-cent increase over the current year. Last year's total budget was $93,105.

Salary increases were approved for the district's nine personnel. Principal Peter M. Auer was given a raise from $7,000 to $8,250. Four teachers were given raises of about $500 each. Hours of one maintenance man, Leo Kaminski, were doubled, and his salary increased from $1,440 to $3,144. Salary hikes for other personnel were topped by a $1,000 raise (from $5,525 to $6,525) for Frank Vitelli, bus driver and maintenance man, ranging down to $109 for Mrs. Marie Gibson, part-time bus driver.

The board elected Trustee Henry B. Lucaze as chairman until July 1 to replace Mrs. Blanche Eustis, who resigned to move to Berkeley.

Clerk Arthur E. Carpenter reported Merril Grohman, co-publisher of the Pacific Sun, and Mrs. Harry Phillips, both of Stinson Beach, have expressed interest in appointment to the board vacancy. They will be interviewed June 11, along with any other persons notifying Carpenter of their interest. The board will meet June 11 because June 12, the regular meeting date, is graduation day.

# SAUSALITO HOPES TAX UNDER $610,770 MARK

Sausalito will attempt to hold its present $1.25 tax rate under a proposed 1963-64 deficit budget of $610,770, City Mgr. Charles A. Brown said today.

The budget is expected to be up $56,000, or 10 per cent, from the current year.

Breakdown of the tax rate is: general fund, 74 cents; park, 17.8 cents; library, 12.8 cents, and retirement, 20.4 cents.

The tax rate has been firmed up only for general government programs. The library budget tax rate has been established at the 1962-63 level since no budget has been received yet from the library board, Brown said.

Revenues are expected to increase $24,000 or 5 per cent next year, he said. Expenditures will exceed revenues by $99,681. A major portion of this, $45,000, will be made up by a reappropriation of the capital outlay costs for the Spencer Avenue firehouse, while $19,700 represents gasoline tax payments already received and to be spent from the reserve.

It may also be necessary to reallocate funds for Harrison Avenue property, Brown said. The remaining $11,880 will have to be cut out of the budget from other reserves or made up by an increase in parking meter and/or property tax revenues.

Planned salary increases will cost $3,000 over the current year. No new personnel are being requested.

Brown said $46,000 of reserves and current revenues are earmarked for the second firehouse, plus $25,370 to employ four more firemen.

Operation and maintenance fund of $179,000 is increased $15,000 over the current year, main increasses being for legal and engineering fees, street trees, and maintenance programs.

Capital outlay, $12,000 higher than this year, includes increases for street trees, maintenance, lighting and construction plus recreation. Some of these projects include a police patrol car and siren, first payment on a 65-foot snorkel fire truck, a mobile radio set for the ambulance, three trucks, development of Cloud View Park and Richardson Bay tennic courts, and purchase of Harrison Avenue Park.

The city council has set these dates for finance committee budget hearings: June 3 at 8 p.m.; June 8, 9 a.m.; June 10, 8 p.m.; June 11, 8 p.m., public hearing; June 18, 8 p.m., public hearing, and June 25 at 8 p.m. public hearing and adoption.

## Zelinsky Says He's 'In Middle'

Fred G. Zelinsky said today he is "in the middle" between the Tiburon Incorporation Committee and the Belvedere City Council in his proposal to annex a Tiburon site for a new Safeway store to Belvedere.

A small portion of the site, now being graded, is already in Belvedere, he said.

"The annexation that we request is a natural contiguous extension of our Belvedere property on the northeast side of Tiburon Boulevard," said Zelinsky.

"Taxes in Belvedere or Tiburon have no bearing on us," he said, speaking also for his wife Juanita. "Our lease with Safeway is that Safeway pays all taxes and insurance on options of lease for 35 years.

"Just why can't someone do something without questions about motives?"

Zelinsky said, "Annexation of this small area is a natural for Belvedere . . .

"No extra police or fire protection is at all necessary. We have been assured by representatives of each department of this fact.

"Now after two years of withholding our request to annex we have been prevailed upon to offer this small, lucrative, prestige area to Belverere."

## Ecumenical Unit Names Rev. Baker

DES MOINES (AP)—Rev. Wesley C. Baker of the First Presbyterian Church of San Rafael was elected a member of the Commission on Ecumenical Mission and Relations of the United Presbyterian Church today.

The church's 175th General Assembly, which closed here yesterday, sounded a call for closer working ties between Protestantism, Eastern Orthodoxy and Roman Catholicism. And in its final hour, it offered prayers for the health of Pope John XXIII, and paid tribute to his contributions to all Christendom.

The closing session re-elected Rev. Eugene Carson Blake of Philadelphia to a new five-year term as the denomination's chief administrator, the stated clerk.

# Hill Junior High Emptied For Half Hour In Bomb Hoax

Hill Junior High School in Novato emptied yesterday for half an hour after police received a threat that the school would be blown up at 2 p.m.

A 14-year-old girl student was cited to juvenile court for making the threat.

Mrs. Fern Isaacson, police clerk, received the call at 12:26 p.m., during the school's lunch hour. She heard coins falling, so knew the call came from a pay phone.

Principal Robert Patterson immediately emptied the school, Chief McLaren said. Some students told of overhearing the girl make the threat from the phone booth.

The girl later admitted the call, the chief said.

Classes resumed at the regular schedule time of 1 p.m.

# Planning In Marin Is Called Chaotic

Marin County needs one planning commission and one planning staff, instead of the 11 it now has, to bring it out of a "state of chaos," architect Felix M. Warburg of the county planning commission said yesterday.

"The county has 82 planning commissioners for 160,000 people. San Francisco has one commission with seven commissioners for 800,000 people. Here there are 11 planning commissions, 10 in the cities and one in the county," he said. "I firmly believe Marin County is in a state of chaos."

Warburg spoke in the garden of a serene Ross estate to some 50 members of the League of Women Voters of Central Marin, who had gathered for their annual picnic. "Ross," he added, "doesn't have a planning commission, which means it takes twice as long here to get anything approved."

"I would merely like to see chaos turned into disorder, which I define as a state of knowing generally what you want to achieve," said Warburg. He urged county-wide uniform regulations "for such things as lot sizes and sign ordinances."

Turning to the subject of open space, Warburg said: "It doesn't make sense for a city to buy a little patch of land and say, 'This is our park,' when they can put the money with the town next door and have a better park."

Decisions made by planning commissioners, Warburg said, are "very vulnerable to political pressures. In my more cynical moments I think planning commissioners should be elected and then appoint the supervisors and councilmen."

Warburg, a 10-year Marin resident, called himself a "newcomer" to the county. "The people who have lived here all their lives are the first to want to destroy what's here," he said. "The newcomers know what they have here, and they want to save it. Then they're branded with a lot of terms like 'conservationist' said in a derogatory manner."

Warburg defended the right of planning commissioners to tell people how to build on their land, but added that planning commissioners sometimes feel confused about how far the law allows them to go. "As the population becomes more dense," he said, "what one man does affects his neighbor. Then we have the right to regulate."

## Belvedere Annex Plan Opposed

A resolution opposing piecemeal annexation of Tiburon to Belvedere without a study of tax implications was passed by the Tiburon Peninsula Coordinating Council last night.

The resolution will be presented to the Belvedere City Council at its June 3 meeting, according to Branwell Fanning, coordinating council president.

The council also voted to endorse a proposal to make the old St. Hilary's Landmark and surrounding wild flower garden a county park.

New bylaws were adopted providing for an expanded membership.

## Homeowners Unit Changing Name

The Northwestern San Anselmo Homeowners Assn. last night voted to change its name to the San Anselmo Homes Assn.

By-Laws of the Association, which is concerned with zoning of the 425-acre Short Ranch and annexation of the Del May property north of The Alameda, were adopted.

Officers will be elected at the association's next meeting, for which a date has not yet been set. Co-chairmen Rene A. Henry and Thomas W. Stoddard urged members to attend the May 27 meeting of the San Anselmo Planning Commission, when a subdivision map of the Del May property is to be presented.

Agricultural processing in California represents an investment by processors of 800 million dollars in land, buildings and equipment.

## Boat, Saw Stolen

Theft of a chain saw and row boat, valued at $800, was reported to San Rafael police yesterday by Carl Dybel, foreman for Ben C. Gerwick Construction Co. of San Francisco. Dybel said the boat and saw were taken from property between Medway Road and Canal Street on May 11 or 12.

The San Joaquin Valley accounts for about 40 per cent of the state's agricultural production.

# Consumer Rights Called Hard To Protect

Helen E. Nelson, armed with a couple loaves of bread, told a small group of Democratic Party club members last night of the difficulty of gaining legislation to protect the rights of the consumer.

She indirectly blamed the consumer himself.

Mrs. Nelson, state consumer counsel and Mill Valley resident, said lobbyists against consumer legislation work closely with assemblymen and senators in Sacramento and at home all year long.

The consumers, even when organized, usually show up for the first time the day before an important move, she said.

"If you get to see your assemblyman before the election," she said, "he's more likely to remember you after the election." There is also the problem of the high cost of getting elected, she pointed out.

Mrs. Nelson, aided by a staff member from her office, attorney Vincent McKenzie, quickly covered consumer legislation introduced this year, and were pretty solemn about prospects for several important bills.

There is no chance for any bill which would force lenders and instalment credit firms to explain fully the actual cost of the credit, McKenzie told the members of the Marin County Council of Democratic Clubs.

However, Mrs. Nelson said, there will be interim studies on the matter by both houses of the state legislature. She said the proposals automatically unified opposition of banks, retailers, savings and loan associations, and car dealers. Only the credit unions supported the measures.

There were four main areas which the consumer counsel is pushing, with the support of Gov. Edmund G. Brown, the group was told.

Credit legislation is one group. Another deals with food labeling and packaging. A third includes general selling practices, and the last category is with the sale of services.

The last group has the most propects for success, Mrs. Nelson felt, noting support for a measure to create a policing agency for television repairmen. She said representatives of the TV repair industry came to her office and asked for the bill.

In packaging and labeling, there is chance for success of a bill to force printing of the amounts of contents on the front label of a package.

At this point she brought out her two loaves of bread, both the same length. One loaf sells for 31 cents, the other for 37 cents.

She called attention to the small print which reveals the cheaper loaf weighs only about two-thirds as much as the other. It's called a "balloon loaf" in the industry, she said.

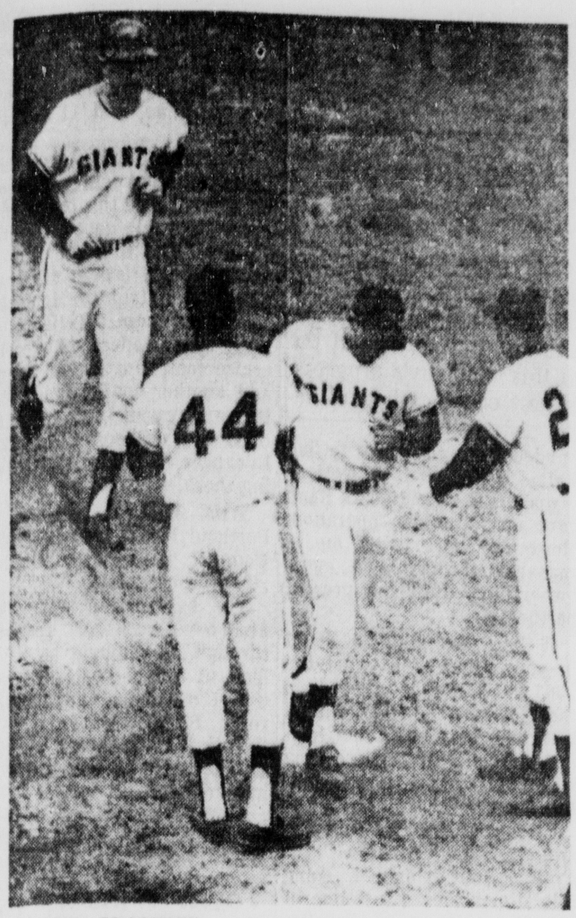
# Giants Get Ready For Dodger Invasion



GRAND SLAMMER — Tom Haller of the San Francisco Giants approaches home plate and a greeting party after hitting yesterday's grand slam home run. Crossing the plate is Orlando Cepeda, while Willie McCovey (44) and Willie Mays wait for Haller. (AP Wirephoto)

Although the schedule says that this is a day of rest for the San Francisco Giants, they must face their Tacoma farmhands tonight in an exhibition game there.

Then comes the first "crucial" of the season when the Los Angeles Dodgers steam into Candlestick Park tomorrow night for the opener of a three game struggle for first place.

"Everybody satisfied?" Manager Alvin Dark of the Giants asked from behind his desk following yesterday's 10-2 conquest of the Philadelphia Phillies. "Did we get enough hits and runs this time? That's what you wanted to see, I guess."

There had been some dissatisfaction voiced by certain Giants adherents that the club was not hitting at its full potential. But yesterday the club bombed five Philadelphia hurlers for 11 hits including Tom Haller's first grand slam of his career.

The big catcher triggered the blast in the fourth inning to climax as even-run outburst and help Jack Sanford breeze to his seventh win of the season.

Jack Baldschun, the second relief pitcher that manager Gene Mauch of the Phils rushed in during the inning, surrendered the gopher ball to Haller.

"It was an inside curve ball," Haller said, loading up on cheese and crackers in the dressing room afterward. "Sure, it's a great thrill to hit a grand slam for the first time in the majors. But I'm still not satisfied with my batting in general."

Baldschun, who had not given up a homer in his 35 previous appearances, was tagged earlier in the frame for a one-run single by Willie Mays then set the stage for Haller by delivering a bases loaded walk to Willie McCovey.

Willowy Willie had a pretty good day for a guy who was removed for a pinchhitter. First he ripped a line double off the center field fence in the first inning to score Mays. Then in the third inning, he tried to hold back his swing with Felipe Alou on third base but tapped a bleeder in that direction and the Dominican star came across with another run.

Both of McCovey's safeties came off Dallas Green (1-1) who started for the Phils and was removed during the fourth-inning flareup.

Harvey Kuenn doubled for the left-handed hitting McCovey in the sixth inning after southpaw Chris Short began hurling for the losers.

Sanford was working on a four hit shutout going into the ninth. Then he gave up four singles which resulted in the Phils' two runs.

"I wasn't tired," Jack said. "I still was pitching good but they began rapping the ball."

# BOXING SAFETY BILL MOVES ON

SACRAMENTO (AP) — A bill requiring new safety measures in professional boxing moved to the Assembly floor today with the backing of Gov. Brown, who would rather have seen boxing abolished.

The Assembly Governmental Efficiency and Economy Committee approved the bill by Assemblyman George W. Milias (R-Gilroy), yesterday. It carried despite the opposition of Jack Urch, executive secretary of the State Athletic Commission, which is appointed by Brown.

The bill would require the commission to rate boxers by ability and prevent mis-matches, stop fights after two knockdowns in one round, let the commission require bigger gloves, and order a two-year study of headgear, including mandatory use of headgear in at least one preliminary bout on each card.

"There is not a headgear in the world that will save a man from being fatally injured from a blow in the head," said Urch.

"The public is clamoring for some improvements and it's up to us to do something," said Assemblyman John T. Knox (D-Richmond).

The committee also approved bills by Chairman Lester a McMillan (D-Los Angeles), to create a medical advisory committee to the commission and require two physicians instead of one at ringside. McMillan's bill also would give the physicians, as well as the referee, power to stop a fight.

# Dodgers Win Eighth Straight Game; Pirates, Cubs Triumph In N.L. Action

By U.P. INTERNATIONAL

Don Drysdale and the Los Angeles Dodgers have a two-word reply today for National Leaguers who were hoping the 25-game winner of 1962 would fall victim to the Cy Young Award jinx:

"Forget it."

Drysdale backs up his portion of the retort with three straight victories, giving him a 5-4 record, and the Dodgers back up their end with eight consecutive wins, giving them the longest winning streak in the major leagues this season.

The 6-foot, 6-inch pitcher and the Dodgers extended their strings last night with a 7-3 triumph over the New York Mets. The win enabled the Dodgers to remain one game behind the first-place San Francisco Giants, with whom they open a three-game series in San Francisco tomorrow night. The Dodgers swept their first three-game series of the season with the Giants, May 10-11-12.

Drysdale started slowly this season and N.L. Rivals hoped he might be victimized by the pitcher of the year award which previously had claimed Don Newcombe, Bob Turley, Vern Law and to a slightly lesser extent Early Wynn in the year after each won the honor.

But last night Drysdale was sidearming bullets behind an 11-hit attack that included homers by Tommy Davis and Frank Howard. The only hits off him were homers by Duke Snider and Tim Harkness and he struck out six while walking three. His six strikeouts ran his career total to 1,301 and the Dodgers now have won 11 of their last 12 games.

The Giants blitzed the Philadelphia Phillies, 10-2, the Pittsburgh Pirates nipped the Houston Colts, 4-3, and the Chcago Cubs scored a 7-6 11-inning triumph over the St. Louis Cardinals in other N.L. action. Cincinnati at Milwaukee was postponed by cold weather.

In the American league, the New York Yankees defeated the Kansas City Athletics, 8-7, the Baltimore Orioles shaded the Detroit Tigers, 2-1, the Los Angeles Angels topped the Cleveland Indians, 7-6, the Chicago White Sox whipped the Washngton Senators, 9-3, and the Minnesota Twins beat the Boston Red Sox, 3-1.

Don Nottebart, in his first start since pitching a no-hitter against the Phillies on May 17, carried a five-hit shutout into the ninth before the Pirates rallied for all their runs. Bill Mazeroski's double started the flareup and a walk and singles by Smokey Burgess and Donn Clendenon chased Nottebart in favor of Don McMahon. Then an error and Roberto Clemente's two-run double completed the game-winning rally, which gave Earl Francis his second victory.

Ken Aspromonte singled home the Cubs' tying run with two out in the ninth and also singled home the winning run with two out in the 11th. Ron Santo had a three-run double for the Cubs and Stan Musial and Bill White homered for the Cardinals.

## HONOLULU IS WAITING FOR BO BELINSKY

HONOLULU (UPI) — If Bo Belinsky gets sent down by the Los Angeles Angels to Honolulu, the islanders are ready for the colorful lefty.

Trainer Tom Takomori says he has a locker ready for Belinsky, with his name already pasted on it.

Belinsky is staggering along with a 1-7 record for Los Angeles this year and reports have been heard that he might be sent down or traded.

But manager Bill Rigney says Belinsky will spend time in the Angel bullpen, but will stay with the team.

# All-League Teams Picked For MCAL

The Marin Athletic League baseball champion Drake High School Pirates club placed two on the first team and four on the second squad of the All-League teams picked last night by the coaches of the loop.

Drake hurler Steve Miller, a senior who posted a 5-1 record in the league, and outfielder Lon Gallagher, a junior who batted a hefty .417, were first team selections from Drake.

Drake baseballers who were named on the second team were junior pitcher Charles Simontacchi, senior third baseman Hamish Tyler, junior shortstop Terry Tadlock, and junior outfielder Lorry Galassi.

Redwood and Terra Linda, second and third place winners in the league, each placed three men on the first team. There were five seniors, four juniors and on sophomore on the 10-man first team.

Other members of the first team were pitcher Bill Lee (6-2) of Terra Linda, junior; catcher Mike Congdon (.394) of Terra Linda, senior; first baseman Jack Baglietto (.325) of Redwood, sophomore; second baseman Dick Schultze (.323) of Terra Linda, senior; third baseman Terry Jarcik (.280) of Redwood, senior; shortstop Nick Willard (.297) of Novato, junior; outfielder Steve White (.351) of Redwood, senior, and outfielder Dave Beswick (.500) of Marin Catholic, junior.

Other members of the second team were pitcher Scott Davi of Redwood, junior; catcher Ron Rowell of Novato, sophomore; first baseman Fred Mack of Tamalpais, senior; second sacker Kit Bricca of Redwood, senior; outfielder Tom Miller of Novato, junior, and outfielder John Odetto of Marin Catholic, senior.

# Hodges Moves From Bottom To Bottom As New Manager

WASHINGTON (AP) — It may not seem like an improvement —moving from the 10th place New York Mets to the 10th place Washington Senators — but old Dodger Gil Hodges seemed happy about it.

Hodges remained undaunted after watching first place Chicago trounce the Senators 9 to 3—their 10th loss in 11 games —last night a few hours after he was named manager to replace Mickey Vernon.

Tonight Hodges will take charge of the club as they travel to Baltimore to play the Orioles, tied with Chicago for first place.

**SLOW CHANGES**

Quiet, soft-spoken as a player, Hodges also had little to say as a manager, repeating after the game what he had said earlier—that he would be slow to make any drastic changes.

"You get a different view up here in the stands than you do down on the field," said the former slugging first baseman for Brooklyn and Los Angeles Dodgers and the New York Mets, who seldom has seen a game from the stands in the past 20 years.

Hodges and his wife, Joan, sat with General Manager George Selkirk during the game.

Earlier, Selkirk had reshuffled his ball club management with surprising speed. Hodges, for example, was first contacted only about 24 hours before he got the job.

As a part of the changes:

1. Vernon, fired as manager, will remain as Selkirk's administrative aide.

2. Coach Case was released as a coach and will handle special assignments for the Senators.

3. Danny O'Connell, manager of Washington's York, Pa., farm team in the Eastern League, will replace Case as first base coach.

Hodges said the coaching shift was Selkirk's idea, adding that he planned to stick with the remainder of Vernon's staff until the end of the season. Hodges' contract extends through the 1964 season.

**OLD DODGER**

A native of Princeton, Ind., Hodges played his first game with the Dodgers in 1943. He came to Brooklyn to stay in 1947 and still makes his home there.

He played in seven World Series with the Dodgers and was a member of their world championship teams of 1955 and 1959. Eight times, Hodges was named to the National League All-Star team.

He was drafted last year by the Mets when the National League expanded to 10 teams.

## Pallavicini Is Released By Detroit Club

Vince Pallavicini of San Anselmo has been cut from the Thomasville, Ga., baseball team of the Georgia-Florida League and has been handed his release from the Detroit Tiger system, it was learned today.

Pallavicini returned home from Georgia last week after playing in a pinch-hitter role for the Thomasville team. He had collected four hits in seven trips to the plate, with two of the hits doubles.

But the team was loaded with outfield strength and Pallavicini said yesterday the manager of the Class A team wanted to make a pitcher out of him. He did not appear in a game as a pitcher, however.

Vince, a product of Drake High School, hopes to again get a chance in pro baseball. Although he hasn't pitched since he was 14, he said he may try the professional game as a pitcher. He is now a free agent.

# Mantle Wallops 500-Foot Homer

By U.P. INTERNATIONAL

The dateline was New York, May 22 — Gordo's day and Mickey's Night.

Astronaut Gordon Cooper "owned" the big town yesterday during a tumultous ticker-tape parade and dinner, but the night belonged strictly to fellow Oklahoman Mickey Mantle.

Of course, Mantle, or anyone else for that matter, would have to go a long way to match Gordo's 22 trips around the World in a capsule, but Mickey came close to accomplishing what no other major league player ever has done in the 40-year history of Yankee Stadium, and that includes such stars as Babe Ruth, Lou Gehrig and Joe DiMaggio.

Mantle, who had hoped Cooper would find time in a hectic schedule to attend last night's game, almost sent a baseball into orbit when he crashed a homer—"The hardest hit ball of my life"—against the uppermost facade of Yankee Stadium, a liner 119 feet in the air and 500 feet from the plate. The drive, which still had "rise" when it bounced off the facade, gave the Yankees an 8-7 victory over the Kansas City A's in 11 innings.

Had the ball cleared the facade atop the third tier it would have been the first fair ball ever hit out of the mammoth stadium. As it was, it topped any of the tape-measure homers the Oklahoma kid has unloaded in a brilliant major league career, even the celebrated 565-foot homer he ht in Washington in 1953.

"That was the hardest hit ball any man ever hit," said Kansas City coach Jimmy Dykes, who as a player, coach and manager has seen some of the game's brightest stars through the years.

## *Bob Knudsen Has Been Interested In Boats For The Past 26 Years*

The word "tradition" means something handed down from the past; an inherited culture, attitude, etc. The word "Chris-Craft" fits this like a glove. When the word is mentioned, people have an attitude, one of the utmost respect. In the years of this company's progress, it has developed and designed new concepts in hull design, comfort appointments and great beauty appeal.

In Marin County, the abode of the Chris-Craft sales is on boat row, out Third Street, San Rafael. The business is owned by Bill Denton, building contractor, and by Bob Knudsen. This is Denton's first venture in the field of boat sales, yet he has picked up this difficult knowledge quickly.

**LIVING IN** San Francisco, Knudsen became interested in boat and motor sales back in 1937. At that time he was employed by Johnson Outboard Sales and Service where he worked for the next five years; from that spot he shifted his interest to the California distributor for Evinrude Motors.

Next job change found him engaged in the big interest of his life—Chris-Craft. This was the year 1940.

Prior to World War II he found himself caught up in the hair-raising excitement of boat racing. He reminisced, "I palled around with boat racers. We entered the Bay Area races and traveled all over California. In those days I raced with a Class-A hydroplane outboard."

**"WHAT WAS** the win?" we asked.

"Lots of experience, fun, now and then a little trophy—and an occasional dunking."

The war started. Gas rationing started. Boat racing stopped. Bob went to work at McClellan Air Force Base near Sacramento. After the war he went back to racing. This time it was inboards. He operated a 135-cubic-inch hydro that made 90 mph. Climaxing this dangerous hobby, he won the Western Divisional championship.

**IN 1952**, the John G. Rapp Co. of San Francisco had expanded a branch store to San Rafael, and Bob took over as manager. In a few years Rapp gave up the Marin operation. However, Bob stayed on as manager through two more ownerships, until the present partnership.

If there is a smidge of doubt in your mind as to what the 1963 Chris-Craft is—then go to the Northern Pacific Railroad tracks in the area of the Greyhound Bus Depot. There they sit on flat cars . . . so beautiful! Luxurious!

"It's not hard to find the size craft you want in a Chris-Craft," Bob explained, going into dimensions. "Just one of our lines, the 1963 Cavalier covers everything from our 16-foot custom ski boat to the queen of the fleet, the 65' Motor Yacht."

**FOR THE** first time, the company is also putting out a "goodie" for the sailing enthusiast. This 35-foot auxiliary yacht is a one-piece fiberglass-hulled craft carrying sloop rigging and has a self-bailing cockpit. Decks are non-skid fiberglass, with elements of teak and mahogany in the interior as outer trim and brightwork. Sleeping for six is assured with two staterooms, aft and forward. A 60 hp Chris-craft gasoline auxiliary (diesel optional) furnishes power. She's 28 and one-half feet on the waterline, and 11 feet in beam.

Sometimes Bob takes his Chris-Craft owners on trips. He says, "I find this one of the most enjoyable facets of this business. The fourth of July I usually take some of them along on a trip to Monterey . . . gives them a little "blue water experience." A recent cruise took him to San Diego and another to Portland. The Portland voyage was made to deliver a 47-foot Chris-Craft Bucaneer to a customer residing there.

**WHY WOULD** someone in Portland buy a boat in Marin County? It seemed peculiar . . . even eccentric.

The explanation was: This fellow was just passing through. He thought he'd just look at a few boats. He saw this Chris-Craft and couldn't resist. Simple, huh?

Still, it does seem . . . with all the boats in Portland . . . hum-m-m-m. . . .

## San Rafael Golf Team Wins Two

San Rafael High School's golfers Tuesday won a pair of duel matches from Marin Catholic, 6-0, and Redwood, 3½-2½, in make-up Marin Athletic League action at the Marin Golf Club.

It was the first loss for Redwood in league action as the Giants ended their season with 10 wins, one loss and one tie and the 1963 championship of the MCAL.

San Rafael winners against Marin Catholic were Bruce Wold, Tom Degenhardt, Craig Ballentine, Jim May, Mike Collier and Steve Weschler.

# The FISHIN' FOOL

By RALPH STEVENS
IJ Fish and Game Writer

## If You Have Any Fishing Questions It Will Help This Reporter's Book

STEVENS

A very interesting letter came in recently. It reads: "Dear Mr. Stevens: I have been told that the Delta waters around Byron have many types of fish. However, I don't have any idea as to what type of bait, size of hook, or even what the fish really look like. Would it be possible to have the varieties of fish, types of bait either published in your column or sent to me?"

WHY "VERY" interesting?" Because, as I stated in a previous column. I am now in the course of compiling such general information in book form. There must be hundreds, even thousands of newcomers to northern and central California who need such information. Hence, I would like to hear from anyone wishing same. I can't, of course, answer each request individually, but I can incorporate the questions and answers in the book. So send me your problems, you beginners and you newcomers.

Regarding the request of Lee Tennant of Pleasanton, the Delta region does have a number of different types of fish, the main ones are: Catfish, striped bass, crappies, bluegills, shad, sturgeon, sunfish and large-mouth black bass. More anglers fish for catfish than all the other species combined, with the striped bass running a close second. In all spots where catfish are found, there also may be found striped bass. The best bait is cut sardine.

FOR CATFISH, a rather small (a 1/0 or a number one) long shank hook is preferred; for striped bass, the same rig as used for stripers in the bay waters with a somewhat larger hook (3/0—4/0). For black bass, live minnows or a plug. For crappies and bluegills, same rod, reel and line, but with very small hooks and very small pieces of bait. Shad are usually fished for at night with a wire-mesh net. Sturgeon are not really fished for; they are accidentally caught while fishing for other species.

I admit the above is a very sketchy answer to the request, but space will not permit much more. I suggest that Tennant and others join, or at least attend, a meeting of a rod and gun club in his area, or that he contact a reputable bait-shop owner for the dope on how to get to certain spots and what to do when he gets there.

## Emil Bianco Will Be Honored At Marin Banquet

An Emil Bianco testimonial stag dinner, open to the public, will be held June 21, 7:30 p.m., at Dominic's Restaurant in San Rafael, it was announced today.

Tickets, priced at $5 per person, are available at Western Sport Shop and Livewire Lindskog Real Estate, both in San Rafael, and at Varney's Hardware in Mill Valley.

The dinner is being staged by the Ducks Unlimited Committee of the Marin Rod and Gun Club. The benefit of the dinner will go toward the start of a Ducks Unlimited chapter in Marin County, Bob A. Lindskog said.

The dinner will honor Bianco, a long-time resident of Marin and former proprietor of Bianco Motors who now resides in Sonoma.

# Dick Dillehay Tops Action At Country Club With 917

Dick Dillehay shattered the pins in the 540 Scratch League for a four-game series of 917 to lead all bowlers at Country Club Bowl for the week.

## WATCHDOG HIRED

# Policeman For NFL

ST. LOUIS (AP) — The National Football League took additional steps yesterday toward preventing a recurrence of the betting incidents that rocked the league last season.

Commissioner Pete Rozelle announced the hiring of James E. Hamilton of the Los Angeles intelligence division of the police department as a special aide "to prevent undesirable associations of which the players may be unaware."

The commissioner said the appointment of Hamilton "is more intelligence than investigative, but there may be some investigations."

The announcement came at the annual spring meeting of NFL club owners, the first such meeting since Rozelle indefinitely suspended Paul Hornung of the Green Bay Packers and Alex Karras of the Detroit Lions April 17.

Hamilton, 53, who will take the post June 1, has been a Los Angeles police officer for 26 years.

## THEY WILL SING SATURDAY

These soloists will be featured during a spring choral concert Saturday by the College of Marin Community Chorus. The performance includes works by Mozart, Vivaldi, Handel and "Festival Te Deum" by Dr. S. Drummond Wolff, chorus director. They are (from left) Byron Jones, baritone; Alice Taylor, contralto; Carole Bogard, soprano, and Kenneth Rowland, tenor. Accompaniment will be provided by Dr. Wolff at the organ and by brass and percussion. The concert will begin at 8:30 p.m. at the Marin Catholic High School. Admission free.

# Scouts Planning Weekend Camporee

"Be Prepared—Be Fit" is the theme of the Marin Boy Scout Council Southern District Camporee to be held Saturday and Sunday at Camp Tamarancho, above Fairfax.

Registration will start at 8 a.m. Saturday, followed by flag raising and competitive hike events which include first aid, axmanship, knot-tying, scout pace, tent pitching and obstacle course. A campfire will be held in the evening.

On Sunday a "Scouts' Own" will be held at 7 a.m. followed by events such as a four-way tug-of-war, chariot race and clothes race. Demonstrations in rifle, archery, fly casting, first aid and lashing will also be held on Sunday. The closing ceremony is scheduled for 2 p.m.

Patrols are responsible for their own menu planning and food supply and will hike from the check-in to the campsite, back-packing all equipment. Patrols must bring their own cooking utensils, axe and shovel, tents, food and patrol flag. Wood will be available.

Tom Decker of Mill Valley is general chairman of the Camporee.

### Math Classes For Teachers Planned

A University of California Extension course in "Mathematics for Elementary School Teachers" will be held this summer in San Anselmo at Isabel Cook School. Classes will meet from 1:30 to 4:30 p.m., Monday through Friday, beginning June 17.

The course is planned to acquaint teachers with the new mathematics curriculum. Further information may be obtained from University of California Extension, Berkeley.

### Accepted By Cal Poly

Michael Nance, son of Mr. and Mrs. T. O. Nance of 562 Idylberry Road, Marinwood, has been accepted as an electronic engineering student at California State Polytechnic College, San Luis Obispo, starting this fall. He is now a senior at Marin Catholic High School.

### Piano Scholarship To Seventh Grader

Debbie Fialkowski, a seventh grader at Sleepy Hollow School, won a $100 piano scholarship at the San Francisco Conservatory of Music where she has been studying for three years.

She is a daughter of Mr. and Mrs. L. D. Fialkowski, 890 Butterfield Road, Sleepy Hollow.

### To Study Spanish

Josephine L. Smith, a teacher at the Davidson High School in San Rafael, will attend a summer institute for elementary school teachers of Spanish at Sonoma State College in Cotati, June 24-Aug. 9.

### United Fund Meet

Directors of the Marin United Fund will meet at 8 p.m. next Tuesday in the supervisors chambers at the Civic Center. One of the items on the agenda is a request from the Family Service Agency to establish a branch office in Novato.

## LEADING THE LAWYERS' WIVES

The Belvedere home of Mrs. Lloyd M. Tweedt was the setting yesterday for the luncheon and installation of new officers for the Lawyers' Wives of Marin, when Mrs. Francis Walsh, left, received the president's gavel from Mrs. William MacKay, retiring president of the group. Arthur Lebow, president of the Marin County Bar Assn., installed the new staff at the luncheon gathering.

MARIN'S SOCIAL WHIRL

# Dinners Will Follow Cruise Of Fans To Candlestick Park

By FLORENCE DONNELLY

It will be a gay boatload which will cruise from The Dock Restaurant in Tiburon Saturday to Candlestick Park to see the Giants and Dodgers play. About 300 members of the Sunny Hills Junior Auxiliary, which is sponsoring the cruise to Candlestick, their husbands and other baseball fans will be aboard.

Numerous dinner parties will be held in Marin County after the game. Mr. and Mrs. Walter Meinberger will have as their guests for the shipboard party Dr. and Mrs. Bernard Stone, Dr. and Mrs. Lee Cecil, Messrs. and Mesdames David Dorward, James Barnett, Stanley Eager, William Ingersoll and Walter Goepp. After the game they will go to a no-host dinner.

Mrs. Samuel Crowell of San Rafael, who is in charge of the event, will have a big day because when the boat docks in Tiburon after the game she and her husband will go on to a no-host dinner party at the San Anselmo home of Dr. and Mrs. Donald Gallagher. Also present will be Dr. and Mrs. Arnold Nutting, Mr. and Mrs. Paul Hartman, Dr. and Mrs. John Elliott.

Mrs. Francis Di Grazia, who was in charge of reservations, won't be able to go to the game because her husband will be arriving home from New York that day. He will, however, be home in time for the dinner party to be given by Mr. and Mrs. George de Urioste of Mill Valley. Other guests will be Dr. and Mrs. Kleve Johnson and Mr. and Mrs. Kimball Palm.

**THE OPENING OF THE POOL** at Lagunitas Club was the occasion for Saturday night's formal dinner dance. Most of the women wore summer evening gowns and the men donned white dinner coats for the event, which was attended by many long-time members as well as some newcomers. Mrs. Martin Chase is the club's entertainment chairman. She and her husband were in a group enjoying cocktails beside the pool. Among the long time members were the Sanford Lowengarts, Paul Scott Fosters Jr., Olaf Holters, Robert Dicksons, Howard Allens, Harry Johnsons III, Thomas Stines, Mr. and Mrs. Percival Scales, Mr. and Mrs. John Lewis and Mr. and Mrs. Desmond Mactavish.

**MR. AND MRS. FRANK B. WILLIAMS** have returned to their Sausalito home after a month's visit in the East. One of many highlights was their stay with Col. and Mrs. Alan B. Shepard at their home in East Derry, N.H., and a trip with them through the New England states. The Shepards have been friends of Frank and Margaret Williams since their sons, Robert B. Williams, now of Menlo Park, and Alan Shepard, a Navy commander and one of the famous astronauts, were classmates at the United States Naval Academy at Annapolis. Commander Shepard, it has been reported, will be pilot for two-man Gemini flights. Frank and Margaret with Colonel and Mrs. Shepard saw on TV the epic takeoff of Gordon Cooper in his space flight from Cape Canaveral.

Mr. and Mrs. Williams, who traveled by train, went first to Washington, D.C. They were taken on a tour of the White House and were at sessions of Congress as guests of California's Senator Thomas Kuchel and Congressman Don Clausen.

Frank, a long time member of Mill Valley Post of the American Legion and former California Department chairman of conservation, visited American Legion headquarters and saw the fall-out shelter, which can house 500 people, in the basement of the building. Frank had a visit with General Hershey, head of Selective Service. Frank and Margaret were with friends in Annapolis and attended Sunday services at the chapel where a brigade of midshipmen marched in.

Frank and Margaret were a week in New York and were entertained by Mrs. Helen Ludolph, formerly of Sausalito, who now lives in Hyde Park. Helen is a past president of the Sausalito Woman's Club. The Sausalito couple stayed overnight in Danbury, Conn., as guests of Mr. and Mrs. Harry Mallory Jr. Mrs. Mallory will be remembered in Marin as the former Gloria Dodd. When Frank and Margaret were in East Derry they visited the church built in 1791 where Colonel Shepard plays the organ.

**MRS. WILLIAM IRWIN** of Kentfield has returned from a visit with her son-in-law and daughter, Col. and Mrs. William Augustus Simpson and their only daughter, Sandra Lee, whose home is Sandywood in Lorton, Va. Colonel Simpson is a reserve officer in the Marine Corps. Mrs. Irwin flew to Washington, D.C., and her plane landed at the new Dulles Airport. Mrs. Irwin had the thrill of seeing Sandra Lee, who is 14, ride her horse in a show at Woodbridge. Mrs. Irwin also visited with friends in Richmond and Alexandria. She said the pink and white dogwood along the banks of the Potomac was in full bloom. In July Mrs. Irwin's sister, Mrs. Lillian McCausland of San Bernardino, will arrive for a visit.

# Wallace Hayes Claims Bride At Ceremony In Daly City

A nuptial mass performed at 12 o'clock Saturday at the Holy Angels Church in Daly City united in marriage Evelyn Demattei of Daly City and Wallace A. Hayes of Mill Valley.

The Rev. Richard Long officiated at the double ring rites.

When the bride, who is the daughter of Mr. and Mrs. James Demattei of Daly City, was given in marriage by her father, she was wearing a floor-length gown of white peau de soie with chapel train.

Her attendants—all gowned in green taffeta dresses with bell skirts—were her sister, Mrs. Ambrorse Aliotto of San Francisco, matron of honor; and the bridegroom's three sisters, Mrs. Harold K. Oyen of San Francisco and Nancy and Carole Hayes of Mill Valley, bridesmaids.

Wallace, or Arleigh, as he is better known, is the son of Mr. and Mrs. William Wallace Hayes of Mill Valley. Serving him as best man was his brother-in-law, Harold K. Oyen. Ushers were the bride's brother, James Demattei of Colma, Herbert Damner of Ross and Clayton Mote Jr. of Berkeley.

A reception at the Elks Club in San Mateo followed the ceremony, and the young couple left afterward for a honeymoon in Northern California and Southern Oregon. They will live in Sacramento, where Wallace is employed in the industrial division of the Goodyear Rubber Co.

The new Mrs. Hayes was graduated from high school in Daly City, attended a modeling school and did some professional modeling. Before her marriage she was employed as a secretary in San Francisco.

Her husband is a Tamalpais High School graduate and attended the College of Marin.

## Spring Awards Dinner Set At Tamalpais High School

The Tamalpais Girls' Athletic Assn. will have its spring awards dinner in the girls' gym on Wednesday.

The event following an Indian summer theme will begin at 3:15 p.m. with a swim party. From 5 to 8 p.m. graduating seniors will be honored at this final farewell with dinner, entertainment and presentation of awards.

Committee includes Donna Drexler and Sandy Eastburn, decorations; Dixie Piver, program; Betty Basom, tickets; Chris Castle, publicity and arrangements; and Lauretta Smith, food.

Highlight of the evening will be presentation of the C. R. Ellis trophy, awarded to the graduating senior girl who has participated in GAA for eight semesters.

## COLLEGE OF MARIN FASHION SHOW, TEA PLANNED TUESDAY

The College of Marin home economics department will hold its annual spring fashion show and tea at 3:30 p.m. Tuesday in room 29, Austin Science Building in Kentfield, Mrs. Mary Fedde, home economics instructor, announced.

The show will feature fashions made by students in clothing construction and tailoring classes.

Models are Lynn Crawford, Virginia Buttrum, Katherine Jenkins, Laurie Orr, Scarlet Possi, Ellen Ogreid and Suwapha Songsiridej, all of Kentfield; Mary Wallace, Frances Zeraga, Nancy Carusome, Gail Lowman, Rita, Werner, Marian Kuwamata, Peggy Lochner and Virginia Frugoli, all of San Rafael; Ellen Ahola of Fairfax; Linda Edwards of Hamilton Air Force Base; Margaret Furnas, Karol Lindenbaum and Carol Isola of San Anselmo and Eileen Gilies of Woodacre.

# Susan Ann Niggeman To Wed On Aug. 17 At St. Raphael's

SUSAN ANN NIGGEMAN

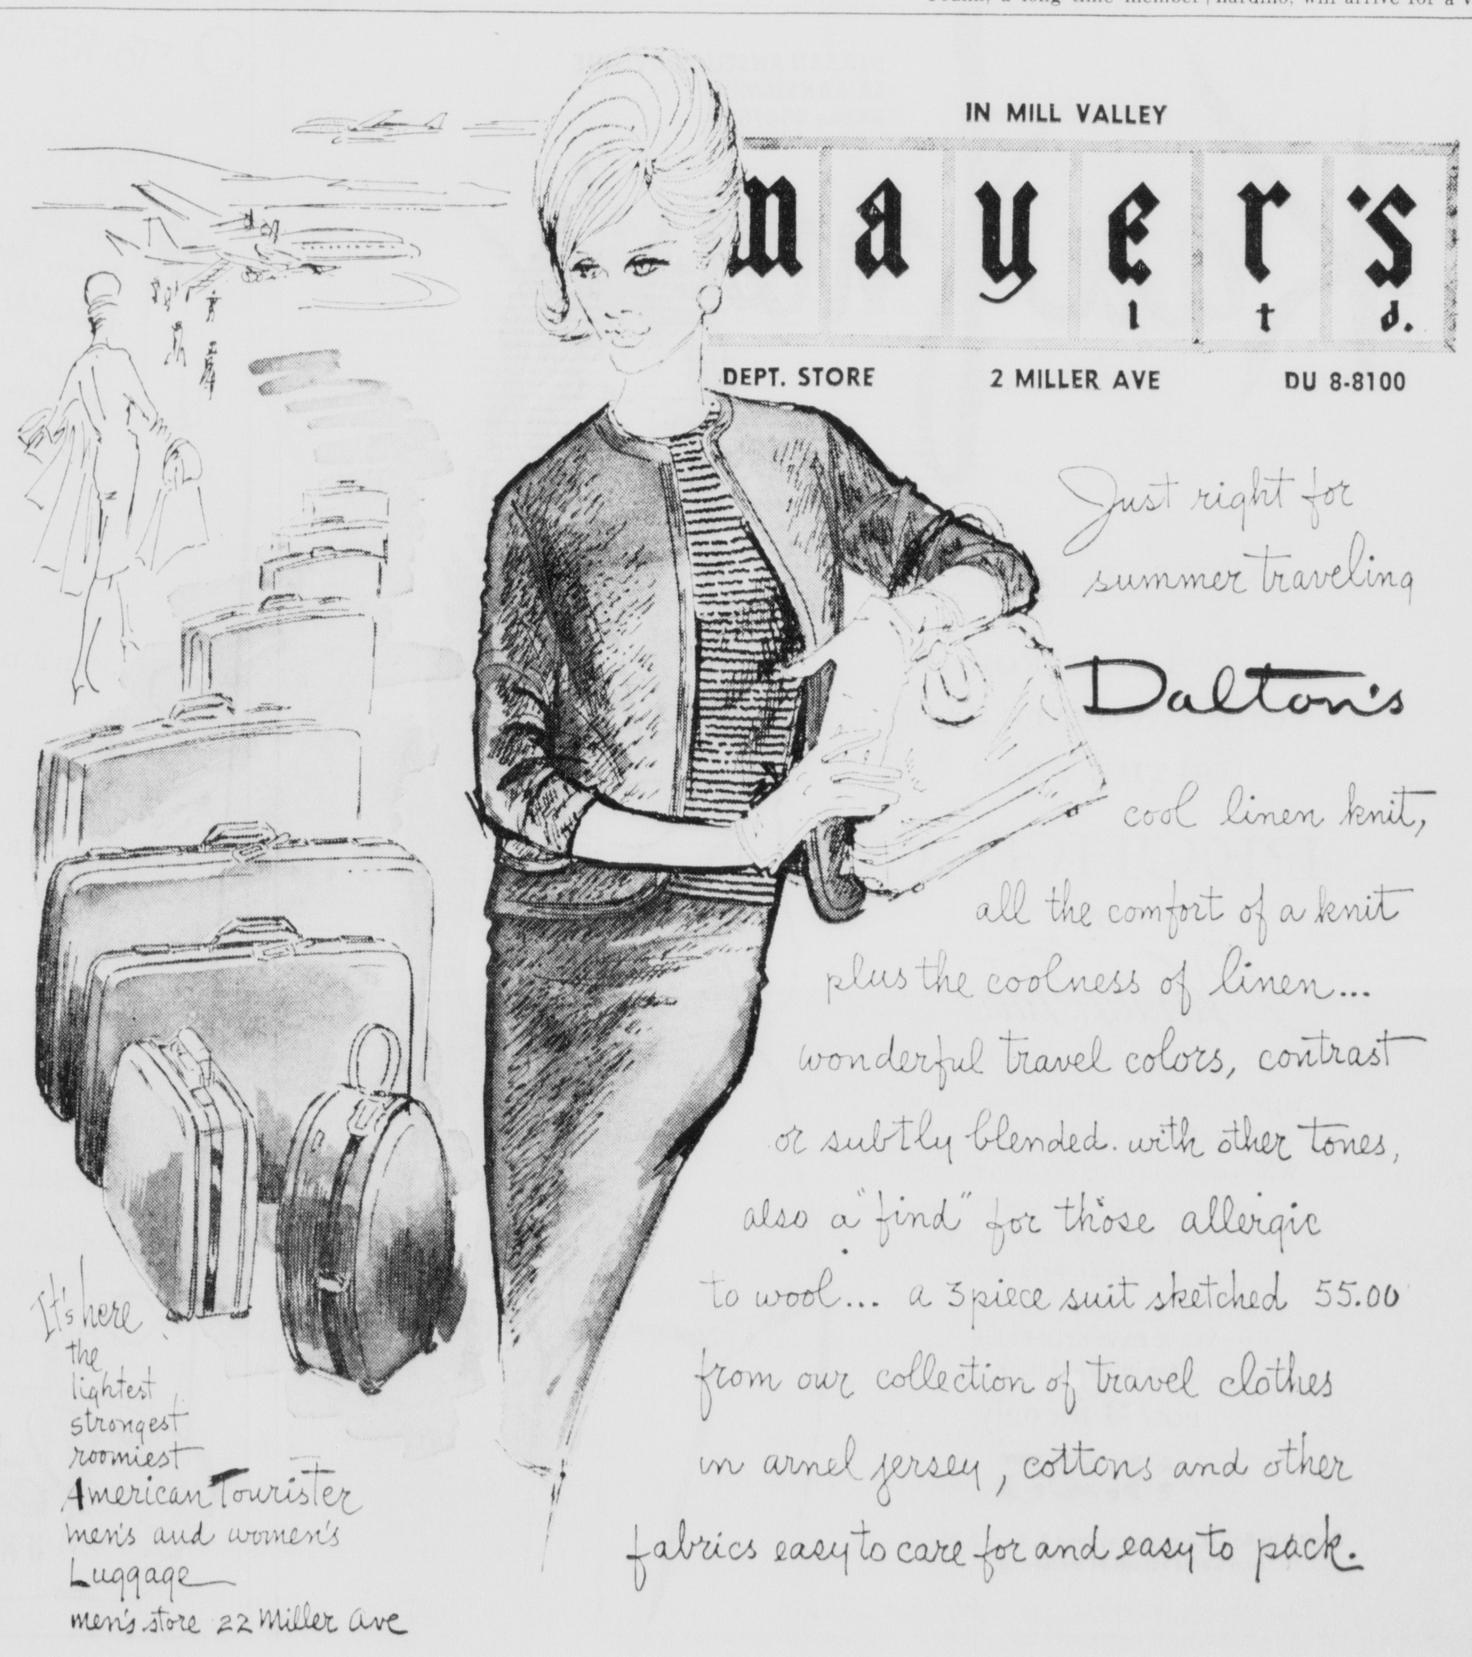
The engagement of Susan Ann Niggeman and Alberto de la Cruz Alarco of Madrid has been announced by her parents, Mr. and Mrs. Louis W. Niggeman of Sleepy Hollow. The bride-elect is the sister of Jon Niggeman, a student at Menlo College, and Peter Niggeman, who attends the Orme School in Arizona.

The granddaughter of Mr. and Mrs. F. K. Rowe of Corte Madera, Susan was graduated from Dominican Convent and is a senior at Southern Methodist University. She spent her junior year studying at the University of Madrid.

The future bridegroom is the son of Sr. and Sra. Amado de la Cruz of Santa Cruz de Tenerife, Canary Islands.

He was graduated from University of Madrid Law School and attended Bowling Green University in Ohio and the University of Tours and Alliance Francaise in Paris. He is director of the foreign department of a Madrid insurance firm.

The engagement was announced to the Alpha Delta Pi sorority sisters of the bride at Southern Methodist University. The couple plans a wedding Aug. 17 at St. Raphael's Church in San Rafael and will reside in Madrid.



## SETTING THE SCENE

With smock and palette Marin artist Mrs. Jerrol Flood, right, sketched the summer scene at yesterday's "Color Me For Summer" fashion show luncheon of the Larkspur-Corte Madera Guild at the Meadow Club. Model for the artist was Mrs. Earl Popovich.

# Over-Slashed Darts Are Cured With Strips Of Iron-On Tape

By EUNICE FARMER

"I took the pattern instruction too literally and slashed the darts in my skirt open too far. Now they are raveling out. I used iron-on mending tape cut in strips to cover the dart seams and this backing certainly solved the problem for me.

"When should darts be slashed open safely?" — **Mrs. R.A.Z.**

**Dear Mrs. R.A.Z.:**

I usually recommend slashing the darts on the fold line and pressing them flat (or open) only when they appear in a jacket that will be lined. In this way the fabric will not be pulled constantly. It is necessary to press open only darts that are made in very heavy fabrics.

**Mrs. M. Says:**

"If you're a gardener with a green thumb, and do a lot of bending and kneeling, give added protection to your knees by adding a large patch pocket (about 6½" by 8") to the knees of your trousers, or slacks. Sew 3 sides to the slacks, then apply a slide fastener on the top.

"Slip pads of ¼" foam rubber into these knee pockets. They will provide wonderful comfort and protection of knees and are easily removed for laundering."

"Appliques, so popular now for children's clothes as well as casual clothes, are much easier to apply if you will back your applique material with press-on type interfacing. Then when you cut the design and sew it on, you will not need to turn it under. There will be no fraying or raveled edges."

Mrs. D. A. Fiddes, Webster, Mass., sent this suggestion and has won the tailor trix pressing board award for this week.

"The finest pins I could find still made marks on my very fine silk. How would I go about using pins for this, or should I baste instead?"—**Mrs. M.F.**

**Dear Mrs. M.F.:**

In most cases, a fine silk pin will work beautifully in the very sheerest fabrics. However, if they mark, use No. 10 or No. 11 needles instead of pins. You must also remember to use a very fine sewing machine needle. If your needle is the least bit blunt, it will pull threads in the fabric.

"Fashions come and go for almost everyone. But to a square dancer, they remain basically the same. Please have a heart and tell us how to make a Broomstick skirt and, even more important, how to wash it without losing the original pleated effect. These dresses are very expensive and we can't replace them often."

I've always had a suppressed desire to learn to square dance. Thanks for reminding me before it gets too late.

These squaw skirts are very full (at least 4 widths of fabric) and may be made in one piece or in 3 tiers of ruffles gathered on to each other. In any case, you should reduce the excess fullness at the waistline by a series of darts about 4 inches long.

After the skirt is completed or washed, moisten in water and lay it on a table. Stretch and pull the fabric to straighten it so the fullness is even from hem to waistline. The newest method, I'm told, is to carefully pull the entire skirt through a nylon stocking (that has the foot cut off).

Tie the skirt tightly in 4 to 6 places. Hang up to dry on a windy day so the skirt will not mildew from remaining wet too long. The new drip-dry fabrics are perfect. If you follow these directions carefully, your skirt will have a fine pleated effect and these pleats will stay in surprisingly long.

MR. AND MRS. James P. Doyle are shown following their recent wedding at St. Paul's Episcopal Church, San Rafael. The bride, the former Katherine Ann McCorkle, is the daughter of Mr. and Mrs. Robert G. McCorkle of San Rafael.

## Mill Valley Neighborhood Party To Be Bon Voyage

This year's annual Alta Vista Avenue Neighborhood Party in Mill Valley tomorrow night will also be a bon voyage affair for three couples who will be going to Europe.

Some 60 people are expected to attend.

The party will be progressive, starting at 7 o'clock with cocktails at the home of Mr. and Mrs. Joseph Jordan. The pot luck dinner will be held at the home of the Charles Mayers. Mrs. Mayer is general chairman.

The prospective travelers who will be guests of honor are the Warren Leforts, William Caronis and Thomas Bruces.

For the Bruces it will be good-bye for at least three years, for Bruce, an American Red Cross field director in charge of services to the military at Treasure Island, is being transferred to Kaiserslautern, Germany.

He will be continung his present duties in connection with some 30,000 Americans in the area.

Mrs. Bruce will join him as soon as housing is available.

# Redwood Address Set By California Dean

On June 10 the Redwood High School Parent-Teacher Assn. will honor life members of California Scholarship Federation and life members of the honor society at their annual scholarship awards dinner at Sabella's at 7 p.m.

Miss Katherine A. Towle, dean of students, University of California, will be the speaker. She served as senior editor of the University of California Press for eight years. She accepted an appointment as first director of women of the Marine Corps, and is now a retired colonel, U.S. Marine Corps. She has been dean of students, University of California at Berkeley since 1961.

Mrs. Malvern Dorinson, chairman, announced that reservations chairman is Mrs. Thomas Rogers.

## Robert Freets Jr. Residing In Marin

Living in Mill Valley are Mr. and Mrs. Robert Bruce Freet Jr., who were married recently in Tijuana, Mex.

The bride is the former Carolyn Raye Fifield, daughter of Mr. and Mrs. Jack K. Fifield of Belvedere. She is a graduate of Tamalpais High School and was trained as a beautician in San Francisco. She has one borther, Grant Keith Fifield of Belvedere.

The benedict is the son of Robert Bruce Freet of San Rafael and Mrs. Dorothea Freet of Oregon. He is a graduate of Drake High School

# Police Badges Being Worn More Proudly Now In Marin

The big testimonial and benefit banquet for Marin's championship pistol team held at Dominic's Saturday night was a memorable affair.

As Attorney General Stanley Mosk, the guest speaker, observed, it was significant that a benefit dinner was held to raise funds to send the team to the national matches next month in Indiana. This enabled the community to participate directly and personally, which seeking a tax handout from the county treasury would not.

As Mosk further observed, the three-time winners of state championships are a credit to Marin law enforcement, the county generally and to the state.

The five—Capt. Sid Stinson, Lt. Carl Sears, Sgt. Ed Levine and Deputies William Johansen and Ernest Neilsen—are all sheriff's officers. And it was noted that they carry their full load of assigned law enforcement duties as well as participate in the pistol team's activities.

It was heartwarming to see that some of the "old-timers" who made the pistol team's achievements possible were recognized: former sheriff Dave Menary, a real champion in his own right on the pistol range; former San Rafael police chief Frank Kelly and the late rangemaster and mentor of the team until his death, H. O. Peters. It was the interest of these men some years ago that made possible the establishment of the police pistol range, a foundation of the present championship team.

It was heartwarming to hear the cheers go up as the five members of the team were introduced. It was obvious their fellow law enforcement officers in Marin are behind the team 100 per cent in spirit. And what this means, of course, is that morale, esprit de corps has never been higher in the sheriff's offcie and elsewhere among Marin police officers.

If we read the signs right, a new spirit of good will has emerged.

District Attorney Roger Garety, once at odds with Sheriff Lou Mountanos, was invited to act as master of ceremonies; and he accepted. Former Sheriff Menary, defeated by Mountanos, was invited by the latter to be present; and he accepted.

Lt. Sears, speaking for the team, drew a round of applause when he praised the help the team got from former sheriff Menary—and Mountanos joined in the applause.

Then Sears praised Mountanos and Menary joined in the applause.

It looked to us like the championship pistol team is both cause and effect. It is a group that gives cause to be proud of our law enforcement men in Marin. And its success is the one of the effects, or results, of the new spirit of cooperation, good will and high morale.

As we see it, law enforcement officers in Marin are wearing their badges and uniforms a little more proudly these days—and they deserve to.

# A Letter To President Kennedy On The Visit Of Chester Bowles

By CHAPIN A. DAY

'CHIP' DAY

Dear President Kennedy:

Your newly appointed ambassador to India is well known in Marin County. In fact many consider Chester Bowles a Marinite only once removed. Yet we must admit that we are confused and disappointed by his well publicized visit here this week. At the last moment, indeed right in this reporter's face, his talk on foreign policy was closed to the press and public.

Roger Kent, Northern California Democratic chairman and the man in line to be state chairman next year when you seek re-election, inflicted the coup de grace. He intercepted us before we reached the door of the home in which the meeting was being held and said Bowles had issued the "no press" edict in spite of prior invitations to attend. "It's so he can speak more freely and people can ask questions more freely," Kent declared.

This is confusing, Mr. President, because in his talk Mr. Bowles said that one of the reasons he accepted the ambassadorial appointment, after considering it for three months, is that he has his fingers on the pulse of developing countries and that he is in an unique position to interpret these countries to the people of the United States. In closed meetings? Without a question and answer period? There was none here.

The only thing we can imagine that he might not have wanted publicized is that he called this country "a fat, happy nation" and he warned that historically such nations have never survived.

Yet we've heard him say something similar before and somehow we feel his implication went a little further than the affluent 120 Democrats who paid $25 a couple to attend the reception.

In fact his message should be spread far and wide. He called this "fatness" the challenge of our age. It is the nonconformists who are changing the world, he pointed out.

Communism isn't the dynamic, revolutionary idea for which we give it credit, he went on. From an idea point of view, our way of life with individual freedom is far more revolutionary.

But Russia has the military hardware to make it, along with us, the powers of the world. The question is which of the two of us will have a feeling of what the other people of the world are saying and thinking.

Which will keep up with the 20th Century and the pace which the newly emerging nations are setting?

Bowles said he wasn't afraid of change. His great-great-great grandfather had been, however. He was afraid that Thomas Jefferson would get into power and "nationalize women."

Bowles had a warning too about integration. He was concerned about Birmingham, but "don't think that in my own Connecticut or here in California things are too different. There's plenty to be done in all states."

As far as we could see, Mr. President, there was absolutely no reason for secrecy. He didn't even touch on the Kashmir problem or the China-India border dispute, which might be touchy for him before he even gets to New Delhi. He didn't get close to a "sensitive" area.

Obviously, we would have liked to have been there to hear what Ambassador Bowles said. We think the people of Marin should have had the opportunity to know of these things. The whole affair was highly undiplomatic for a diplomat.

Sincerely,
Chapin A. Day

# WHAT OUR READERS SAY

## No Death Penalty, Demonstration

EDITOR,
Independent-Journal:

I am a Republican, somewhat conservative inasmuch as I am a Barry Goldwater fan, who opposes the death penalty and/or capital punishment.

My reason is it is too possible to convict and execute the wrong person. It undoubtedly has happened in the past and will occur in the future unless the voters of California do something about it . . .

Naturally such incidents are rare and far between, but as long as they are a remote possibility I can't buy the gas chamber bit. If the abolishment of the death penalty will save EVEN ONE innocent person from execution in the next hundred years, then I say the small percentage of my tax money needed for the maintenance of persons convicted of capital crimes is money well spent.

While opposing the death penalty, I do feel persons legally and justly found guilty of capital offenses should be imprisoned for life without—and I do mean without—possibility of parole. I believe the majority of us basically feel executions are barbaric and oppose the death penalty, but many don't wish to do away with it because they fear that it's just a matter of time until these people are returned to society and in a great percentage of the cases only repeat their heinous acts.

The famed trial lawyer, Louis Nizer, made sense when on a recent national TV show he stated, "the commandment 'thou shalt not kill' makes no stipulation giving the state the right to kill." The former warden and fine gentleman, Clinton Duffy, who probably knows as much or more about prisons and their inmates than any other man in California, is also against the supreme penalty. I prefer to accept the inside knowledge and wisdom of these men and others like them to the hysteria of those crying "crime deterrent."

While on this subject, although the marchers or pickets, or whatever they call themselves, and I agree re the death penalty, it ends right there. I abhor demonstrations of this sort and they make the proponents of abolishment of the death penalty appear ridiculous. There are more constructive ways to express one's distaste than creating a public disturbance.

We in the United States still possess the right to express ourselves at the polls and a letter to your representative at Sacramento seems more logical to me. After all, abolishment of capital punishment must come from the legislature, not San Quentin Prison.

## Better Health Care Is Needed

EDITOR,
Independent-Journal:

My compliments to the I-J and Dr. Galeno for the guest editorial, "Time Doctors Set Standards For Health Care Insurance," in which Dr. Galeno takes the CMA and AMA to task for its tardiness in setting up standards for a health care program for the aged.

However, if Dr. Galeno or anyone will take a close look at any of the many so-called "health insurance plans for the aged," he will find that even the best fall short of what we in America have a right to expect of a wealthy, progressive and civilized country.

**Any adequate health insurance plan must be on the basis of the well paying for the sick and the young paying for the old.** A look at the history of Blue Cross reveals only too starkly the impossibility of establishing these basic actuarial standards on a volunteer basis. **Either all must join or you have no plan.**

I think a good look at the soundly based, well managed and successful programs like those in Scandinavia, Great Britain, would be the first step for doctors and the public alike. This should be done constructively, with the desire to learn and not with the foregone conclusion that these are un-American and crackpot schemes, doomed to failure.

My son and I spent several months in western Europe last year to get a look at their medical programs and found that a large majority of the doctors and the people were happy with it and would not go back to the old systems.

The cooperation of the medical fraternity with the public has greatly improved the standards for all concerned, and has for the first time in history given adequate health care to alf the people when they want it. It has rebuilt the public health and morale and created a remarkable spurt of energy, enterprise and productivity of their people, and a decisive factor in the formation of the Common Market. The frank and open discussion of our health care situation which has gotten somewhat out of hand would be good for all concerned.

## Cast-Offs Don't Make A Library

EDITOR,
Independent-Journal:

Regarding your article in the I-J on May 15, "Bring a book to school drive is planned for Friday," which was followed, I presume, by a "successful" collection:

As someone seriously interested in libraries, I feel it is a grave mistake to found a library on people's cast-off books. I hope the people who cleaned out their attics and thereby "did good" for the county by supporting the county library now have consciences which can rest quietly.

They are wrong. Who is going to part with the book they really love? And who wants a library of books no one really cherishes?

My respect to the directors of the schools who wanted no part of this!

# TRY AND STOP ME

BENNETT CERF

Sir Alec Guinness sat listening patiently while a compatriot droned through a long, pointless story. To make matters worse, he mumbled so that only one word out of three were intelligible. Nevertheless, when he completed his tale, Sir Alec laughed long and loud. He explained later, "I always do. If you don't laugh, the bloody bores usually tell the story all over again."

An after-dinner speaker had droned on endlessly. "After partaking of this evening's superb repast," he continued, "I feel that if I had one single bite more, I would be unable to say a word." From the rear end of the room came an order to the waiter, "Bring him a sandwich quick!"

Asked why he had spent the past 30 days in jail, a young delinquent explained, "All I did was borrow a little money." "Since when do they jail people for borrowing money?" jeered a new acquaintance. "They do in some cases," said the delinquent. "Mine, for example, I had to knock a man down four times before he agreed to lend it to me."

## *Corte Madera Moves To Prevent Motels From Becoming Apartments*

OF ALL THE things I've covered in Corte Madera nothing has evoked as much comment as the Madera Village north of Edgewater Inn along U.S. 101.

This is the box-like motel that caused uproars in the Planning Commission and Town Council because it turned into high density apartment: 101 units and 101 kitchens.

Officials from Mill Valley to Novato have asked me how it ever happened.

After the construction the town last year amended its zoning ordinance to ban kitchens in more than 40 per cent of units in any more motels.

This week the council went further by introducing an amendment to forbid more than one hotel or motel living-sleeping unit for every 1,500 square feet of ground on which such a structure stands.

Town Mgr. Arthur H. Brandow et al are blunt in saying both pioneering restrictions were created to prevent any more Madera Villages.

FEELING RAN HIGH at council meetings last year when town fathers demanded certain conditions before the place could be tenanted.

Against the council ranged not only the aggressive developers but also businessmen among 31 local residents with money in one corporation backing the project.

Also invested in it: Frank Rusalem of San Francisco, builder of Edgewater Inn, owner of Corte Madera Center and holder of a federal contract to build a postoffice in the Center but stalled by repeated town rejections.

THE FIRE AT American Distilling Co. is long extinguished but the stories continue.

A girl who had her last drink years ago said in Mill Valley she and a friend viewed the fire at close range. When they asked a policeman how to depart through the tangle of fire gear and crowds, he replied:

"You take a left and a left—and get to heck out of here. Those tanks are going to go!"

They "got" in a hurry. "I thought how awful it would be to be off the stuff all these years and then get caught in a distillery explosion!"

Sausalito residents remember how the plant figured in the recall of J. Walter Blair as Third District county supervisor Dec. 5, 1961.

Recall forces echoed criticism by Assessor Bert W. Broemmel of Blair's motion, passed 3-2, for a new method of taxing barrels that cut the firm's taxes $12,000 a year.

In KTIM-FM on Nov. 19, 1961, Peter H. Behr, elected to Blair's seat, said: "If whisky barrels could vote, Blair would sweep Sausalito."

# Cuba Shouldn't Get Surplus U.S. Planes

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON — Defense Secretary McNamara is under stern congressional demand that he take immediate and forceful measures to prevent surplus Air Force cargo planes from getting into Castro hands.

Already the Senate Investigating Committee, headed by Senator John McClellan (D-Ark.), which is probing the hotly controversial TFX plane contract, has blocked the sale of seven C-124 Globemasters that apparently were surreptitiously destined for Cuba.

SEVERAL HUNDRED Air Force cargo planes are in process of being declared surplus. The Senate Committee wants to make certain that none of them wind up in Communist hands.

Senator McClellan has requested Secretary McNamara to submit in writing the policy that has been formulated for the disposal of these planes.

The Senate investigators have been told no such policy exists.

This information comes from authoritative Pentagon sources—which tipped off the senators about the proposed sale of the seven surplus Globemasters to highly suspicious buyers.

The would-be purchasers were a Canadian syndicate in which U.S. gamblers had a considerable interest.

These underworld elements operated gambling casinos in Havana before Castro came into power. The McClellan Committee has reason to believe they still have "business" ties there.

THE CANADIAN sydicate sought to buy the Globemasters at approximately $210,000 each. Their original cost was about ten times that amount.

The Canadian group told Defense authorities the planes were wanted as private air cargo transports. But the Senate investigators, after digging into the matter, strongly suspected the real intent was to turn over some of the C-124s to Castro and use the others to fly cargo between Canada and Cuba.

On the basis of this secret information, Senator McClellan asked Secretary McNamara for a full report on this contemplated deal.

It was after this that the Defense Department called it off.

THE SENATE investigation is still underway. The probers particularly want to question a certain Washington lawyer-lobbyist who had a hand in the affair. But they have been unable to find him, and his whereabouts are unknown.

Also uncovered by the investigators was information that the gamblers involved in the surplus plane deal planned to set up one or more casinos in Panama.

That information has been transmitted to the Panama government.

Senator McClellan is discussing with members of his committee the advisability of making a Senate speech summing up the findings of the TFX contract investigation. Privately, McClellan is highly critical of Secretary McNamara's course in this matter, particularly in disregarding the views of top Air Force and Navy officers. Virtually all of them opposed McNamara's decision to award the contract to General Dynamics.

**NOBLE HAMILTON** of Ross has been elected a director of **E. D. Bullard Co.**, Sausalito manufacturers of safety equipment. He is manager of Kimberly-Clark's Blake, Moffitt and Towne Division.

**AN AUCTION** of unclaimed household goods will be held at **United Moving and Storage** warehouses in Larkspur Saturday morning. Storage lots up for bid include pianos, appliances, furniture and innumerable boxes, barrels and cartons of personal effects. The auction will begin at 10 a.m. and continue until all goods are sold.

**BARRY AND GRACE MARSH** who next week will celebrate their third anniversary at **B and G Music** in the Terra Linda Shopping Center may well adopt a trite expression as their new slogan — "This business is for the birds."

A pair of finches were so attracted to the musical sounds emitted by a loudspeaker outside B and G's doorway, they decided to move in and set up housekeeping. So far, they have remained undisturbed by brass or percussion, although their tastes "seem to run more in favor of bossa nova than in John Philip Sousa," says Marsh.

**CONTRACTORS R. E. Nolan and Son** of San Anselmo have formed a swimming pool division in their construction business. **Larry Robbins**, formerly of R and J Co. (building supplies) in Santa Rosa, will be sales manager in charge.

Nolan is currently specializing in a low-priced pool, without contracting for decking or landscaping.

**ROBERT E. ROESER** of San Rafael was among five recipients of gold trophy awards from the Sales and Marketing Executives Assn. of San Francisco last Friday. He is with **Allstate Insurance Co.**

## Alumni Stitched Into His Quilt

DELAWARE, Ohio (AP)—Latest addition to permanent furnishings in the home of the president of Ohio Wesleyan University, Dr. Elden T. Smith, is a quilt.

It was made over a period of years by Mrs. Mary Haverfield Kevan, member of an alumni organization in Southern California and bears the names of 87 alumni and others associated with Ohio Wesleyan University.

Names on the quilt range back to the class of 1888 and up to the class of 1970.

# Marin Ambulance Is Not Moving Out Of Larkspur

Marin Ambulance is not moving out of Larkspur, as reported at the Sausalito City Council meeting Tuesday night, but plans to expand by opening a branch in San Raafel, co-owner Robert Parker said today.

Surprised that news of the firm's intentions had been mentioned publicly, Parker told the Independent-Journal: "We're only planning now but we wish to open an office near Francisco Boulevard west of Highway 101 in San Rafael.

"Actually we will be able to give Sausalito better service than now after we start the San Rafael operation."

He said the firm "quite possibly" will purchase a new ambulance after expanding.

In business for seven years, the firm is located at 4 Ward Street, Larkspur, operating two ambulances and one convalescent car.

Parker and John Raggio, former Larkspur fire chief, are partners in the operation.

At the Sausalito council meeting, Dr. Philip G. Huffman was quoted in a letter by the Sausalito Chamber of Commerce as saying the city's ambulance needs would become more acute "when Marin Ambulance Service moves north."

Said Parker: "We're not leaving Larkspur!"

HOW TO PLAY

# WINNING BRIDGE

By ALFRED SHEINWOLD

## Good Bridge Player Probably Living Too Sheltered A Life

Good bridge players lead a sheltered life.

They seldom make the wild bids that go for a 2,600-point ride, nor do they make the wild and wooly play that needlessly jeopardizes an unbeatable contract. Perhaps we're missing something.

Opening lead — ♠ 3

Today's hand would be a very tame and colorless affair if an expert were at the helm.

The play would be over in about two minutes, and everybody would go on to the next hand with never a thought of what had been missed.

**FIRST TRICK**

The expert South would win the first trick with the king of spades and would lead a low diamond to finesse with dummy's queen.

An expert East would refuse this trick with never a quiver, in the hope of deceiving South.

South would not be lured into error. He would take the ace of diamonds and give up a diamond trick. Then declarer would take 10 tricks—four diamonds and two in each of the other suits.

**FINDS WAY**

The inexpert declarer can find ways to make this hand more exciting. One way is to refuse the first trick.

After all, everybody has heard of the "hold-up" play, and many a player thinks there's something vaguely shameful about winning the first trick.

East leads another spade to force out the king, and that is the last time spades are led.

**HOLDS OFF**

When South tries the diamond finesse, East holds off. East wins the third round of diamonds, and South never gets to his hand for the ace of spades or the rest of the diamonds. Down two.

Yes, South may recover from his silly hold-up. He wins the second spade and clears the diamonds. East returns a low heart, and declarer refuses the trick. Back comes a club, and dummy takes the top clubs and top hearts. Now declarer puts West in with a heart, and West must lead a spade to let South take the rest.

Of course, West may save the five of hearts and let dummy win the fourth round of hearts. Then South is down one.

All very interesting if South is an exciting paluka rather than a dull expert.

## TIME AND TIDE

The column of heights gives the elevation in feet of each tide above or below the plane of Coast Survey chart soundings. The depths are always additive to the chart depths unless preceded by a minus sign (-), when the numbers are subtracted from the depth given in the chart. Light-face type indicates a.m. times; **bold-face type** indicated p.m. times.

# ALMANAC

Today is Thursday, May 23, the 143rd day of 1963 with 222 to follow.

**The moon is approaching first quarter. The morning stars are Venus, Jupiter and Saturn. The evening star is Mars.**

On this day in history:

In 1962, Gen. Raoul Salan, leader of the Secret Army Organization in Algeria, received a life prison sentence in Paris.

In 1903, Wisconsin became the first slate to adopt a direct primary for party elections.

**A thought for the day — President Theodore Roosevelt said: "No man, not even the soldier who does his duty, stands quite on the level with the wife and mother who has done her duty."**

is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

## Texas Mother Has Real Problem With 13-Year-Old Asthmatic Son

VAN DELLEN

A Texas mother from San Angelo has a real problem. She writes: "I have a 13-year-old son who has had bronchial asthma since he was 19 months old. We are worried about his health and his school work and want your opinion. I must admit his asthma is not as serious as it has been, but recently, his sinuses have been giving him trouble, causing severe headache."

The adage that tots outgrow asthma is true occasionally but this child demonstrates the more frequent situation. It is senseless to wait for spontaneous recovery because other problems crop up to complicate the picture.

**THERE IS** no substitute for finding and eliminating the cause. Pollen is suspected when asthma recurs at the same time each year. House dust, molds, animal dander, and feathers are possibilities if the child is plagued by wheezing all year 'round. Other clues are obtained when the attack follows eating certain foods, a respiratory infection, or an upsetting emotional situation.

When the origin cannot be found, there is nothing to do but give medicines that offer temporary relief. These include epinephrine, isoproterenol, an antihistaminic agent, potassium iodide, or—finally—one of the corticosteroids.

**BUT THIS IS ONLY** part of the story. This woman is concerned about her youngster's health and his school work. Most children with a chronic ailment develop anxieties and emotional difficulties at school and in the home. These factors often aggravate existing asthma.

Change of climate is one of the oldest approaches to the problems of the asthmatic. I am not familiar with the climate in San Angelo, Tex., but Arizona and New Mexico often are called ideal. Colorado and Florida also are mentioned.

But moving has its drawbacks and may not be successful unless the cause of the asthma is known and a trial period has established the fact that the new location is helpful. When the wheezing youngster benefits, authorities may give credit to the separation of the child from the family rather than to the warm dry air. Here again, the emotional aspects of chronic asthma enter the picture.

**(Dr. Van Dellen will send leaflet on bronchial asthma if stamped, self-addressed envelope accompanies request.)**

### SUGAR AFTER CANDY

H. J. writes: Will sugar show in the blood of a non-diabetic after she has eaten a lot of candy?

REPLY

Yes. When candy is eaten by anyone, the sugar level in the blood will go up within an hour and then return to normal. The same happens in the diabetic except that the level remains elevated for two or more hours thereafter.

### MEASLES VACCINE

Mrs. W. writes: Is the measles vaccine now given to all infants like the other protective shots?

REPLY

No, in that the exact prophylactic program has not been worked out on a national basis. But public health authorities are watching the results carefully.

### PROSTATE AND FERTILITY

W. T. writes: Could a man become a father after his prostate is removed?

REPLY

Yes, theoretically. The prostate does not manufacture the sperm. It forms some of the fluid in which these germ cells are carried to the outside.

### EXERCISE AND VEINS

W. D. writes: Can a person with varicose veins of the knee safely dance, skate and bowl?

REPLY

Yes, provided there are no complications such as swollen ankles or varicose ulcers.

**Today's Health Hint**—Not all breast lumps are malignant but all should be investigated.

## Petaluman Pays Driving Fine

Ernest H. Brooks, 59, of Petaluma paid $149 fine yesterday in Marin Municipal Court for drunken driving.

Judge Harold J. Haley sentenced Brooks for driving while intoxicated along Highway 101 near Terra Linda last April 9. Brooks must remain on six months probation, and his driving is restricted for three months.

On Monday, Judge Haley sentenced Richard Wendall Reichmuth, 30, of Petaluma, for driving while intoxicated along Lincoln Avenue in San Rafael on April 28. Reichmuth also drew $149 fine, nine months probation, and thre months driving restriction.

1. NOTICE IS HEREBY GIVEN that the Dixie School District, Marin County, California, will receive bids for the furnishing of all labor, materials, transportation and services for the construction of the District Administration, Don Timoteo School.

2. Each bid to be in accordance with the plans and specifications as adopted by the Board of Trustees of the Dixie School District now on file with Rockwell and Banwell, Architects, 38 Hotaling Place, San Francisco 11, California, where same may be examined and copies obtained upon deposit of Twenty-Five Dollars ($25.00) per set, which deposit will be refunded upon the return of such copies in good condition within five days after the bids are opened.

3. Each bid shall be made on a form to be obtained at the office of Rockwell and Banwell, 38 Hotaling Place, San Francisco 11, California, and must be accompanied by a certified or cashier's check or bid bond for 10% of the bid amount, made payable to the order of the Dixie School District. Bids shall be sealed and filed at the District Office located at 4775 Redwood Highway, San Rafael, California, prior to 4:00 P.M., June 12, 1963, at which time they will be publicly opened and declared.

4. The above mentioned check or bond shall be given as a guarantee that the bidder will enter into a contract if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract or to furnish the necessary bonds after being requested to do so by the Board of Trustees of the Dixie School District.

5. The successful bidder will be required to furnish a labor and material bond in an amount equal to 50% of the contract price and a faithful performance bond in an amount equal to 100% of the contract price, said bonds to be secured from a surety company satisfactory to the Board of Trustees of the Dixie School District.

6. Bidders are hereby notified that pursuant to the Statutes of the State of California, or local law thereto applicable, the Board of Trustees of the Dixie School District has ascertained the general prevailing rate of per diem wages and rates for legal holidays and overtime work in the locality in which this work is to be performed for each craft or type of workman or mechanic needed to execute the contract, which will be awarded the successful bidder.

7. The prevailing rates so determined are as follows:

On Wednesday, the 5th day of June, 1963, at the hour of 11:00 o'clock a.m., at the Lincoln Avenue entrance to the Title Insurance and Trust Company, being the building located at the Northeast corner of Lincoln Avenue and Mission Street, in the City of San Rafael, County of Marin, State of California, Title Insurance and Trust Company, a California corporation, as trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the City of San Rafael, County of Marin, State of California, and described as follows, to-wit:

LOT 27, as shown upon that certain map entitled, "Map No. 1 of Forbes Reserve in the Town of San Rafael", recorded March 22, 1882 in Book 1 of Maps at page 16, Marin County Records.

Said sale will be made, without covenant or warranty regarding title, possession or encumbrances, to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain deed of trust executed by Frank N. Chelgren and Helen M. Chelgren, his wife, as trustor, to Title Insurance and Trust Company, as trustee, for the benefit and security of Morton Steiner and Barbara J. Steiner, his wife, as Joint Tenants, dated June 6, 1962 and recorded June 13, 1962 in the office of the Recorder of the County of Marin, State of California, in Book 1579 of Official Records, page 246.

**NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE**
No. 14988

Superior Court of the State of California, County of Marin.

In the Matter of the Estate of AUGUST QUILICI, also known as AUGUSTINO QUILICI, also known as AGOSTINO QUILICI, Deceased.

Notice is hereby given that on or after June 5th, 1963, the undersigned, Moriano Quilici, as executor of the will of AUGUST QUILICI, also known as AUGUSTINO QUILICI, also known as AGOSTINO QUILICI, deceased, will sell at private sale to the highest bidder, subject to confirmation by the above-entitled Superior Court, all the right, title, interest and estate of the decedent at the time of his death and all the right, title, and interest the estate has, by operation of law or otherwise, acquired other than or in addition to that of the decedent at the time of his death, in and to that certain real property located in the County of Marin, State of California, described as follows:

LOT 14, of Subdivision of Lots 14, 15 and 16 of Division "C" of the original survey of the Rancho de Novato, Marin Co., Calif., map of which subdivision was filed May 13, 1896 in Book 1 of Maps at page 91, Marin County Records.

EXCEPTING therefrom the following described parcel: COMMENCING at the most Southerly corner of Lot 14, as the same is shown on that certain map entitled, "Map of Subdivision of Lots 14, 15, and 16, Rancho de Novato, Marin County, California, Division C 1896" filed May 13, 1896 in Map Book 1 at page 91, Marin County Records and running thence along the Westerly line of said Lot North 4° 54' West 240.0 feet and North 11° 47' East 170.37 feet, thence leaving said line South 80° 31' East 129.57 feet and South 10° 37' East 312.79 feet to the Southeasterly line of said Lot, thence along said line South 68° 53' West 214.08 feet to the point of commencement.

ALSO EXCEPTING THEREFROM the Westerly 20 feet thereof included in School Lane conveyed by Rosa Quilici to County of Marin by Deed recorded June 17, 1937 in Liber 341 of Official Records at page 276, Marin County Records.

Subject to: current taxes, covenants, conditions, restrictions, reservations, rights, rights of way and easements of record

Bids or offers are invited for the property and must be in writing and may be delivered to the executor or to the office of his attorneys, Palmer & Grundstrom, 1516 Grant Avenue, Novato, California, or may be filed in the office of the clerk of the Superior Court at any time after the first publication of this notice and before the making of the sale.

Terms and conditions of sale: Cash in lawful money of the United States of America; ten percent (10%) of the amount bid to accompany the offer and the balance to be paid upon confirmation of sale by the Superior Court. Taxes, rents, operating and maintenance expenses, and premiums on insurance acceptable to the purchaser shall be prorated as of the date of recording of conveyance. The examination of title, recording of conveyance and any title insurance policy shall be at the expense of the purchaser or purchasers.

Dated: May 16th, 1963.

DINING ROOMS

**Chic** ..... $33,750
Amber glass, louvered doors, sparkling white background, and a sundeck give appeal and charm to this dining room; the whole house has been done in good taste and with especially attractive appointments: tile, lighting fixtures, etc. Three large bedrooms, 2½ baths, secluded oak-edged deck off the master bedroom. All-electric kitchen, breakfast area, wonderful valley view, brand new. San Rafael.

**View** ..... $34,500
Glass doors open to a covered terrace, and the view is out over rooftops and a wooded valley. Pretty 3 bedroom home, 2 fine tiled baths, large all-electric kitchen with breakfast area; Arizona stone fireplace in the living room, which is out of the traffic pattern. Oversized double garage, fenced level play yard and lawn, immaculate home. San Rafael.

**Cozy** ..... $39,000
The charm felt in this view dining room is typical of the warmth and appeal of the entire home: beamed ceiling in the living room, comfortable study adjoining the master bedroom, huge BBQ terrace, oak-shaded; shrubs, trees; large deck, magnificent marine view, established grounds (half acre), lovely oaks all around. Four bedrooms, 2 baths, study, family room, pretty gardens. Larkspur.

**Lovely** ..... $44,000
This sizable dining room has an elegant air, and the house is one of quality and impeccable taste. Three bedrooms, 2 baths, large breakfast area, inviting reception hall, large deck, utility room, electric kitchen; trees, good landscaping, handsome new carpeting. Beautiful Greenbrae setting.

**Paneled** ..... $48,000
Dark woods, delightful decorator touches, louvered doors. Large living room, 3 bedrooms, 2 baths, sparkling new electric kitchen, cheerful, sunny breakfast room; U-shaped house, with protected, covered terrace; large level lot, good trees, lawn, pretty outlook. Utility room. Sleepy Hollow.

**Baronial** ..... $60,000
Modeled after an Irish castle, this huge home, situated on an acre and a half, is like a castle itself; grand entrance hall with broad stairs down to a spendid paneled living room; sunroom out into the garden; banquet-sized dining room, large modernized kitchen, breakfast room; wide stairway, with spacious, windowed landing; broad bedroom hallway, huge bedrooms, storybook attic, full basement. Beautiful grounds, four bedrooms, 6 fireplaces, den. San Anselmo.

**Elegant** ..... $69,000
Almost an acre of meticulously gardend space surrounds this exceptionally well-built, handsome Home. Five bedrooms, 4½ baths, huge electric kitchen with large breakfast room and outstanding storage arrangements; splendid sunken living room, glass doors out to an oak-shaded patio. Family room, swimming pool, dressing rooms, view. Greenbrae.

**Formal** ..... $75,000
French doors open to a flagstoned terrace which surrounds a redwood grove; the living room is gracious, looks out on the gardens and lawns; all-electric kitchen; breakfast room, huge paneled family room with sliding glass doors out to the patio. ## 60—Homes For Sale

### San Rafael

The
Beauty of Fairhills

Is enhanced by this spacious and stately home.

Traditional in design, yet functional in all of its appointments, it combines comfortable living and gracious entertaining with the fullest enjoyment of outside living and minimum upkeep. High ceilings, the generous size of all rooms, tasteful decor, and a striking entry foyer opening into a large panelled loggia, give a true feeling of luxury.

With more than 3,300 square feet of living area plus 800 square feet of garage and service area, it has 3 ample bedrooms, a guest room (den or 4th bedroom), 2 baths, formal dining room, 12½ x 20½ loggia (or library), a quiet living room with white brick fireplace, plus a sizable family room with panelling and an antique brick fireplace. Our exclusive at $75,000. For an appointment to see, call

## Hy Silver Says:

I've been sitting in my office wondering why more people don't come in to buy our good used cars. It occurred to me that a lot of people do know and don't care. So it naturally follows that we've got to give people a reason to come to our lot, and here it is: If you come to our lot in Novato, I will personally guarantee that no one will spit in your eye! I mean that literally and figuratively. We won't try to insult your intelligence with a bunch of ridiculous claims. If you try out one of our cars and find something wrong with it, we'll try to fix it for you. If you are worried about payments or not having enough money to put down, or not having any money to put down, come in and talk over your problems. We can't work miracles, but we've had years of experience in financing cars and we can put this experience to work for you. Even if you don't want to buy a car, come on in and chin a little. We get mighty lonely sometimes. You'll find us at Hy Silver Used Cars, 1119 Grant Ave., Novato.

# Fairfax School Bus Extension Asked

A group of parents in the Bolinas Road area have asked the Fairfax School District to extend bus service from Fawn Ridge to the Meadow Club.

About 12 parents made their request before the board Tuesday night, Supt. Homer Sisk reported.

There are 18 students in the area seeking transportation and more homes are being contructed there, he said.

The board agreed to discuss the transportation problem at its June 18 meeting.

The Fairfax School District board also:

1. Heard a report by Mrs. Isabel Cartwright and Frank Curtin that teachers in the district plan to form their own chapter of the California Teachers' Assn. Teachers now are members of the Ross Valley Teachers' Assn. covering Fairfax, San Anselmo and Kentfield districts, which will be disbanded Dec. 31.

2. Accepted resignations of Ronald C. Samet, sixth grade teacher at Deer Park School, who plans to visit Europe; Joan Boysen, second grade teacher at Manor School, who is going to teach in Germany; Mrs. Rosemari Zumwalt, for maternity, Carol Wlodkoski, eighth grade teacher at Fairfax Central, who is returning to the East, and Mrs. Rosalie Kelly, secretary at Deer Park, for maternity.

3. Authorized the Fairfax Recreation Department to use school facilities for a month after summer school ends July 19.

4. Scheduled a special meeting to review the 1963-64 budget for June 4.

### Drama Workshop Deadline Is June 1

June 1 is the deadline for submission of unpublished plays in the Sausalito Little Theater's third annual original drama workshop. Prize money totaling $250 will be divided among scripts selected for rehearsed readings in late August, Joan La Fontaine said today.

Plays should be typewritten and mailed to Box 601, Sausalito, with return envelopes and postage included, she said. All plays, which have no limitations as to theme, or form, remain the property of the author.

### Earl Pierce Show Opens In Tiburon

Tiburon's quay gallery opened an exhibition of recent paintings of Earl Pierce today at 32 Main Street. Pierce, lecturer on modern art for the University of California Extension school, has given nine one-man shows.

His paintings will be shown through June 16. The gallery is open Thursdays and Sundays from 1 to 5 p.m. and 7 to 9 p.m.

### Water Color Classes To Start Wednesday

Outdoor field classes in water colors will be taught by Art McWhorter in Sausalito beginning next Wednesday.

Classes will be held for five weeks on Wednesdays and Thursdays both from 9:30 a.m. to noon and from 1 to 3:30 p.m. Lynn Wood of 519 Caledonia Street is in charge of enrollments.

# Spotlight To Be On Safety At San Rafael High

A program to promote safety first, last and always will open at the San Rafael High School gymnasium and pool tomorrow evening and continue all day Saturday.

Sponsored by the Kiwanis clubs of Ross Valley, San Rafael and Novato, the program will also have many other participating groups, including the American Red Cross, skin divers, San Rafael High School and the Firemen's Fund.

There will be water and safety demonstrations at 7:30, 8 and 8:30 p.m. tomorrow and at 11 a.m., noon and 1, 2, 3 and 4 p.m. Saturday at the pool. First aid demonstrations, all staged by the Red Cross, will be in the gymnasium at 7, 7:45 and 8:30 p.m. tomorrow and at 11:30 a.m. and 12:15, 1, 2, 3, and 4 p.m. Saturday.

The U.S. Divers Co. and Bamboo Reef of San Rafael are supplying equipment and instructors for some of the skin diving demonstrations. These will be at 8:30 p.m. tomorrow and at 11 a.m. and 1 and 3 p.m. Saturday.

In addition there will be a driver training program staged from 1 to 5 p.m. Saturday by high school instructors. Safety films supplied by the Firemen's Fund will be shown continuously from 6 to 10 p.m. tomorrow and from 11 a.m. to 7 p.m. Saturday.

There will also be several exhibits in the gymnasium emphasizing safety at home, on the highway and in the water. The Marin Council of Mayors and Councilmen has proclaimed the two-day safety fair a "Family Safety Weekend."

Pacific Gas and Electric Co. will have a display showing the dangers of overhead wiring; Marin County Sheriff's Patrol will stage demonstrations on the safe use of guns and archery; the California Highway Patrol will show films and displays on traffic safety; the Coast Guard will have displays on boating safety and rescue equipment, and 4-H clubs will show displays on hazards in the home.

## 9 To Graduate At Guide Dogs This Saturday

Guide Dogs for the Blind, Inc., in Los Ranchitas, will graduate its 162nd class in a commencement program at 2:30 p.m. Saturday.

Nine men and women who have undergone a four-week training program with their guide dogs will graduate. The program will include presentation of dogs by 4-H Club members who raised them to the graduates. There will also be a demonstration of dog obedience and a tour of the campus.

Graduates are Christine Backe of Portland, Ore.; Mrs. Albert Dow of Phoenix, Ariz.; Robert L. Ennis of Long Beach; Mrs. Juanita Fontana of Los Angeles; Mrs. Alfred Johnson of San Angelo, Tex.; Arthur Kidd of Phoenix, Ariz.; Luis Lopez of Lucerne, Lake County; Ray McAnulty of Boise, Ida., and Charlotte Tait of Enterprise, Utah.

## He Deals In Complaints

WELLINGTON, New Zealand (AP)—Sir Guy Powles, first ombudsman in the British Commonwealth, has been on the job six months.

In that time, according to the Government Press Office, he has received 334 complaints. Of these, 143 were outside his jurisdction and dropped; 74 are still being considered; 91 were without foundation; 26 had "some substance", and in 13 of these the error was rectified

You don't know what an ombudsman is? He's an investigator of complaints against government action. He cannot start legal action, but advises a government department if the citizen's complaint is worthwhile. He's paid by the government.

## This Fellow Has Cat Troubles

SPRING VALLEY, N.Y. (AP)—Harvey Schiff put out the cat one night and the next morning could not find him. He was worried but started to work as usual in his car pool.

A couple of blocks from home one of the men in the car said, "Hey, Harvey, isn't that your cat walking along the road?" He said it was, they picked up the cat, returned to the Schiff house and Harvey put the cat in the living room.

When he returned home from work that evening, Mrs. Schiff said, "Harvey, our cat doesn't look well. His tail is droopy. I think you'd better take him to the vet for a distemper shot."

So Schiff and cat visited the vet and when he drove in his driveway, who did he see waiting on his porch?

His cat.

## Kansas Cattle All-Time High

TOPEKA, Kan. (AP) — The number of cattle in Kansas has reached an all-time high.

Kansas State University reports the cattle and calf inventory reached the all-time high of 103.5 million head at the start of 1963, a 4 per cent increase over 1962.

Cattle on feed in Kansas has increased 117 per cent since 1958.

# County Asked For Funds To Save Wildflower Lands

Marin County will be asked to provide funds to buy a small patch of land in Tiburon and save a wildflower garden including some types of plants found nowhere else in the world.

The land is a hillside of about three acres including old St. Hilary's Church. An apartment house project has been approved for the area by the county planning commission.

Mrs. Robert Bastian, president of the Belvedere-Tiburon Landmarks Society, appeared before the Marin County Parks and Recreation Commission yesterday to gain support in a proposal that the county match society funds to by the land.

She said the society started to purchase the land, paying $10,000 down, but defaulted a year ago on two deeds of trust. The land could be sold on 24 hour notice, she reported.

She proposed county and society join in paying off the debt and the county then take the land over.

Commissioner James Fletcher countered with a suggestion that the county might help to eliminate the default, but leave future payments to be spread over a longer time. He said the county, with its Paradise Cove project, has poured a disproportionate amount of money into the Tiburon Peninsula.

However, he agreed with Chairman Helen Newman that the land and wildflowers should be saved, and that the location is a coincidence. "We can't move the site," Mrs. Newman pointed out.

Mrs. Bastian said maintenance of the area will be no problem for the county. All the land needs is to be left alone.

A resolution to the supervisors, suporting beginning of negotiations with owners to arrange terms for purchase, passed unanimously on Fletcher's motion. Commissioners Elizabeth Davies and Gibbs Lawson were absent.

## Kennedy Dedicates War Memorial For Atlantic Dead

NEW YORK (UPI)—President John F. Kennedy today dedicated a memorial to World War II servicemen who died in the Atlantic and warned Americans to "be prepared to play their part" to protect liberty in our time.

"Every generation of Americans must be expected in their time to do their part, to maintain the freedom of this country," said the president as he laid a wreath at the Battery Park Memorial. "There is no final victory, but rather all Americans must be prepared to play their part."

The president flew from Washington to pay tribute to 4,000 Atlantic fatalities of the war against a sun-flooded panorama of New York harbor. The memorial, located on the tip of Manhattan, stands at the end of a mall that has the Statue of Liberty as its focal point.

Tonight the president will attend a $1,000-a-plate Democratic fund raising dinner at the Waldorf. But at the noon ceremony his thoughts were not on politics, but on memories of the war in which his elder brother was killed and he almost lost his own life at sea.

Kennedy said that when the parents of the war dead come here in the shadow of the Statue of Liberty, they will perhaps wonder why these young men had to die. He said it was in the nature of the struggle for liberty and freedom that each generation must make its own sacrifices.

Kennedy's wreath was laid

## UNIFIED DISTRICT SEEMS UNLIKELY

A consultant firm studying organization of five North Marin school districts is not likely to recommend their unification in a single district, the man in charge of the study said last night.

Edward Anderson of Booz, Allen and Hamilton told Dixie School District trustees "I do not believe we would recommend one unified district for all four elementary districts, for obvious reasons."

The districts included in the study are Novato Unified; San Jose, Dixie and San Rafael Elementary, and San Rafael High School. All except Novato are within San Rafael High School District.

Anderson's remark came after he was pressed by John Starkweather, chairman of the Dixie board of trustees, as to differences among the existing districts.

"There is no question that there are differences," Anderson said. "And these differences can continue to serve the respective communities." As an example, he said there are two "very different" high schools in the San Rafael High School District. Terra Linda High, he said, is fitting for "young executives in new houses in Terra Linda and Marinwood," whereas San Rafael High serves an older community.

"There needs to be this kind of variety," Anderson emphasized.

Differences exist also among neighborhood schools, he said, even within the Dixie district.

"We would strongly recommend that the neighborhood school continue," said Anderson. "There can be a tremendous range within a unified district. One administration can supply appropriate staffs for each school, and great differences may continue to exist."

Anderson said "severe neighborhood shifts" should be avoided in any kind of unification.

Penrod Moss, Dixie curriculum consultant, asked why teachers were not questioned in the survey as to their views on possible unification.

"We feel the citizenry is more important," Anderson said.

Starkweather told Anderson the Dixie board "will want to see you again before you come back with a final report. We have a lot of unanswered questions."

### Main Breaks, Leaving 'Lake'

A 12-inch water main broke at about 10 a.m. today, spewing water 15 feet into the air and causing flooding on Camino Alto across from Safeway Stores in Mill Valley.

George Eames, superintendent of construction and maintenance of Marin Municipal Water District, and four crewmen shut off the source while police Lt. Charles McCourtney directed one-way traffic through the "lake" on the street.

Eames said he could not tell the cause of the break.

## Iowa Capitol Terrorized By Gunman

DES MOINES, Iowa (UPI)—a beer-swilling gunman intent on killing two policemen terrorized employees in Iowa's capitol for an hour today but was finally outsmarted by the state's secretary of agriculture.

Secretary of Agriculture L. B. Liddy won the gunman's confidence by opening a can of beer for him. Then he and an aide closeted themselves in a private office for 45 minutes with the gunman.

**GETS GUN**

They finally persuaded the young gunman to lay his gun on Liddy's desk. A Des Moines policeman, posing as an unarmed capitol policeman, strode to the desk, snatched up the gun and captured the man without a struggle.

During the ordeal, the gunman kept his finger on the trigger of his .22-caliber pistol and switched it idly from hand to hand. But he did not try to harm Liddy or his aide, Clair Boyd. His sole purpose, Liddy said, was to get a clear shot at two members of the Des Moines police department.

"They sent me up and I'm gonna kill 'em," he said.

After the capure, the gunman gave his age as 22 but refused to give his name or explain why he wanted to kill the policemen.

The statehouse drama began when the gunman strolled into a large office used by six agriculture department employees and pointed his pistol at Mrs. Irene Garlock and Mrs. Ora Garnett. He ordered them to call the police so he could shoot them.

**WOMEN LEAVE**

Boyd, head of the weights and measures division of the department, ordered the women from the room and called police himself

The gunman calmly hauled an open can or beer from his pocket and began to sip. He swung his gun about the room as frightened statehouse employees entered and left but made no effort to stop them.

Liddy, a slight, mild-appearing career man in the Iowa agriculture department, took charge as the gunman finished his first can of beer and produced another. He had no opener. Liddy came up with one and did the honors.

He then invited the gunman into his private office so they could discuss ways and means of attracting the police.

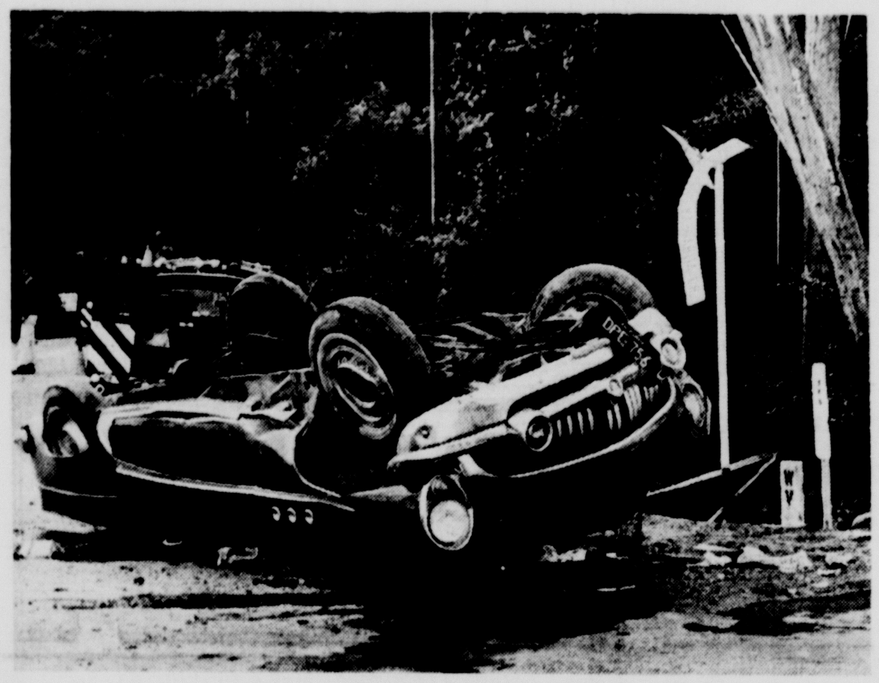
# Richardson Bay Recreation 'Can Be Greatest In Marin'



*DRIVER HAD HIS UPS AND DOWNS*

Richard Koegel, 25, laborer of 11 Plumas Avenue, San Anselmo, suffered cuts on face, head and body when his car hit a utility pole and overturned on San Pedro Road near Margarita Drive, just outside the San Rafael city line at 5:55 p.m. yesterday. He was reported in fair condition today at Marin General Hospital. California Highway Patrolman A. G. Koenig said Koegel's westbound car slid 99 feet on the road shoulder before hitting the pole. Koegel will emerge from the hospital to find himself facing a speeding charge.

## Potential Discussed At Flood Meeting

BY ALTON S. BOCK

Flood control was the official purpose of an Army Corps of Engineers public hearing on Richardson Bay streams yesterday in the Marin County Civic Center, but nearly everybody talked about recreation.

"There is a great potential in the recreation and boating future for Richardson Bay," said Herbert Madden of Sausalito, member of the Saucelito Canal Dredging finance committee. "It can be one of the greatest things that ever happened in Marin."

Of the dozen persons who spoke at the hearing, most emphasized the need for coordination in flood control, canal dredging, and development for public recreation.

Col. John A. Morrison, the Army's district engineer, told the more than 40 who attended that during the next two years the corps would be studying streams flowing into Richardson Bay, "and we want up-to-date information on stream control."

He said recreation potentials in and around Richardson Bay would be a part of the study.

"It will be three to five years after our survey before any work on flood control will be completed," he said.

County Supervisor Peter Behr, whose district includes the bay, said proper development of the bay and tidelands "is not just a local matter but of concern for all of San Francisco Bay in terms of recreation."

He said silt is gradually filling Richardson Bay.

"We have no local financial resources or know-how to solve the problem," Behr said.

J. Burton York, senior engineer for the State Department of Water Resources, said: "If a flood control project is justified, the state will reimburse local agencies for the cost of rights of way and land easements and the relocation of affected facilities required for channel work."

Behr reported the board of supervisors has requested inclusion of funds in the state water resources budget for land acquisition related to Coyote Creek flood control work at Richardson Bay.

Colonel Morrison said work on Coyote Creek flood control would be "carried on separately" regardless of progress on the rest of Richardson Bay.

Former Marin County Planning Director Mary Summers and Principal Planner Sidney Shaw stressed the need for keeping as "much open water as possible" and encouraging development of recreation facilities and public access.

Mill Valley City Mgr. A. E. Almcrants said the corps survey should include "more con-

## Rafferty Says Slang Dictionary Obscene; Unruh Cries Censorship

SACRAMENTO (AP)—Dr. Maxwell Rafferty and Assembly Speaker Jesse Unruh clashed today over censorship and the book "A Dictionary of American Slang."

The book stirred up a controversy recently when Assemblyman E. Richard Barnes (R-San Diego) asked a Sacramento high school student to get him the school library's copy as evidence for an anti-obscenity bill.

Barnes said he felt the book's definitions were "smut." They include definitions of slang sexual terms.

Rafferty, state superintendent of public instruction, said yesterday he feels the book is "a practicing handbook of sexual perversion," and hinted "a little bit of censoring might be in order."

He said its title should be "A Dictionary of American Slang and Obscenity," and that it contains information "completely unsuitable for the children of California.

"I would certainly recommend that any schools that . . . have secured copies of this book try to take them off as quickly as possibly," he said.

Unruh said at a news conference he was "not so greatly concerned with this particular book as with whether it's the first or the last book Dr. Rafferty will want removed."

Asked how he felt about a "little bit of censoring," Unruh, who recently clashed with Rafferty on the issue of politics in education, said he felt it was like being "a little bit pregnant."

"I am always concerned over a God-given ability to censor," Unruh said.

Rafferty has no authority over high school textbooks, which are chosen by the dis-

## Nikita Warns Caribbean May Be In For Worse Troubles

MOSCOW (AP) — Soviet Premier Nikita Khrushchev, addressing a huge farewell meeting for Cuban Prime Minister Fidel Castro, warned today that the situation in the Caribbean carries possibilities of becoming worse than last October.

In a speech of more than an hour, Khrushcehv, in shirt sleeves and bareheaded in a broiling sun, declared:

"If the U.S. government does not show necessary common sense and understanding of the situation and permits itself to be drawn into a dangerous path, a situation even more formidable than that of last October might arise in the world.

"If such a situation is created by the aggressive forces of imperialism, clearly it would be much more difficult to emerge from the crisis than it was in 1962.

Stopping only occasionally for small bursts of applause, while Castro looked on, Khrushchev continued:

"A breach of obligations assumed by the United States would not be regarded otherwise than perfidy. This would radically undermine trust and make coming to terms more difficult."

He pledged that the Soviet Union would defend Cuba if the United States should attack that nation.

Responding, Castro thanked the Soviet people for their cordial hospitality during his visit in this country.

"An avalanche of love fell upon us," he declared.

He was unable to begin speaking for several moments after he stood up because of roaring applause.

## Cepeda Sues For $1 Million —'Defamed'

SAN FRANCISCO (UPI)—First baseman Orlando Cepeda of the San Francisco Giants filed a million-dollar libel suit against Look Magazine today, charging he was "defamed."

The suit was filed in Superior Court by attorney Marvin Lewis and asks for $500,000 general damages and $500,000 as punitive damages.

The article, written by Look sports editor Tim Cohane, said Cepeda was not a team man, jealous of Willie Mays and was on the trading block.

"Cepeda is a very sensitive man," said Lewis. "What the article said and what it implied is not the truth."

## Paradise Unit Is Against Incorporation

Paradise Property Owners Assn. last night passed a resolution 19-10 asking to be excluded from the proposed incorporation of Tiburon.

Several members abstained from voting.

The group voted to support the Belvedere-Tiburon Landmakers Society in an effort to make old St. Hilary's Church and the surrounding wildflower garden into a county park. The society is asking the county to match funds to acquire approximately three acres.

New officers elected are: Steve Dodge, chairman; Ron Madden, vice chairman; Dorothy Carter, secretary, and William DiGrazie, treasurer.

## Another Team Scales Mount Everest

KATMANDU, Nepal (AP) — Two Americans set a bright new record yesterday, conquering Mount Everest by the hitherto unscaled west ridge of the world's loftiest peak.

Norman R. Dyhrenfurth, of Santa Monica, leader of the American expedition, flashed word from base camp that William F. Unsoeld of Corvallis, Ore., and Thomas F. Hornbein of San Diego, had reached the top after a 12-hour climb up the perilous west route.

Dyhrenfurth radioed that a second team, Harry C. Bishop of Washington, D.C., and Luther G. Jerstad of Eugene, Ore., was assumed to have made the top by the south ridge. This route was climbed previously by British and Swiss expeditions and by an American team on May 1.

Dyhrenfurth reported that the west ridge team was heading down the wind-swept peak by the southern peak, thus making the first traverse of Everest in history.

## JFK Saves Prom

BURBANK (AP) — President John F. Kennedy is invited to an $18-a-couple high school senior prom after a $1,000-a-couple Democratic banquet in his honor almost caused the teen-agers to be evicted from their ballroom.

The president's impending visit to Southern California coincided with the prom planned June 7.

"We will postpone our dinner and I will come out on some other occasion," Kennedy said.

The students invited the president to the prom.

## Kennedy At Mass

WASHINGTON (UPI) — President John F. Kennedy slipped out of the White House today to attend a quiet "Ascension Thursday" mass at nearby St. Stephen's Roman Catholic Church.

Kennedy attended the 9 a.m. mass with White House receptionist Dave Powers before departing for New York.

## To Admit Negroes

MIAMI, Fla. (AP) — Fourteen public schools in Dade County will admit Negroes for the first time when they open this fall, the school board reported.

They include six senior high schools, six junior highs and two elementary schools.

## Barry Backed In South

JACKSON, Miss. (AP) — Sen. Barry Goldwater (R-Ariz.) has been officially endorsed by the Mississippi Republican party for the GOP's 1964 presidential nomination.

## Racial Charges

ADDIS ABABA, Ethiopia (UPI) —An African leader charged today that the African summit conference had drawn an "iron curtain" around discussing racial disturbances in Alabama. He issued a protest to President John F. Kennedy over "inhuman treatment" of Negroes there.

Uganda Premier Milton Obote made the charges in an open letter released to newsmen as the 30 African heads of state and government began their second summit session.

## Sukarno In Japan

TOKYO (AP) — Indonesian President Sukarno arrived today for a 10-day vacation in Japan, prescribed by his doctor. He reportedly is suffering from exhaustion.

## Freezing Weather

By ASSOCIATED PRESS

Freezing weather nipped areas in the northern half of the Midwest again today as a spring cool wave spread into interior sections of the East and South.

Temperatures dropped into the 20s and 30s in much of the northern Midwest but warmer weather appeared on the way and was expected to break the week's spell of unseasonably low readings.

## Yorty Censured

SACRAMENTO (UPI)—The Assembly committee on criminal procedure has censured Mayor Sam Yorty of Los Angeles for asking for a federal investigation of the committee's failure to pass a bill to increase control of the drug percodan.

Assemblyman Gordon Winton (D-Merced), chairman of the committee, said yesterday the entire committee had joined in condemning Yorty's action.

## Airplane Pilot Scoots Around

MADISON (AP)—When Bruce Mohs applied for a motor vehicle license he was asked what kind of a vehicle he wanted it for.

"Here it is," he said, as he hoisted a gadget to the counter. It was his home-made, collapsible, 35-pound, 25-mile per hour motor scooter.

Mohs explained he carries the scooter around in his airplane for trips to and from airports.

## Cow Produces Record

Yokohl Neptune Belle, a 10-year-old cow owned by Marvin L. Nunes of Point Reyes Station, produced a record 16,935 pounds of milk and 729 pounds of butterfat in 329 days, the Holstein-Friesian Assn. of America reported today.

## Red Tricks German

BERLIN (AP)—An East German border guard tricked a 24-year-old West Berliner into cutting a barbed wire border barrier today and then arrested him, West Berlin police reported.

The incident reportedly occured in the French sector suburb of Frohnau.

"The young man was at the border when a border guard called to him and told him he wanted to escape," a police spokesman said.

"The West Berliner cut a piece out of the fence. Then the border guard aimed his weapon at him and forced him to cut another fence. When he got through, he was arrested and taken away."

# JFK: 'I'll Use Troops In Alabama'

WASHINGTON (AP) — President John F. Kennedy has made it clear he will use U.S. troops and marshals if needed next month to crack racial barriers at the University of Alabama.

But he voiced hope at his news conference yesterday that Alabama's segregationist Gov. George C. Wallace would back away from the threatened federal-state collision by heeding court orders to integrate the school.

A federal court at Birmingham told the university Tuesday it must admit two Negroes June 10—one at the Tuscaloosa campus, the other at the Huntsville branch.

Wallace has declared that he personally "will be present to bar the entrance of any Negro who attempts to enroll. This is legal resistance and legal defiance."

Alabama is the only state with all its public schools still segregated.

In his news conference that ranged from flights to space to his trip to Rome, Kennedy also discussed another facet of the civil rights problem: the recent outbreaks of racial violence at Birmingham, Ala.

The president said he will decide in the next few days whether to propose additional civil rights legislation. He did not go into details, but a Justice Department spokesman said any additional proposals would be in the fields of education and public accommodations.

The Birmingham situation prompted Kennedy on May 12 to order 3,000 troops into Alabama military bases—so they would be nearby should they be needed to quell any disturbances in Birmingham.

Wallace challenged the president's authority on the troop move in a suit filed Saturday with the U.S. Supreme Court. Kennedy said he welcomed the governor's court suit, declaring, "This is where these disputes should be settled."

"I would hope," he said, "that the fact that the governor has chosen to carry out our dispute in the courts indicates that in the final analysis, he will accept the judgment of the court in the cases coming up in June."—the enrollment of the two Negro students in the university. The Justice Department had expressed this view for the administration last Saturday.

Speaking of the possible use of marshals or troops if Wallace should attempt to fight the court order, Kennedy said:

"I would be very reluctant to see us reach that point. But I am obligated to carry out the court order. There is no choice in the matter. These decisions must be enforced. Everyone understands that."

Apart from civil rights the prime domestic topic was Tuesday's vote by wheat farmers rejecting strict production controls and high price supports. Farmers voted for no production curbs and a system Kennedy predicted would cut the price of wheat by nearly 50 per cent.

Kennedy said that even if wheat prices fall sharply. "I don't think it will have much effect on the consumer." Instead, he said, it will promote large wheat surpluses, cut farm income and "cause more difficulty to the economy."

The president promised to administer present laws to give wheat farmers "maximum protection." He added he'll consider any proposed legislation that would cut grain surpluses and maintain farm income without putting an excessive strain on the Treasury. He said the farmers may decide to vote for controls next year.

On other topics Kennedy said:

"We are not going to move" on the question of one-site inspection of a possible nuclear test ban until the Soviets talk about other, less sticky points involved.

The United States hopes to withdraw some troops from South Viet Nam by the end of the year but would act quicker should the Vietnamese government request a broader withdrawal—as one of its officials has proposed.

It is "completely untrue" that the United States is preparing to give up the Guantanamo Naval Base in Cuba.

Intelligence sources report no buildup of Soviet personnel or equipment in Cuba in recent months.

The United States, so far as Kennedy knows, is not providing arms or economic aid to any Cuban exile group at the present time.

Project Mercury astronauts are lobbying for one more multi-orbit space flight and the question will be decided in the next few weeks.

Kennedy definitely hopes to see the ailing Pope John XXIII on his trip to Italy next month.

Negotiating tariff cuts with Europe presents "a long road to hoe" but both sides realize "the West cannot possibly afford to have a breakdown in trade relations."

Kennedy, to no one's surprise, is prepared to respond to "the spirit of the party" should Democrats demand that he seek a second term in 1964.

# Pope Looks Vigorous After Transfussion, Rest

VATICAN CITY (AP) — A vigorous looking Pope John XXIII, strengthened by a reported major blood transfusion and a full night's rest, stood in his studio window for about three minutes today and blessed a crowd of 15,000 in St. Peter's Square.

He looked vastly improved and a high Vatican source said that he was, that the blood transfusion had been "a real tonic." This informant said the Pope appeared rallying well from his most recent relapse.

He is suffering from anemia and a stomach disorder, believed to be an ulcer or cancer.

The appearance at the window was his second since Tuesday, when he reportedly suffered the setback.

The Pope stood at the open window, bathed by a pale sun. He recited a prayer in a strong vibrant voice. But he made no remarks, as he often does on such occasions.

The reported improvement in the Pope's condition today followed the general pattern of ups and downs he has shown in the past six months.

Sometimes he carries his 81 years with a look of deep fatigue. At other times he looks vigorous and fit.

Vatican sources say that after a weak spell he soon recovers his energy and color when he takes time for extra rest.

Today was Ascension Day, considered the last day of the Easter period. It marks the rising into heaven of Christ 40 days after his resurrection.

The Pope was scheduled to start on this holiday a nine-day spiritual retreat, or novena, to prepare for Pentecost Sunday, June 2. But Vatican officials announced, after the Pope's appearance that the retreat would start tomorrow.

Vatican officials hope the retreat will allow the Pope to regain his physical energies. He may remain in his apartment. It is fitted with all medical equipment needed for hi treatments.

Since Tuesday his regular doctor, Piero Mazzoni, has been sleeping in the papal palace. At least one other doctor has been present part of the time. A priest with nursing training also is said to be on 24-hour duty in the papal apartment.

# Sugar Prices Are Climbing

NEW YORK (AP) — Sugar prices are climbing like crazy and no one seems to know where it will end.

The head of the Agriculture Department's sugar policy staff, Lawrence Myers, says the market is in a state of panic.

A commodity that in 1961 was worth two cents, and which was excluded from the United States except under rigid quota systems, is being pursued with ardor at about 12 cents.

That's what a pound of raw foreign sugar costs at dockside New York these days.

The American Sugar Refining Co. announced yesterday the latest hike in the wholesale price of refined sugar: By $1.75 to $16.80 per 100 pounds in the Northeast. The price was about $10 in January.

The five-pound bags of sugar that sold for about 55 cents in the supermarket last year are tagged at 69 cents and up.

The turnabout involves several factors: Weather has been bad for Europe's beet crop, Cuba's crop has been below normal, demand has been growing rapidly—sugar is one of the first luxuries people in emerging nations seek.

The Japanese now buy dried milk in colors—red, green, yellow and blue.

## New York Prosperity

NEW YORK (UPI)—At $25,000 a room, plus a hefty annual maintenance charge, New York City's newest luxury cooperative apartment house facing Central Park in Fifth Avenue near the Plaza is selling out rapidly, the owners said recently.

# Nixon Meets Ev Charlie; Not On Show

WASHINGTON (UPI)—Former Vice President Richard M. Nixon didn't quite make the "Ev and Charlie Show" this trip, but he has an option to appear in the GOP production later.

The assurance that he will share the Republican congressional leadership platform at some future date may make Nixon feel more comfortable in his strange new role of being more practicing lawyer than practicing politician.

GOP sources said it was an assurance he was looking for.

Nixon arrived yesterday, just 24 hours too early for today's scheduled "Ev and Charlie" leadership meeting and news conference of Senate Leader Everett M. Dirksen of Illinois and House Leader Charles A. Halleck of Indiana.

The 1960 GOP presidential nominee lunched with Senate and House Republican leaders yesterday.

Nixon made it clear to newsmen he was not out gunning for any 1964 presidential candidate. He said "Eisenhower-Nixon Republicans" could and should be able to support any of the prominently mentioned White House prospects.

Syria lies on the land bridge linking Asia, Africa and Europe.

# McCarthy Seeks Closer GOP Work For Election

WASHINGTON (UPI) — California State Sen. John F. M. McCarthy (R-San Rafael) called yesterday for closer cooperation between Republicans in Congress and the state legislature in preparing for the 1964 elections.

He made the plea in remarks prepared for a closed meeting of the California Republican congressional delegation.

He also used the occasion for an attack on Democratic Gov. Edmund G. Brown's tax policies, predicting that Brown would ask for more than 400 million dollars in new taxes.

McCarthy, state senate minority leader, urged GOP congressmen to double their efforts in preparing for the campaign.

He suggested the formation of a "congressional-legislative liaison committee" under the delegation chairman, Rep. Glendard P. Lipscomb to "coordinate and counsel" with GOP state legislators and the state party organization.

"This committee would meet immediately after adjournment of Congress to map plans for strengthening our party, he said.

McCarthy said the committee should hold a series of "issue conferences" to be conducted jointly by Republican congressmen and state legislators during the fall and winter months. He also said it should arrange for a "nationally known party spokesman" to tour California on a continuing basis.

BOOKS ALL OVER—Surrounded by books, Mrs. George W. Zang (left) and Mrs. Franklin Murray sort volumes to be offered for sale on San Rafael Library lawn tomorrow and Saturday to raise money for a record collection at the library. (Independent-Journal photo)

# They'll Be Selling Books At Library

They'll be selling books tomorrow and Saturday at the San Rafael Public Library.

Strange to relate, the process will add volumes to the library shelves instead of denuding them; besides which, it will start a record collection — something the San Rafael Library lacks.

The sale will be by the Marin Assn. of Retired Teachers, from 9 a.m. to 5 p.m. both days on the library lawn.

The books have been contributed by members of the association and by many other residents. "There are thousands of them," according to Mrs. Eleanor Murray, library board chairman.

Hundreds of children's books are included. A special table will be filled with books of interest to students. Even best-sellers are included—at prices ranging from a nickel upward.

The library will benefit two ways, explained Mrs. Vivian Smith, chief librarian.

First, librarians have gone through the books contributed. Copies in better repair than those on library shelves have been substituted, with the more worn books to be offered for sale. Extra copies of some of the library's own books, for which demand is now small, have been added to those to be sold—but other usable books, in good condition, have been placed on the shelves from among those contributed.

"We have added about 100 titles to the library's shelves from these," said Mrs. Smith.

Second benefit to the library will be creation of the record collection, with records purchased with the money received from sale of the books.

tricts. And he has urged that elementary schools be given complete freedom to choose their own texts.

But he said he will recommend in the fall that "our fine public school libraries examine very carefully their books to be sure that obscene material of this sort is not made available to our young children."

"This is not a question of witch hunting or book burning," the superintendent said. "There is nothing subversive about books like this. They're just dirty.

"This sort of pornography . . . is just as dangerous to the morals and the minds and the souls of our children as a cholera bacillus would be to their bodies.

"If we have to have 'Tropic of Cancer' and 'Lady Chatterly's Lover' on the shelves of junior and senior high schools in this state simply to prove that we're not censoring, then I think we'd better do a little bit of censoring."

## Sausalito Library Adopts Budget

Sausalito Library trustees last night adopted a proposed 1963-64 budget of $28,405, a $9,000 increase over the current year. The increase to be recommended to the city council, is mainly to provide more books, Mrs. James J. Carroll, acting president, reported.

The board also passed a resolution to ask the city council how much money has been saved from the city library tax fund to be used toward construction of a new library.

# New Year's Eve Death To Jury

The fate of William A. Acree, 20, accused of manslaughter in the New Year's Eve death of a Kentfield youth, rested with a jury of eight men and four women this afternoon.

Dist. Atty. Roger P. Garety and defense lawyer William O. Weissich wound up their final arguments this morning before Judge Joseph G. Wilson of Marin Superior Court.

Acree's car hit two pedestrians, Robert T. McMullen, 19, of Kentfield, and William R. Costello Jr., 19, of Larkspur. McMullen died from the injuries.

The defense contended that Costello and McMullen were "cavorting" on the paved portion of the highway near Marin City.

Miss Penny Heide, riding with Acree, testified she saw one youth run and another "leap" toward the highway just before the crash.

Prosecutor Garety declared that the youths were walking well off the highway, and what Miss Heide saw were the two youths being thrown into the air by the impact of the car.

About 285 feet of tire marks left by Acree's car showed that Acree could easily have avoided the pedestrian's if he had been driving prudently, Garety argued.

Weissich countered that the brakes, which were found defective, had sent the car swerving to the right. He pointed to a bus driver's testimony that she had seen two youths pushing and "horse-playing" on the paved portion a few minutes before the accident.

But Garety replied that the time element shows the bus driver must have seen someone else, not the two victims.

tacts with local businessmen and homeowners' groups."

S. J. Hugh Allen, attorney for Richardson Bay property owners, said flood control and canal dredging "to open up the bay for recreation are inseparable."

William A. Hamilton, chairman of the dredging finance committee, urged the corps to "take all necessary steps" so the committee might go ahead with plans to form an assessment district to enlarge Sausalito Canal for navigation.

"Despite this rosy picture," said Floyd Beaver of 34 Ross Drive in Tamalpais Valley, a member of the Kay Park Homeowners Assn., "I would like to call attention to the homes and the people who live there. A boy was drowned last winter when there was flooding in San Rafael, and we wouldn't want anything like that to happen around Richardson Bay."

County Public Works Director Donald R. Frost said worst flooding has been in the western part of the bay and will continue without control. During the severe 1955 storm, damage was $250,000, he said.

"We will continue to talk to you about this during our study," Colonel Morrison said. "All of these things will be considered. When we come up with a general plan, we will hold another public meeting before we send anything to the chief engineer's office.

"In due time we will come up with a project."

## Santa Venetia Group Elects

Harry Johntson, 505 Vendola Drive, was elected president of the newly reactivated Santa Venetia Improvement Assn. at a meting of about 40 property owners last night.

James D. Phillips, 601 Vendola Drive, was picked as vice president; Kenneth C. Duncan, 1595 Vendola Drive, treasurer, and Donald B. Anderson, 312 Vendola Drive, secretary.

The association, once known as the Gallinas Village Improvement Assn., is asking membership of about 733 property owners in the area.

## STOCKS TODAY

NEW YORK (AP) — Stock market prices presented a mixed picture at the close today.

Trading was moderately active.

Profit taking nibbled into gains by steels and motors after they had posted minor gains.

Changes of most key issues were fractional in a market that was generally sluggish all through the session.

Volume was estimated at 4.5 million shares compared with 5.4 millions yesterday.

## Lack Of Quorum

The Corte Madera Park and Recreation Commission failed to get a quorum last night and continued its meeting to 7:30 p.m. June 5 in Town Hall.

The civilian labor force increased by 8.2 million workers between the 1950 - 60 census, from 56.4 million to 64.6 million workers.

at the foot of a huge bronze eagle which stands at the head of eight marble tables that bear the names of hundreds of honored dead. The president said he recently had a letter from Rear Adm. Hyman G. Rickover saying that whenever the admiral dedicates a new submarine, he presents it with a plaque inscribed:

"Oh, God, the sea is so great and my boat is so small."

"The seas has been a friend and an enemy to us all," he said. "It was the struggle between nature and man that cost these men their lives."

## 12 Deputies With Guns Set For 'Prowler'

A dozen sheriff's deputies with guns ready surrounded a home at 14 Appollo Drive, Belveron Gardens, this morning in an effort to catch "a prowler trapped in the attic."

Deputy Martin Conlin, who volunteered to crawl through the narrow attic area, found nothing but cobwebs and dust. "He came out looking as if he'd been through a wringer," said Sgt. Edward Levine.

The only live object they found was a cat, which was in the garage, looking quite innocent.

Michael Richard O'Brien, 19, reported the "prowler" about 9:50 this morning. Officers, who surrounded the home, theorized it might have been the cat or squeaks in the attic walls.

## Antique Car Lot Request Denied

Sausalito planning commissioners last night denied a request for a use permit to William Brose to have a used car and antique car sales lot on a 100 by 20-foot portion of the Southern Pacific Railroad Co.'s freight yard.

Denial, according to acting Chairman Robert L. Nissen, was because there were several requisites missing from the request.

The commission adjourned to Wednesday to discuss the Heath Land Co. use permit request to build a 96-unit apartment house in Marinship.

## Tremors From Sharp Quake Felt In Marin

Slight tremors of a sharp earthquake which was centered on the San Andreas Fault south of Palo Alto were felt yesterday at 3:41 p.m. in Marin County. The earthquake lasted for four minutes.

Police departments in Corte Madera and San Anselmo received telephone calls. Also, the Independent-Journal switchboard was busy for a few minutes with inquiries.

No damage was reported from the earthquake which read 5.0 on the Richter scale, compared to the 8.25 reading of the 1906 San Francisco earthquake.

The earthquake was felt as far south as Los Altos and north to Martinez. Office workers in San Francisco saw desks, chairs and swinging fixtures shake for a few minutes.

## Burglars Strike In Mill Valley

Three Mill Valley businesses and Edna Maguire School were broken into last night with a total of $161 in equipment and cash taken of which $11 was in children's hot dog money from the school.

Tad's TV and Radio at 398 Miller Avenue reported five radios valued at $140 and $10 in change taken after someone broke glass in a rear door. Entry was made to the Mount Carmel Salvage Shop, 45 Lovell Avenue, by removing screws from a lock hasp; nothing was reported taken.

Burglars went downstairs from the salvage shop into Mill Valley Motors at 16 Madrona Avenue and reportedly took a screw driver. The school was entered, police said, by breaking a window and lifting a window latch.

# Eddie Howard Dies At 48

PALM DESERT (UPI)—Bandleader Eddie Howard, whose recording of "To Each His Own" sold 15 million copies and became his theme song, was found dead today in his Eldorado Country Club home.

Howard, 48, a native of California, began his musical career while attending Stanford University in the early 1930s. He was majoring in business administration but doubled in music and formed his own band.

The group played college dates in the San Francisco Bay Area and when he graduated from college Howard hit the nationwide circuits.

During his orchestra engagements Howard collaborated with other songwriters or penned pieces on his own. In addition to his theme Howard had a dozen other recordings that sold over a million copies, including "Rickety Rickshaw."

Howard gave up leading big bands a year ago and recently has teamed with small combos at local resort hotels.

Cause of death was withheld pending an autopsy.

Survivors include his widow Jane and two teen-age children.

## JOHN ALBRIGHT

John Albright, a resident of Marin for about 60 of his 98 years, died yesterday in a local hospital after long illness.

For 13 years, Albright, a retired lather, had resided at the county farm in Lucas Valley. Earlier he lived at 110 Tiburon Highway in Tiburon.

He was born in Canada and came to the United States in 1898. He was a member of Lathers Union Local 268 and of the San Rafael Aerie of Fraternal Order of Eagles.

His closest surviving relative is a niece in Illinois.

Funeral will be held at 2 p.m. tomorrow at Chapel of the Hills in San Anselmo. Burial will be in Mount Tamalpais Cemetery.

## Free Cruise Set Tonight

One hundred Belvedere and Tiburon residents will get a free one-hour boat cruise tonight as well as June 6 and 13 from Harbor Tug and Barge Co. Purpose is to acquaint people with the service.

However, according to W. C. Helman, firm representative, all seats are taken for the three nights since people received tickets by mail.

The firm runs regular ferry commute service between Tiburon and San Francisco and has a "champagne cruise" from San Francisco to Tiburon each Thursday night.

Other new officers are Steve Davidson, vice president; Sue McGinnis, recording secretary; Sandy Amaral, corresponding secretary, and John Killian, treasurer.

Jim Davidson was named chairman of the planning committee for the June 1 CYO dance. Steve Davidson was named chairman of the June 3 spaghetti dinner and dance.

# NATO Ministers Turn To Communist Problem

OTTAWA (AP) — NATO ministers turned today to discussion of problems with the Communist world after reaching agreement on a framework for a nuclear striking power assigned to the alliance's military commander.

U.S. Secretary of State Dean Rusk planned to put before the other foreign ministers of the 15 national alliance his assessment of the Cuban situation, East-West relations, the Soviet-Red Chinese dispute, and the stalmated nuclear test ban talks.

Rusk was expected to stress that Cuba still is an unsolved problem and thus at least of indirect concern to NATO.

U.S. sources said they expected smooth going in the discussion on the second day of the ministers' spring meeting. But there was a possibility that some of the smaller countries might raise certain problems. Portugal, for example, might bring up the touchy Angola situation, they said.

# Mill Valley Gives Up Library Site

Mill Valley will give up its quest for a new library site on the Roy A. Ibachc property because the asking price keeps going up, city councilmen and library trustees agreed last night.

The city has filed a condemnation suit for the Ibach property, where the Mill Valley Lumber Co. storage yard is located, and for the adjacent Bedecarrax land.

"Both Ibach and Bedecarrax have left the realm of realism as far as price goes," declared library trustee Paul Fourman. "At every discussion we get another $10,000 tacked on to price."

"Despite these setbacks, we are bloody but unbowed" in the quest for a new site, Fourman added.

"I think we are generally agreed that the suits will be withdrawn," said Mayor Joseph E. Sheeks.

The city fathers, however, failed to agree on whether the present five-cent tax rate for the library building and site fund should be continued in the new budget.

Councilmen Michael Wornum and William M. Secor wanted to leave the five-cent tax in the budget so the fund can be expanded. "The money can be used for equipment for the new library, and the bond issue will be that much less," said Wornum.

Other councilmen, however, wanted to reserve decision until "after we get a better idea of the whole budget picture."

City fathers decided to postpone until 9:30 a.m. Saturday when they will meet for further budget discussions.

The library building and site fund now stands at $33,600. A five-cent tax rate in the new budget would add another $10,000 to the fund.

Councilman George Blackwell urged library trustees to look into city-owned property next to Old Mill Park as a possible library site.

## Larkspur Bonds Are Supported

Samplings of residents' support of a Larkspur School District bond-tax drive are "extremely gratifying," precinct workers for the district's SOS Committee told Supt. Milton S. Cohen yesterday.

Cohen and the committee met to make final plans for a June 4 special election on a $700,000 bond issue for 20 new classrooms and an 85-cent tax rate increase.

Precinct workers are making house to house calls, they told Cohen. They are preparing information for phone calls to voters.

## Los Ranchitos Group Took No Action

The Los Ranchitos Improvement Assn. did not ask for approval of a zone variance permitting a beauty parlor at 7 Van Buren Street, as reported in Tuesday's Independent-Journal, Leland J. Peterson of 28 Circle Road, a director of the association, said yesterday.

Peterson said he signed the petition as a nindividual, not as a representative of the association, and that he knew of no action by the association board to seek approval.

# Stolen College Library Books Increase 400%

By FRED WYATT

The number of books stolen from the College of Marin Library this school year may have increased 400 per cent over the preceding four years, librarian Charles Mastin said today.

Only an inventory to be completed this summer will give an approximate idea of the total loss, said Mastin. The last inventory was in 1948, he reported.

Mastin said he based his estimate on the number of slips written by librarians for books they can't find when students seek them.

Books that vanished run into money, he said. For example one volume of an encyclopedia of world art that disappeared in the past is worth $30.

Of two sets of six volumes each, seven volumes are missing.

Mastin believes former students, no longer authorized to check out books, may be responsible.

He said wistfully the library now has six exits by which "booknapers' can make their getaway. Soon, he said, only front and rear entrances will be used and alarms will be added to two now in use.

Three times last fall semester, stacks of books mysteriously were returned to the library, left on the building steps, Mastin said.

## Hints To Keep Your Car Safe

CHICAGO (UPI) — Chicago's police superintendent, O. W. Wilson, says savvy motorists can prevent many of the 900 car thefts that occur in the United States each day.

He suggested that when parking a car, the motorist should:

1. Lock ignition and remove keys.
2. Close windows and lock doors.
3. Keep clothes and other personal property out of sight.
4. Keep the trunk key when using a commercial lot for parking.
5. Do not leave behind any license registration cards or other identifying credentials that a thief could misuse after stealing the car.

# Trustees To Discuss Changing Vending Machines At College

Whether the College of Marin student executive council may change contractors for food supplies in cafeteria vending machines will be discussed by the Marin Junior College District board at 8 p.m. today in room 61, Art building.

Board President Elizabeth M. Deedy said she will ask a subcommittee of trustees (Robert E. Oliver and Robert E. Rogers) for a report of their findings in the matter continued from May 3.

Students have complained the machines have been "either empty or out of order for two years."

Mrs. Deedy will ask whether the board wishes an appraisal on University of San Francisco property north of Novato and west of Highway 101 as a possible second campus location.

Business Mgr. Norman Bird will report on any bids received for cafeteria and miscellaneous equipment the college has offered for sale.

College President Stephen E. Epler and Vice President Paul Clymer will recommend seven law enforcement courses plus new courses in real estate, library use, and psychology.

# Hospital, Fire District To Meet On Protection

A meeting between officials of Marin Hospital District and the Kentfield Fire District will be held sometime next week, according to an announcement today from the hospital's public relations firm of Becker and Mueller of San Francisco.

The hospital district's attorney, Harold F. Reide, Monday wrote John L. Smith Jr., chairman of the fire district, asking for the meeting.

Purpose will be to discuss reinstatement of the contract with the fire district for fire protection for the hospital. The contract was cancelled a year ago after a dispute between the fire district and the hospital over parked cars which block access to the hospital and to fire hydrants.

Kentfield Fire Chief John McLaren, out of the county the rest of this week, told Riede he would try to set the meeting up next week.

# $6,000 Pledged To Teen Center

A proposed teen center for Mill Valley got a shot in the arm last night with a pledge of at least $6,000 by the city council.

The proposed park department budget called for a five-cent tax rate to raise $10,000 for the teen center fund. City councilmen decided the full five cents might be a little steep this year, but agreed to at least a three-cent tax rate.

Councilman William M. Secor strongly backed the teen center fund. "The teen-agers have really hustled," he pointed out. The $1,000 which they have accumulated up to now "has been real blood and sweat money."

The site for the proposed Teen Center has not been decided as yet.

Councilmen also voted for a one-cent tax rate to set up a "pilot" summer work program for boys over 16. Work crews, with an adult supervisor for every five boys, would do odd jobs such as cleaning fire hydrants for 11 weeks, starting in June. The youths would be paid $1 per hour, and the supervisor $2 per hour.

Clay Underhill, manager of the Mill Valley office of Northwestern Savings and Loan Assn., spoke up for both the summer work program and the teen center.

Budget discussions will be continued Saturday from 9:30 a.m. to noon at the city hall. Mayor Joseph E. Sheeks indicated at least one further budget meeting would be needed to discuss salaries for city employes and hiring of additional employees.

The council set for 8 p.m. June 6 a meeting with the Mill Valley City Employees Assn. on salaries.

The proposed Mill Valley budget for 1963-64 originally stood at $875,000. By last night, the councilmen had chopped that figure down to about $845,000, which means a tax rate of $2.21 as compared with the current rate of $1.98.

Here is the proposed tax rate breakdown for the 1963-64 fiscal year.

General tax rate 85½ cents; sanitation 26½; drainage 4; library 30 (including 5 cents for building fun); bond redemption and interest 22; retirement fund 24½, and park and recreation 28½ (including one cent for summer work program for boys).

Mayor Sheeks said the council hopes to peg the tax rate at about $2.20.

# Ousted Negro Pupils Head Back To Birmingham Schools

BIRMINGHAM, Ala. (AP)—An attorney for the Birmingham School Board said today the board will comply with a federal court decision to reinstate more than 1,000 Negro pupils suspended for racial activities.

But the attorney, Reid Barnes, said he would press for a new hearing on the decision rendered last night by chief Judge Elbert P. Tuttle of the Fifth U.S. Circuit Court of Appeals.

The Atlanta judge said the children were illegally arrested. He ruled that the school board could not prevent the pupils from completing this term.

Seven days remain in the school term.

Tuttle overturned a decision by U.S. Dist. Judge Clarence W. Allgood of Birmingham within eight hours after Allgood refused to reinstate the 1,081 pupils expelled or suspended Monday.

Tuttle said the school board's reason for its action was a policy of suspending or expelling any pupil arrested for any cause. He ruled, however, that the pupils "were engaging in legally permissible activities" and were "illegally arrested for exercising this constitutional right."

In granting a temporary injunction against ouster of the pupils, Tuttle said in an accompanying opinion "it appears shocking that a board of education should thus in effect destroy the value of one term of schooling for so many children."

# Hearing Is Set On Oil Field Monopoly

SACRAMENTO (AP) — A Senate watchdog committee has called a hearing June 3 on a report striking at monopoly on a prospective contract for oil in the rich new East Wilmington tidelands.

Hundreds of millions of dollars in state revenue are involved. Some estimates place the potential profits as high as nearly two billion dollars over a 35-year period.

Long Beach, as trustee for the off-shore holdings, has proposed awarding the contract to a single company or a syndicate that would pay a 51-million-dollar advance.

Oscar L. Chapman, former secretary of the interior who was hired as a consultant by the Senate committee, urged a different approach in a report released yesterday.

He agreed that one operator should develop the field. But he said that others should be allowed to share in it.

Long Beach told the State Lands Commission at a March hearing that the single unit development would yield the highest and best bid, provide the most effective means of preventing subsidence and result in substantial operating savings.

But Chapman, retained for a maximum $40,000 fee, said the city's proposal "runs counter to the established policies of the state and federal anti-trust laws."

He said it would discourage competitive bidding and it would "tend to give one company or bidding group a dominant position in the California market."

All but 1,100 of the 6,500 acres in the recently discovered field lie in tidelands held in trust by Long Beach. Under a 1956 law, the city and state share royalties 50-50.

The final contract is subject to approval by the State Lands Commission.

# TAM UNIFICATION HEARINGS SLATED

Public hearings on proposed unification of Tamalpais High School District will be held "sometime next fall," the members of the augmented Marin County Committee on school district organization agreed last night.

The augmented committee adjourned until an undetermined date in September when exact dates for public hearings will be scheduled.

Proposed unification of the entire district will include these propositions:

1. A seven-member board for the district.

2. Election of truestees at large although each trustee will represent one of seven areas in the district.

3. All outstanding bonds in existing districts will be assumed by the new district.

4. The maximum general tax will be based on the assumption that all districts had levelled maximum rates prior to unification.

Explaining the proposed tax rate, committee secretary Edwin L. Blackmore said the rate would be an "average" of all rates to raise money based on total assessed valuation. The rate, if based on current taxes, would be $4.01 per $100 assessed valuation.

"This is more than the rate in some districts now and less than others," said Blackmore.

The committee rescinded, by a 12-3 vote, its action last week asking voters to approve a 25-cent tax limit over the maximum average rate. Committee members that any such increas should be left up to the new board.

After public hearings next fall, a final recommendation for unification will be sent to the state board of education. If the board approves the pro- will be held and the matter will go to voters throughout Tamalpais district.

Although the augmented committee plans no more meetings until fall, the county committee will meet again June 19 in the Civic Center to discuss other business.

## Novato Sanitary District Will Build New Plant

Novato Sanitary District will design and build a treatment plant for the Bahia Del Norte subdivision northeast of Novato on the Petaluma River, the board of directors decided last night.

Developer M. W. Finlay earlier had agreed to build the plant.

"The board decided to design and build the plant according to its own specifications," said Albert Tresch, district manager. "It will be paid from the assessments put on the development of Bahia."

The plant will be designed to handle a population of 7,000, Tresch said. This will give it enough capacity to handle homes on the hills north of the highway at Black Point, he added.

## Tiburon Group Against Annex

Directors of the Tiburon Peninsula Chamber of Commerce today passed a resolution asking the Belvedere City Council not to approve annexation of commercial lands owned by Fred G. Zelinsky and others.

Stuart Burt, secretary-manager, said the board took the action at a special meeting because it felt incorporation of Tiburon might be jeopardized and because it wished to retain the character of Belvedere.

The board felt a boundary compromise can be worked out later, Burt added.

## Seamen Get Jail In Car Tampering

Two seamen, caught removing a tire from a car in Corte Madera Tuesday night, drew three days in jail or $31.50 fine each.

Jerrel Allen Loudon, 20, and Michael Anthony Gifford, 20, both attached to the troopship Montrose, berthed in San Francisco, pleaded guilty yesterday to car tampering.

Judge Harold J. Haley of Marin Municipal Court ordered the two seamen to serve three days in jail if they cannot come up with the fine.

# Sanitary Unit Seeks Superintendent

The Corte Madera Sanitary District will seek a maintenance superintendent, instead of a manager, the district board decided last night in ending a marathon meeting begun May 7.

The first night of the long meeting featured a motion to fire William A. Adam, secretary-manager since 1954. On May 8 Adam was summarily discharged after a closed session.

Last night, after its latest closed meeting, the board voted unanimously to obtain a replacement with more restricted powers. Directors will offer a salary of $600 to $1,800 a year less than the $9,600 a year Adam was getting. The position will be designated as "maintenance superintendent."

"Duties were set forth as" routine maintenance and nominal repairs on sewage pumping equipment, automatic electrical controls and standby generators, nominal administrative functions, supervision of personnel, and representation of the sanitary district to the public." June 4 was set as deadline for applications.

On motion of director Ernest T. Mock, the board voted unanimously to ask the Town of Corte Madera to resume inspections of sewer lateral connections, which the town building inspector ceased four years ago.

Town Mgr. Arthur H. Brandow expressed pleasure when informed of this by the Independent-Journal and said he will convey the request to the town council when officially received.

The sanitary board will hold its next meeting at 7:30 p.m. June 4.

## Breaks Hip At 87

Mrs. Malvine Judell, 87, of 104 East Manor Drive, Mill Valley, was reported in "good condition" today at Children's Hospital in San Francisco with a broken right hip and right arm suffered when she reportedly fell at 2:20 p.m. yesterday at 119 Walnut Avenue. She was given emergency treatment at Marin General Hospital.

# County Will Study Support For Local Park Projects

County policy of non-support for park and recreation projects having only a local community interest may be due for revision.

Marin County Parks and Recreation Commissioner James Fletcher asked for a study after Kelvin Nelson, the new County director of parks and recreation, told yesterday of looking at a site in Novato which would make an outstanding park, but which would cost about $125,000.

The Novato Garden Club has taken an option on the land, the Louis J. Nave estate at 1524 Hill Road, and has proposed that the City of Novato purchase it for a city park. It is a five-acre estate with a mansion usable as a clubhouse, landscaping already in, a guesthouse for a caretaker, next to a school and near downtown Novato.

Nelson said he tried to keep the county out of the project, but was shown the land by a group which included Supervisor William A. Gnoss.

Chairman Helen Newman also pointed to recent action by the board of supervisors to aid senior citizens in local projects, and said the policy should be examined closely, probably in July.

Nelson told the commission there is little chance of using county prisoners for park improvement work. "There just aren't enough to go around," he said.

**The statement immediately brought suggestions for two other sources of cheap labor. Teen-agers might be willing to work rather than pay traffic fines, and county welfare recipients could be put to work, as has been decided recently in Alameda County.**

Nelson said he would look into both possibilities.

Commissioners asked for information on the proposed Sea Cape subdivision next to the Muir Beach Overlook, a small park to be developed by the county.

Nelson said the budget included about $4,000 for development, which would have to be spent before the end of the fiscal year or lost. He said there have been delays because of proposals by the subdivider to build a road to the park from the state highway in exchange for a 40-foot easement owned by the county.

The commission also discussed a ranger's cabin for Paradise Cove Park, deciding against a prefabricated structure.

Nelson reported on a proposal to use San Rafael American Legion Hall as a recreation center in cooperative project with the City of San Rafael. No action was taken on the idea.

The commission referred to the county counsel and the Marin Rod and Gun Club a request that use of firearms be prohibited on Bolinas Lagoon.

## Dixie School Trustee Quits Post

Marcus W. Savage, Dixie School District trustee for five years, last night submitted his resignation one month before his current term would have expired.

"I plan to take a vacation during June," Savage said, "so this will be my last meeting." He did not seek re-election April 16, and his term expires June 30.

His resignation was accepted by the board. Chairman John Starkweather said Trustee-elect Melvin R. Stidham would probably be appointed at the board's June 12 meeting. Both Savage and Stidham are Terra Linda residents.

Savage commented that "most of what is best in the Dixie District is due, I think, to Supt. Dennie B. Willis." He added to this compliment, however, that there is a problem in "informing the parents as to what the district is doing, and we should look for ways to better inform people."

## Fire Chief Candidates Interviewed In Hub

The San Anselmo City Council last night interviewed four candidates for fire chief in an hour and one-half meeting, but made no decision, according to City Administrator Douglas Flautt.

The choice will be announced at Tuesday's regular meeting of the council, Flautt said. Candidates are Asst. Fire Chief Francis Sousa, Capt. William Rawlins, Capt. Richard McLaran and Lt. Robert Beedle. Fire Chief Nello Marcucci will retire on June 28.

## Principal At Vallecito School Relieved Of Job

Henry M. Smith was relieved as principal of Vallecito School last night, at his own request, and will be assigned to a teaching position in the Dixie School District.

Smith formerly was principal of Santa Margarita School and has been principal of the seventh-eighth grade Vallecito School since it opened three years ago.

Dixie Supt. Dennie B. Willis said "personal things" were involved in Smith's request. He will teach in fifth or sixth grades, with a salary of $9,750. He will be assigned to a school later, Willis told the Dixie board of trustees.

The board also approved hiring of 30 teachers, three secretaries and two librarians for the summer school. Most of them are regular district employees.

## Wife Beating Plea Is Guilty

Lowell Harry Smith, 38, of Santa Venetia admitted yesterday he had committed battery against his estranged wife Tuesday night in her San Rafael home.

Mrs. Ruth Ellen Smith, 36, of apartment 2, Mission Avenue, told San Rafael police her husband broke through the front door and beat her.

Smith pleaded guilty yesterday before Judge Harold J. Haley in Marin Municipal Court. Sentencing was set for 3 p.m. next Tuesday.

## Tam Picnic

Tamalpais High School's Honor Society will hold a picnic Saturday on Angel Island. Students, accompanied by Mrs. Mary Baker, plan to be on the island from 9:30 a.m. to about 4 p.m.

**SCHOOL-MADE ZOO IN NOVATO**

Inspecting a paper mache giraffe and monkey are (from left) Karen Hensley, David Bonner and Mike Gannon, fourth grade pupils at Rancho School in Novato. These displays are part of an all-Novato schools art display at Rancho School. The monkey was made by Gerard Mitschum and James Shields and the giraffe by Pat Daniels of Novato High School. The show is open during the school hours today and tomorrow for school personnel. It will be open to the public from 3:30 to 5 p.m. tomorrow and from 10 a.m. to 5 p.m. Saturday. ## Essay Prize Cruise Trip To Orient

Leslie C. Leonardi of Marin Catholic High School has won a summer cruise trip to the Orient on Pacific Far East Lines for her essay on "American Ships in the Expanded Trade Program."

She is a daughter of Mr. and Mrs. Louis J. Leonardi, 355 Forbes Avenue, San Rafael.

She won the trip as the national winner from the Northern California region in the essay contest, sponsored by the Propeller Club of America. Her major award was announced yesterday at a Maritime Day luncheon in San Francisco.

Winning a trip to Vancouver, B. C., was Sherree Strittmatter, daughter of Mrs. Charleine Strittmatter, 28½ Filbert Street, Sausalito, as a regional winner. She is a student at St. Vincent's High School, San Francisco.

Mark DeSmet of Tamalpais High School and son of Mr. and Mrs. Joseph DeSmet, 75 Rancho Drive, Mill Valley, another regional winner, won a "coastwise" voyage.

# County School 'Dropout' Problem Aired

The "drop out" problem of the county schools office where 11 persons have resigned in the last two weeks, was aired today over radio station KTIM's "Marin Sounding Board."

Dr. Virgil S. Hollis, county superintendent of schools, had a seven-page statement which he did not get a chance to finish. Mrs. Albert White, a mother from Mill Valley, had several questions prompted by conversations she had earlier with schools office personnel.

Daryl Hopkins, director of special education at the schools office, said the five in his department who resigned represent just 6 per cent and that this was an enviably low turnover. He said there are 80 full-time and part-time employees in his department.

Dante Bagnani, chairman of the Marin Assn., for Retarded Children, said there was room for improvement, particularly in transportation for the county's program for mentally retarded.

The first half of Hollis's statement was devoted to praising administrators and other key members of his staff. He next listed the reasons for the recent resignations.

Two, he said were for family reasons (to be nearer and spend more time with children and family); three were to return to classroom teaching and the opportunity for tenure and sick leave; one to do graduate work; two to take jobs with districts absorbing a schools office program, and three "for relocation."

"Occasionally a person who does well in one situation may not do well in another, individuals desire to relocate," said the superintendent.

One of the last questions phoned in from a listener told Hollis to "forget the soft soap and tell why they quit."

"I think I've already answered that," Hollis said.

Mrs. White said, as an interested mother, she had talked to schools office personnel and one of the most common complaints was that office policy often changes right in the middle of a project, and the project is not completed.

Other times personnel will be taken from a job to do non-school work such as working with the Elks Lodge or some service group or a committee.

Hollis said the total turnover in county employment in the past year has been 18 per cent, considerably above the turnover in his department.

Bagnani, who restricted his comments to the mentally retarded program, said more counselling is needed and some kind of supervision on buses or else shorter bus rides to classes.

Hollis said efforts will be made to improve in both these directions with the next school year.

The program, moderated by Kitty Oppenheimer, will be rebroadcast by tape recording at 12:30 p.m. Sunday.

## Photographer Wants Trial Venue Changed

Mill Valley photographer Philip Planert, faced with a $25,000 slander suit in San Francisco Superior Court, has asked for a change of venue to Marin County Superior Court.

The suit was brought against him by Kee Coleman Studio of San Francisco because of statements by Planert on radio station KTIM's "Marin Sounding Board" Feb. 14 and 17. The program involved "kickbacks" to high schools by photographers.

## Three Employees Honored In Novato

Kathleen Simkins, deputy city clerk, and Fred Westfall, head building inspector, today were honored by fellow employees of the City of Novato on the third anniversary of their starting work for the city.

The two were the first two employees of the city after it incorporated three years ago last January. A large cake was presented to them at Novato City Hall.

## Water Unit Calls Bids For Tank

Directors of the Marin Municipal Water District yesterday called for bids for a 500,000-gallon steel tank to serve the Marinwood-Lucas Valley area. Bids will be opened June 12.

The district board approved purchase of 27,800 feet of copper tubing, ranging in size from three-quarter inch to two-inch diameter, from the Crane Supply Co. for $10,236.17. Crane was lowest of nine bidders.

Some 100 gate valves were bought from Kennedy Valve Manufacturing Co., also lowest of nine bidders, for $5,763.60, and 142 cast iron fittings from Tyler Pipe and Foundry Co., lowest of five bidders at $2,902.30.

## Motorbike Accident

Charles E. Stack, 38, of 2000 Redwood Highway, San Rafael, was treated for a fractured right collar bone at Marin General Hospital today after he skidded in loose gravel at 9 a.m. while driving his motorbike at Caledonia and Napa streets in Sausalito and fell to the pavement.

## Bolinas-Stinson School Budget Gets Approval

Bolinas-Stinson School District trustees last night approved a tentative 1963-64 budget of $113, 593 and a tax rate of $1.16 per $100 assessed valuation plus 11 cents for bond redemption.

This includes six cents override tax, a one-cent increase over the current year. Last year's total budget was $93,105.

Salary increases were approved for the district's nine personnel. Principal Peter M. Auer was given a raise from $7,000 to $8,250. Four teachers were given raises of about $500 each. Hours of one maintenance man, Leo Kaminski, were doubled, and his salary increased from $1,440 to $3,144. Salary hikes for other personnel were topped by a $1,000 raise (from $5,525 to $6,525) for Frank Vitelli, bus driver and maintenance man, ranging down to $109 for Mrs. Marie Gibson, part-time bus driver.

The board elected Trustee Henry B. Lucaze as chairman until July 1 to replace Mrs. Blanche Eustis, who resigned to move to Berkeley.

Clerk Arthur E. Carpenter reported Merril Grohman, co-publisher of the Pacific Sun, and Mrs. Harry Phillips, both of Stinson Beach, have expressed interest in appointment to the board vacancy. They will be interviewed June 11, along with any other persons notifying Carpenter of their interest. The board will meet June 11 because June 12, the regular meeting date, is graduation day.

# SAUSALITO HOPES TAX UNDER $610,770 MARK

Sausalito will attempt to hold its present $1.25 tax rate under a proposed 1963-64 deficit budget of $610,770, City Mgr. Charles A. Brown said today.

The budget is expected to be up $56,000, or 10 per cent, from the current year.

Breakdown of the tax rate is: general fund, 74 cents; park, 17.8 cents; library, 12.8 cents, and retirement, 20.4 cents.

The tax rate has been firmed up only for general government programs. The library budget tax rate has been established at the 1962-63 level since no budget has been received yet from the library board, Brown said.

Revenues are expected to increase $24,000 or 5 per cent next year, he said. Expenditures will exceed revenues by $99,681. A major portion of this, $45,000, will be made up by a reappropriation of the capital outlay costs for the Spencer Avenue firehouse, while $19,700 represents gasoline tax payments already received and to be spent from the reserve.

It may also be necessary to reallocate funds for Harrison Avenue property, Brown said. The remaining $11,880 will have to be cut out of the budget from other reserves or made up by an increase in parking meter and/or property tax revenues.

Planned salary increases will cost $3,000 over the current year. No new personnel are being requested.

Brown said $46,000 of reserves and current revenues are earmarked for the second firehouse, plus $25,370 to employ four more firemen.

Operation and maintenance fund of $179,000 is increased $15,000 over the current year, main increasses being for legal and engineering fees, street trees, and maintenance programs.

Capital outlay, $12,000 higher than this year, includes increases for street trees, maintenance, lighting and construction plus recreation. Some of these projects include a police patrol car and siren, first payment on a 65-foot snorkel fire truck, a mobile radio set for the ambulance, three trucks, development of Cloud View Park and Richardson Bay tennic courts, and purchase of Harrison Avenue Park.

The city council has set these dates for finance committee budget hearings: June 3 at 8 p.m.; June 8, 9 a.m.; June 10, 8 p.m.; June 11, 8 p.m., public hearing; June 18, 8 p.m., public hearing, and June 25 at 8 p.m. public hearing and adoption.

## Zelinsky Says He's 'In Middle'

Fred G. Zelinsky said today he is "in the middle" between the Tiburon Incorporation Committee and the Belvedere City Council in his proposal to annex a Tiburon site for a new Safeway store to Belvedere.

A small portion of the site, now being graded, is already in Belvedere, he said.

"The annexation that we request is a natural contiguous extension of our Belvedere property on the northeast side of Tiburon Boulevard," said Zelinsky.

"Taxes in Belvedere or Tiburon have no bearing on us," he said, speaking also for his wife Juanita. "Our lease with Safeway is that Safeway pays all taxes and insurance on options of lease for 35 years.

"Just why can't someone do something without questions about motives?"

Zelinsky said, "Annexation of this small area is a natural for Belvedere . . .

"No extra police or fire protection is at all necessary. We have been assured by representatives of each department of this fact.

"Now after two years of withholding our request to annex we have been prevailed upon to offer this small, lucrative, prestige area to Belverere."

## Ecumenical Unit Names Rev. Baker

DES MOINES (AP)—Rev. Wesley C. Baker of the First Presbyterian Church of San Rafael was elected a member of the Commission on Ecumenical Mission and Relations of the United Presbyterian Church today.

The church's 175th General Assembly, which closed here yesterday, sounded a call for closer working ties between Protestantism, Eastern Orthodoxy and Roman Catholicism. And in its final hour, it offered prayers for the health of Pope John XXIII, and paid tribute to his contributions to all Christendom.

The closing session re-elected Rev. Eugene Carson Blake of Philadelphia to a new five-year term as the denomination's chief administrator, the stated clerk.

# Hill Junior High Emptied For Half Hour In Bomb Hoax

Hill Junior High School in Novato emptied yesterday for half an hour after police received a threat that the school would be blown up at 2 p.m.

A 14-year-old girl student was cited to juvenile court for making the threat.

Mrs. Fern Isaacson, police clerk, received the call at 12:26 p.m., during the school's lunch hour. She heard coins falling, so knew the call came from a pay phone.

Principal Robert Patterson immediately emptied the school, Chief McLaren said. Some students told of overhearing the girl make the threat from the phone booth.

The girl later admitted the call, the chief said.

Classes resumed at the regular schedule time of 1 p.m.

# Planning In Marin Is Called Chaotic

Marin County needs one planning commission and one planning staff, instead of the 11 it now has, to bring it out of a "state of chaos," architect Felix M. Warburg of the county planning commission said yesterday.

"The county has 82 planning commissioners for 160,000 people. San Francisco has one commission with seven commissioners for 800,000 people. Here there are 11 planning commissions, 10 in the cities and one in the county," he said. "I firmly believe Marin County is in a state of chaos."

Warburg spoke in the garden of a serene Ross estate to some 50 members of the League of Women Voters of Central Marin, who had gathered for their annual picnic. "Ross," he added, "doesn't have a planning commission, which means it takes twice as long here to get anything approved."

"I would merely like to see chaos turned into disorder, which I define as a state of knowing generally what you want to achieve," said Warburg. He urged county-wide uniform regulations "for such things as lot sizes and sign ordinances."

Turning to the subject of open space, Warburg said: "It doesn't make sense for a city to buy a little patch of land and say, 'This is our park,' when they can put the money with the town next door and have a better park."

Decisions made by planning commissioners, Warburg said, are "very vulnerable to political pressures. In my more cynical moments I think planning commissioners should be elected and then appoint the supervisors and councilmen."

Warburg, a 10-year Marin resident, called himself a "newcomer" to the county. "The people who have lived here all their lives are the first to want to destroy what's here," he said. "The newcomers know what they have here, and they want to save it. Then they're branded with a lot of terms like 'conservationist' said in a derogatory manner."

Warburg defended the right of planning commissioners to tell people how to build on their land, but added that planning commissioners sometimes feel confused about how far the law allows them to go. "As the population becomes more dense," he said, "what one man does affects his neighbor. Then we have the right to regulate."

## Belvedere Annex Plan Opposed

A resolution opposing piecemeal annexation of Tiburon to Belvedere without a study of tax implications was passed by the Tiburon Peninsula Coordinating Council last night.

The resolution will be presented to the Belvedere City Council at its June 3 meeting, according to Branwell Fanning, coordinating council president.

The council also voted to endorse a proposal to make the old St. Hilary's Landmark and surrounding wild flower garden a county park.

New bylaws were adopted providing for an expanded membership.

## Homeowners Unit Changing Name

The Northwestern San Anselmo Homeowners Assn. last night voted to change its name to the San Anselmo Homes Assn.

By-Laws of the Association, which is concerned with zoning of the 425-acre Short Ranch and annexation of the Del May property north of The Alameda, were adopted.

Officers will be elected at the association's next meeting, for which a date has not yet been set. Co-chairmen Rene A. Henry and Thomas W. Stoddard urged members to attend the May 27 meeting of the San Anselmo Planning Commission, when a subdivision map of the Del May property is to be presented.

Agricultural processing in California represents an investment by processors of 800 million dollars in land, buildings and equipment.

## Boat, Saw Stolen

Theft of a chain saw and row boat, valued at $800, was reported to San Rafael police yesterday by Carl Dybel, foreman for Ben C. Gerwick Construction Co. of San Francisco. Dybel said the boat and saw were taken from property between Medway Road and Canal Street on May 11 or 12.

The San Joaquin Valley accounts for about 40 per cent of the state's agricultural production.

# Consumer Rights Called Hard To Protect

Helen E. Nelson, armed with a couple loaves of bread, told a small group of Democratic Party club members last night of the difficulty of gaining legislation to protect the rights of the consumer.

She indirectly blamed the consumer himself.

Mrs. Nelson, state consumer counsel and Mill Valley resident, said lobbyists against consumer legislation work closely with assemblymen and senators in Sacramento and at home all year long.

The consumers, even when organized, usually show up for the first time the day before an important move, she said.

"If you get to see your assemblyman before the election," she said, "he's more likely to remember you after the election." There is also the problem of the high cost of getting elected, she pointed out.

Mrs. Nelson, aided by a staff member from her office, attorney Vincent McKenzie, quickly covered consumer legislation introduced this year, and were pretty solemn about prospects for several important bills.

There is no chance for any bill which would force lenders and instalment credit firms to explain fully the actual cost of the credit, McKenzie told the members of the Marin County Council of Democratic Clubs.

However, Mrs. Nelson said, there will be interim studies on the matter by both houses of the state legislature. She said the proposals automatically unified opposition of banks, retailers, savings and loan associations, and car dealers. Only the credit unions supported the measures.

There were four main areas which the consumer counsel is pushing, with the support of Gov. Edmund G. Brown, the group was told.

Credit legislation is one group. Another deals with food labeling and packaging. A third includes general selling practices, and the last category is with the sale of services.

The last group has the most propects for success, Mrs. Nelson felt, noting support for a measure to create a policing agency for television repairmen. She said representatives of the TV repair industry came to her office and asked for the bill.

In packaging and labeling, there is chance for success of a bill to force printing of the amounts of contents on the front label of a package.

At this point she brought out her two loaves of bread, both the same length. One loaf sells for 31 cents, the other for 37 cents.

She called attention to the small print which reveals the cheaper loaf weighs only about two-thirds as much as the other. It's called a "balloon loaf" in the industry, she said.

# Giants Get Ready For Dodger Invasion

Although the schedule says that this is a day of rest for the San Francisco Giants, they must face their Tacoma farmhands tonight in an exhibition game there.

Then comes the first "crucial" of the season when the Los Angeles Dodgers steam into Candlestick Park tomorrow night for the opener of a three game struggle for first place.

"Everybody satisfied?" Manager Alvin Dark of the Giants asked from behind his desk following yesterday's 10-2 conquest of the Philadelphia Phillies. "Did we get enough hits and runs this time? That's what you wanted to see, I guess."

There had been some dissatisfaction voiced by certain Giants adherents that the club was not hitting at its full potential. But yesterday the club bombed five Philadelphia hurlers for 11 hits including Tom Haller's first grand slam of his career.

The big catcher triggered the blast in the fourth inning to climax as even-run outburst and help Jack Sanford breeze to his seventh win of the season.

Jack Baldschun, the second relief pitcher that manager Gene Mauch of the Phils rushed in during the inning, surrendered the gopher ball to Haller.

"It was an inside curve ball," Haller said, loading up on cheese and crackers in the dressing room afterward. "Sure, it's a great thrill to hit a grand slam for the first time in the majors. But I'm still not satisfied with my batting in general."

Baldschun, who had not given up a homer in his 35 previous appearances, was tagged earlier in the frame for a one-run single by Willie Mays then set the stage for Haller by delivering a bases loaded walk to Willie McCovey.

Willowy Willie had a pretty good day for a guy who was removed for a pinchhitter. First he ripped a line double off the center field fence in the first inning to score Mays. Then in the third inning, he tried to hold back his swing with Felipe Alou on third base but tapped a bleeder in that direction and the Dominican star came across with another run.

Both of McCovey's safeties came off Dallas Green (1-1) who started for the Phils and was removed during the fourth-inning flareup.

Harvey Kuenn doubled for the left-handed hitting McCovey in the sixth inning after southpaw Chris Short began hurling for the losers.

Sanford was working on a four hit shutout going into the ninth. Then he gave up four singles which resulted in the Phils' two runs.

"I wasn't tired," Jack said. "I still was pitching good but they began rapping the ball."

# BOXING SAFETY BILL MOVES ON

SACRAMENTO (AP) — A bill requiring new safety measures in professional boxing moved to the Assembly floor today with the backing of Gov. Brown, who would rather have seen boxing abolished.

The Assembly Governmental Efficiency and Economy Committee approved the bill by Assemblyman George W. Milias (R-Gilroy), yesterday. It carried despite the opposition of Jack Urch, executive secretary of the State Athletic Commission, which is appointed by Brown.

The bill would require the commission to rate boxers by ability and prevent mis-matches, stop fights after two knockdowns in one round, let the commission require bigger gloves, and order a two-year study of headgear, including mandatory use of headgear in at least one preliminary bout on each card.

"There is not a headgear in the world that will save a man from being fatally injured from a blow in the head," said Urch.

"The public is clamoring for some improvements and it's up to us to do something," said Assemblyman John T. Knox (D-Richmond).

The committee also approved bills by Chairman Lester a McMillan (D-Los Angeles), to create a medical advisory committee to the commission and require two physicians instead of one at ringside. McMillan's bill also would give the physicians, as well as the referee, power to stop a fight.

# Dodgers Win Eighth Straight Game; Pirates, Cubs Triumph In N.L. Action

By U.P. INTERNATIONAL

Don Drysdale and the Los Angeles Dodgers have a two-word reply today for National Leaguers who were hoping the 25-game winner of 1962 would fall victim to the Cy Young Award jinx:

"Forget it."

Drysdale backs up his portion of the retort with three straight victories, giving him a 5-4 record, and the Dodgers back up their end with eight consecutive wins, giving them the longest winning streak in the major leagues this season.

The 6-foot, 6-inch pitcher and the Dodgers extended their strings last night with a 7-3 triumph over the New York Mets. The win enabled the Dodgers to remain one game behind the first-place San Francisco Giants, with whom they open a three-game series in San Francisco tomorrow night. The Dodgers swept their first three-game series of the season with the Giants, May 10-11-12.

Drysdale started slowly this season and N.L. Rivals hoped he might be victimized by the pitcher of the year award which previously had claimed Don Newcombe, Bob Turley, Vern Law and to a slightly lesser extent Early Wynn in the year after each won the honor.

But last night Drysdale was sidearming bullets behind an 11-hit attack that included homers by Tommy Davis and Frank Howard. The only hits off him were homers by Duke Snider and Tim Harkness and he struck out six while walking three. His six strikeouts ran his career total to 1,301 and the Dodgers now have won 11 of their last 12 games.

The Giants blitzed the Philadelphia Phillies, 10-2, the Pittsburgh Pirates nipped the Houston Colts, 4-3, and the Chcago Cubs scored a 7-6 11-inning triumph over the St. Louis Cardinals in other N.L. action. Cincinnati at Milwaukee was postponed by cold weather.

In the American league, the New York Yankees defeated the Kansas City Athletics, 8-7, the Baltimore Orioles shaded the Detroit Tigers, 2-1, the Los Angeles Angels topped the Cleveland Indians, 7-6, the Chicago White Sox whipped the Washngton Senators, 9-3, and the Minnesota Twins beat the Boston Red Sox, 3-1.

Don Nottebart, in his first start since pitching a no-hitter against the Phillies on May 17, carried a five-hit shutout into the ninth before the Pirates rallied for all their runs. Bill Mazeroski's double started the flareup and a walk and singles by Smokey Burgess and Donn Clendenon chased Nottebart in favor of Don McMahon. Then an error and Roberto Clemente's two-run double completed the game-winning rally, which gave Earl Francis his second victory.

Ken Aspromonte singled home the Cubs' tying run with two out in the ninth and also singled home the winning run with two out in the 11th. Ron Santo had a three-run double for the Cubs and Stan Musial and Bill White homered for the Cardinals.

## HONOLULU IS WAITING FOR BO BELINSKY

HONOLULU (UPI) — If Bo Belinsky gets sent down by the Los Angeles Angels to Honolulu, the islanders are ready for the colorful lefty.

Trainer Tom Takomori says he has a locker ready for Belinsky, with his name already pasted on it.

Belinsky is staggering along with a 1-7 record for Los Angeles this year and reports have been heard that he might be sent down or traded.

But manager Bill Rigney says Belinsky will spend time in the Angel bullpen, but will stay with the team.

# All-League Teams Picked For MCAL

The Marin Athletic League baseball champion Drake High School Pirates club placed two on the first team and four on the second squad of the All-League teams picked last night by the coaches of the loop.

Drake hurler Steve Miller, a senior who posted a 5-1 record in the league, and outfielder Lon Gallagher, a junior who batted a hefty .417, were first team selections from Drake.

Drake baseballers who were named on the second team were junior pitcher Charles Simontacchi, senior third baseman Hamish Tyler, junior shortstop Terry Tadlock, and junior outfielder Lorry Galassi.

Redwood and Terra Linda, second and third place winners in the league, each placed three men on the first team. There were five seniors, four juniors and on sophomore on the 10-man first team.

Other members of the first team were pitcher Bill Lee (6-2) of Terra Linda, junior; catcher Mike Congdon (.394) of Terra Linda, senior; first baseman Jack Baglietto (.325) of Redwood, sophomore; second baseman Dick Schultze (.323) of Terra Linda, senior; third baseman Terry Jarcik (.280) of Redwood, senior; shortstop Nick Willard (.297) of Novato, junior; outfielder Steve White (.351) of Redwood, senior, and outfielder Dave Beswick (.500) of Marin Catholic, junior.

Other members of the second team were pitcher Scott Davi of Redwood, junior; catcher Ron Rowell of Novato, sophomore; first baseman Fred Mack of Tamalpais, senior; second sacker Kit Bricca of Redwood, senior; outfielder Tom Miller of Novato, junior, and outfielder John Odetto of Marin Catholic, senior.

# Hodges Moves From Bottom To Bottom As New Manager

WASHINGTON (AP) — It may not seem like an improvement—moving from the 10th place New York Mets to the 10th place Washington Senators—but old Dodger Gil Hodges seemed happy about it.

Hodges remained undaunted after watching first place Chicago trounce the Senators 9 to 3—their 10th loss in 11 games—last night a few hours after he was named manager to replace Mickey Vernon.

Tonight Hodges will take charge of the club as they travel to Baltimore to play the Orioles, tied with Chicago for first place.

**SLOW CHANGES**

Quiet, soft-spoken as a player, Hodges also had little to say as a manager, repeating after the game what he had said earlier—that he would be slow to make any drastic changes.

"You get a different view up here in the stands than you do down on the field," said the former slugging first baseman for Brooklyn and Los Angeles Dodgers and the New York Mets, who seldom has seen a game from the stands in the past 20 years.

Hodges and his wife, Joan, sat with General Manager George Selkirk during the game.

Earlier, Selkirk had reshuffled his ball club management with surprising speed. Hodges, for example, was first contacted only about 24 hours before he got the job.

As a part of the changes:

1. Vernon, fired as manager, will remain as Selkirk's administrative aide.

2. Coach Case was released as a coach and will handle special assignments for the Senators.

3. Danny O'Connell, manager of Washington's York, Pa., farm team in the Eastern League, will replace Case as first base coach.

Hodges said the coaching shift was Selkirk's idea, adding that he planned to stick with the remainder of Vernon's staff until the end of the season. Hodges' contract extends through the 1964 season.

**OLD DODGER**

A native of Princeton, Ind., Hodges played his first game with the Dodgers in 1943. He came to Brooklyn to stay in 1947 and still makes his home there.

He played in seven World Series with the Dodgers and was a member of their world championship teams of 1955 and 1959. Eight times, Hodges was named to the National League All-Star team.

He was drafted last year by the Mets when the National League expanded to 10 teams.

## Pallavicini Is Released By Detroit Club

Vince Pallavicini of San Anselmo has been cut from the Thomasville, Ga., baseball team of the Georgia-Florida League and has been handed his release from the Detroit Tiger system, it was learned today.

Pallavicini returned home from Georgia last week after playing in a pinch-hitter role for the Thomasville team. He had collected four hits in seven trips to the plate, with two of the hits doubles.

But the team was loaded with outfield strength and Pallavicini said yesterday the manager of the Class A team wanted to make a pitcher out of him. He did not appear in a game as a pitcher, however.

Vince, a product of Drake High School, hopes to again get a chance in pro baseball. Although he hasn't pitched since he was 14, he said he may try the professional game as a pitcher. He is now a free agent.

INTO ORBIT?

# Mantle Wallops 500-Foot Homer

By U.P. INTERNATIONAL

The dateline was New York, May 22 — Gordo's day and Mickey's Night.

Astronaut Gordon Cooper "owned" the big town yesterday during a tumultous ticker-tape parade and dinner, but the night belonged strictly to fellow Oklahoman Mickey Mantle.

Of course, Mantle, or anyone else for that matter, would have to go a long way to match Gordo's 22 trips around the World in a capsule, but Mickey came close to accomplishing what no other major league player ever has done in the 40-year history of Yankee Stadium, and that includes such stars as Babe Ruth, Lou Gehrig and Joe DiMaggio.

Mantle, who had hoped Cooper would find time in a hectic schedule to attend last night's game, almost sent a baseball into orbit when he crashed a homer—"The hardest hit ball of my life"—against the uppermost facade of Yankee Stadium, a liner 119 feet in the air and 500 feet from the plate. The drive, which still had "rise" when it bounced off the facade, gave the Yankees an 8-7 victory over the Kansas City A's in 11 innings.

Had the ball cleared the facade atop the third tier it would have been the first fair ball ever hit out of the mammoth stadium. As it was, it topped any of the tape-measure homers the Oklahoma kid has unloaded in a brilliant major league career, even the celebrated 565-foot homer he ht in Washington in 1953.

"That was the hardest hit ball any man ever hit," said Kansas City coach Jimmy Dykes, who as a player, coach and manager has seen some of the game's brightest stars through the years.

## Bob Knudsen Has Been Interested In Boats For The Past 26 Years

The word "tradition" means something handed down from the past; an inherited culture, attitude, etc. The word "Chris-Craft" fits this like a glove. When the word is mentioned, people have an attitude, one of the utmost respect. In the years of this company's progress, it has developed and designed new concepts in hull design, comfort appointments and great beauty appeal.

In Marin County, the abode of the Chris-Craft sales is on boat row, out Third Street, San Rafael. The business is owned by Bill Denton, building contractor, and by Bob Knudsen. This is Denton's first venture in the field of boat sales, yet he has picked up this difficult knowledge quickly.

**LIVING IN** San Francisco, Knudsen became interested in boat and motor sales back in 1937. At that time he was employed by Johnson Outboard Sales and Service where he worked for the next five years; from that spot he shifted his interest to the California distributor for Evinrude Motors.

Next job change found him engaged in the big interest of his life—Chris-Craft. This was the year 1940.

Prior to World War II he found himself caught up in the hair-raising excitement of boat racing. He reminisced, "I palled around with boat racers. We entered the Bay Area races and traveled all over California. In those days I raced with a Class-A hydroplane outboard."

**"WHAT WAS** the win?" we asked.

"Lots of experience, fun, now and then a little trophy—and an occasional dunking."

The war started. Gas rationing started. Boat racing stopped. Bob went to work at McClellan Air Force Base near Sacramento. After the war he went back to racing. This time it was inboards. He operated a 135-cubic-inch hydro that made 90 mph. Climaxing this dangerous hobby, he won the Western Divisional championship.

**IN 1952**, the John G. Rapp Co. of San Francisco had expanded a branch store to San Rafael, and Bob took over as manager. In a few years Rapp gave up the Marin operation. However, Bob stayed on as manager through two more ownerships, until the present partnership.

If there is a smidge of doubt in your mind as to what the 1963 Chris-Craft is—then go to the Northern Pacific Railroad tracks in the area of the Greyhound Bus Depot. There they sit on flat cars . . . so beautiful! Luxurious!

"It's not hard to find the size craft you want in a Chris-Craft," Bob explained, going into dimensions. "Just one of our lines, the 1963 Cavalier covers everything from our 16-foot custom ski boat to the queen of the fleet, the 65' Motor Yacht."

**FOR THE** first time, the company is also putting out a "goodie" for the sailing enthusiast. This 35-foot auxiliary yacht is a one-piece fiberglass-hulled craft carrying sloop rigging and has a self-bailing cockpit. Decks are non-skid fiberglass, with elements of teak and mahogany in the interior as outer trim and brightwork. Sleeping for six is assured with two staterooms, aft and forward. A 60 hp Chris-craft gasoline auxiliary (diesel optional) furnishes power. She's 28 and one-half feet on the waterline, and 11 feet in beam.

Sometimes Bob takes his Chris-Craft owners on trips. He says, "I find this one of the most enjoyable facets of this business. The fourth of July I usually take some of them along on a trip to Monterey . . . gives them a little "blue water experience." A recent cruise took him to San Diego and another to Portland. The Portland voyage was made to deliver a 47-foot Chris-Craft Bucaneer to a customer residing there.

**WHY WOULD** someone in Portland buy a boat in Marin County? It seemed peculiar . . . even eccentric.

The explanation was: This fellow was just passing through. He thought he'd just look at a few boats. He saw this Chris-Craft and couldn't resist. Simple, huh?

Still, it does seem . . . with all the boats in Portland . . . hum-m-m-m. . . .

## San Rafael Golf Team Wins Two

San Rafael High School's golfers Tuesday won a pair of duel matches from Marin Catholic, 6-0, and Redwood, 3½-2½, in make-up Marin Athletic League action at the Marin Golf Club.

It was the first loss for Redwood in league action as the Giants ended their season with 10 wins, one loss and one tie and the 1963 championship of the MCAL.

San Rafael winners against Marin Catholic were Bruce Wold, Tom Degenhardt, Craig Ballentine, Jim May, Mike Collier and Steve Weschler.

# The FISHIN' FOOL

By RALPH STEVENS
IJ Fish and Game Writer

## If You Have Any Fishing Questions It Will Help This Reporter's Book

STEVENS

A very interesting letter came in recently. It reads: "Dear Mr. Stevens: I have been told that the Delta waters around Byron have many types of fish. However, I don't have any idea as to what type of bait, size of hook, or even what the fish really look like. Would it be possible to have the varieties of fish, types of bait either published in your column or sent to me?"

WHY "VERY" interesting?" Because, as I stated in a previous column, I am now in the course of compiling such general information in book form. There must be hundreds, even thousands of newcomers to northern and central California who need such information. Hence, I would like to hear from anyone wishing same. I can't, of course, answer each request individually, but I can incorporate the questions and answers in the book. So send me your problems, you beginners and you newcomers.

Regarding the request of Lee Tennant of Pleasanton, the Delta region does have a number of different types of fish, the main ones are: Catfish, striped bass, crappies, bluegills, shad, sturgeon, sunfish and large-mouth black bass. More anglers fish for catfish than all the other species combined, with the striped bass running a close second. In all spots where catfish are found, there also may be found striped bass. The best bait is cut sardine.

FOR CATFISH, a rather small (a 1/0 or a number one) long shank hook is preferred; for striped bass, the same rig as used for stripers in the bay waters with a somewhat larger hook (3/0—4/0). For black bass, live minnows or a plug. For crappies and bluegills, same rod, reel and line, but with very small hooks and very small pieces of bait. Shad are usually fished for at night with a wire-mesh net. Sturgeon are not really fished for; they are accidentally caught while fishing for other species.

I admit the above is a very sketchy answer to the request, but space will not permit much more. I suggest that Tennant and others join, or at least attend, a meeting of a rod and gun club in his area, or that he contact a reputable bait-shop owner for the dope on how to get to certain spots and what to do when he gets there.

## Emil Bianco Will Be Honored At Marin Banquet

An Emil Bianco testimonial stag dinner, open to the public, will be held June 21, 7:30 p.m., at Dominic's Restaurant in San Rafael, it was announced today.

Tickets, priced at $5 per person, are available at Western Sport Shop and Livewire Lindskog Real Estate, both in San Rafael, and at Varney's Hardware in Mill Valley.

The dinner is being staged by the Ducks Unlimited Committee of the Marin Rod and Gun Club. The benefit of the dinner will go toward the start of a Ducks Unlimited chapter in Marin County, Bob A. Lindskog said.

The dinner will honor Bianco, a long-time resident of Marin and former proprietor of Bianco Motors who now resides in Sonoma.

# Dick Dillehay Tops Action At Country Club With 917

Dick Dillehay shattered the pins in the 540 Scratch League for a four-game series of 917 to lead all bowlers at Country Club Bowl for the week.

His fine series included games of 268, 255 and 225 as he topped the keglers in both series and individual game scores. His four-game performance was at at average of 229 a line.

## WATCHDOG HIRED

# Policeman For NFL

ST. LOUIS (AP) — The National Football League took additional steps yesterday toward preventing a recurrence of the betting incidents that rocked the league last season.

Commissioner Pete Rozelle announced the hiring of James E. Hamilton of the Los Angeles intelligence division of the police department as a special aide "to prevent undesirable associations of which the players may be unaware."

The commissioner said the appointment of Hamilton "is more intelligence than investigative, but there may be some investigations."

The announcement came at the annual spring meeting of NFL club owners, the first such meeting since Rozelle indefinitely suspended Paul Hornung of the Green Bay Packers and Alex Karras of the Detroit Lions April 17.

Hamilton, 53, who will take the post June 1, has been a Los Angeles police officer for 26 years.

## THEY WILL SING SATURDAY

These soloists will be featured during a spring choral concert Saturday by the College of Marin Community Chorus. The performance includes works by Mozart, Vivaldi, Handel and "Festival Te Deum" by Dr. S. Drummond Wolff, chorus director. They are (from left) Byron Jones, baritone; Alice Taylor, contralto; Carole Bogard, soprano, and Kenneth Rowland, tenor. Accompaniment will be provided by Dr. Wolff at the organ and by brass and percussion. The concert will begin at 8:30 p.m. at the Marin Catholic High School. Admission free.

# Scouts Planning Weekend Camporee

"Be Prepared—Be Fit" is the theme of the Marin Boy Scout Council Southern District Camporee to be held Saturday and Sunday at Camp Tamarancho, above Fairfax.

Registration will start at 8 a.m. Saturday, followed by flag raising and competitive hike events which include first aid, axmanship, knot-tying, scout pace, tent pitching and obstacle course. A campfire will be held in the evening.

On Sunday a "Scouts' Own" will be held at 7 a.m. followed by events such as a four-way tug-of-war, chariot race and clothes race. Demonstrations in rifle, archery, fly casting, first aid and lashing will also be held on Sunday. The closing ceremony is scheduled for 2 p.m.

Patrols are responsible for their own menu planning and food supply and will hike from the check-in to the campsite, back-packing all equipment. Patrols must bring their own cooking utensils, axe and shovel, tents, food and patrol flag. Wood will be available.

Tom Decker of Mill Valley is general chairman of the Camporee.

### Math Classes For Teachers Planned

A University of California Extension course in "Mathematics for Elementary School Teachers" will be held this summer in San Anselmo at Isabel Cook School. Classes will meet from 1:30 to 4:30 p.m., Monday through Friday, beginning June 17.

The course is planned to acquaint teachers with the new mathematics curriculum. Further information may be obtained from University of California Extension, Berkeley.

### Accepted By Cal Poly

Michael Nance, son of Mr. and Mrs. T. O. Nance of 562 Idylberry Road, Marinwood, has been accepted as an electronic engineering student at California State Polytechnic College, San Luis Obispo, starting this fall. He is now a senior at Marin Catholic High School.

### Piano Scholarship To Seventh Grader

Debbie Fialkowski, a seventh grader at Sleepy Hollow School, won a $100 piano scholarship at the San Francisco Conservatory of Music where she has been studying for three years.

She is a daughter of Mr. and Mrs. L. D. Fialkowski, 890 Butterfield Road, Sleepy Hollow.

### To Study Spanish

Josephine L. Smith, a teacher at the Davidson High School in San Rafael, will attend a summer institute for elementary school teachers of Spanish at Sonoma State College in Cotati, June 24-Aug. 9.

### United Fund Meet

Directors of the Marin United Fund will meet at 8 p.m. next Tuesday in the supervisors chambers at the Civic Center. One of the items on the agenda is a request from the Family Service Agency to establish a branch office in Novato.

## LEADING THE LAWYERS' WIVES

The Belvedere home of Mrs. Lloyd M. Tweedt was the setting yesterday for the luncheon and installation of new officers for the Lawyers' Wives of Marin, when Mrs. Francis Walsh, left, received the president's gavel from Mrs. William MacKay, retiring president of the group. Arthur Lebow, president of the Marin County Bar Assn., installed the new staff at the luncheon gathering.

MARIN'S SOCIAL WHIRL

# Dinners Will Follow Cruise Of Fans To Candlestick Park

By FLORENCE DONNELLY

It will be a gay boatload which will cruise from The Dock Restaurant in Tiburon Saturday to Candlestick Park to see the Giants and Dodgers play. About 300 members of the Sunny Hills Junior Auxiliary, which is sponsoring the cruise to Candlestick, their husbands and other baseball fans will be aboard.

Numerous dinner parties will be held in Marin County after the game. Mr. and Mrs. Walter Meinberger will have as their guests for the shipboard party Dr. and Mrs. Bernard Stone, Dr. and Mrs. Lee Cecil, Messrs. and Mesdames David Dorward, James Barnett, Stanley Eager, William Ingersoll and Walter Goepp. After the game they will go to a no-host dinner.

Mrs. Samuel Crowell of San Rafael, who is in charge of the event, will have a big day because when the boat docks in Tiburon after the game she and her husband will go on to a no-host dinner party at the San Anselmo home of Dr. and Mrs. Donald Gallagher. Also present will be Dr. and Mrs. Arnold Nutting, Mr. and Mrs. Paul Hartman, Dr. and Mrs. John Elliott.

Mrs. Francis Di Grazia, who was in charge of reservations, won't be able to go to the game because her husband will be arriving home from New York that day. He will, however, be home in time for the dinner party to be given by Mr. and Mrs. George de Urioste of Mill Valley. Other guests will be Dr. and Mrs. Kleve Johnson and Mr. and Mrs. Kimball Palm.

**THE OPENING OF THE POOL** at Lagunitas Club was the occasion for Saturday night's formal dinner dance. Most of the women wore summer evening gowns and the men donned white dinner coats for the event, which was attended by many long-time members as well as some newcomers. Mrs. Martin Chase is the club's entertainment chairman. She and her husband were in a group enjoying cocktails beside the pool. Among the long time members were the Sanford Lowengarts, Paul Scott Fosters Jr., Olaf Holters, Robert Dicksons, Howard Allens, Harry Johnsons III, Thomas Stines, Mr. and Mrs. Percival Scales, Mr. and Mrs. John Lewis and Mr. and Mrs. Desmond Mactavish.

**MR. AND MRS. FRANK B. WILLIAMS** have returned to their Sausalito home after a month's visit in the East. One of many highlights was their stay with Col. and Mrs. Alan B. Shepard at their home in East Derry, N.H., and a trip with them through the New England states. The Shepards have been friends of Frank and Margaret Williams since their sons, Robert B. Williams, now of Menlo Park, and Alan Shepard, a Navy commander and one of the famous astronauts, were classmates at the United States Naval Academy at Annapolis. Commander Shepard, it has been reported, will be pilot for two-man Gemini flights. Frank and Margaret with Colonel and Mrs. Shepard saw on TV the epic takeoff of Gordon Cooper in his space flight from Cape Canaveral.

Mr. and Mrs. Williams, who traveled by train, went first to Washington, D.C. They were taken on a tour of the White House and were at sessions of Congress as guests of California's Senator Thomas Kuchel and Congressman Don Clausen.

Frank, a long time member of Mill Valley Post of the American Legion and former California Department chairman of conservation, visited American Legion headquarters and saw the fall-out shelter, which can house 500 people, in the basement of the building. Frank had a visit with General Hershey, head of Selective Service. Frank and Margaret were with friends in Annapolis and attended Sunday services at the chapel where a brigade of midshipmen marched in.

Frank and Margaret were a week in New York and were entertained by Mrs. Helen Ludolph, formerly of Sausalito, who now lives in Hyde Park. Helen is a past president of the Sausalito Woman's Club. The Sausalito couple stayed overnight in Danbury, Conn., as guests of Mr. and Mrs. Harry Mallory Jr. Mrs. Mallory will be remembered in Marin as the former Gloria Dodd. When Frank and Margaret were in East Derry they visited the church built in 1791 where Colonel Shepard plays the organ.

**MRS. WILLIAM IRWIN** of Kentfield has returned from a visit with her son-in-law and daughter, Col. and Mrs. William Augustus Simpson and their only daughter, Sandra Lee, whose home is Sandywood in Lorton, Va. Colonel Simpson is a reserve officer in the Marine Corps. Mrs. Irwin flew to Washington, D.C., and her plane landed at the new Dulles Airport. Mrs. Irwin had the thrill of seeing Sandra Lee, who is 14, ride her horse in a show at Woodbridge. Mrs. Irwin also visited with friends in Richmond and Alexandria. She said the pink and white dogwood along the banks of the Potomac was in full bloom. In July Mrs. Irwin's sister, Mrs. Lillian McCausland of San Bernardino, will arrive for a visit.

# Wallace Hayes Claims Bride At Ceremony In Daly City

A nuptial mass performed at 12 o'clock Saturday at the Holy Angels Church in Daly City united in marriage Evelyn Demattei of Daly City and Wallace A. Hayes of Mill Valley.

The Rev. Richard Long officiated at the double ring rites.

When the bride, who is the daughter of Mr. and Mrs. James Demattei of Daly City, was given in marriage by her father, she was wearing a floor-length gown of white peau de soie with chapel train.

Her attendants—all gowned in green taffeta dresses with bell skirts—were her sister, Mrs. Ambrorse Aliotto of San Francisco, matron of honor; and the bridegroom's three sisters, Mrs. Harold K. Oyen of San Francisco and Nancy and Carole Hayes of Mill Valley, bridesmaids.

Wallace, or Arleigh, as he is better known, is the son of Mr. and Mrs. William Wallace Hayes of Mill Valley. Serving him as best man was his brother-in-law, Harold K. Oyen. Ushers were the bride's brother, James Demattei of Colma, Herbert Damner of Ross and Clayton Mote Jr. of Berkeley.

A reception at the Elks Club in San Mateo followed the ceremony, and the young couple left afterward for a honeymoon in Northern California and Southern Oregon. They will live in Sacramento, where Wallace is employed in the industrial division of the Goodyear Rubber Co.

The new Mrs. Hayes was graduated from high school in Daly City, attended a modeling school and did some professional modeling. Before her marriage she was employed as a secretary in San Francisco.

Her husband is a Tamalpais High School graduate and attended the College of Marin.

## Spring Awards Dinner Set At Tamalpais High School

The Tamalpais Girls' Athletic Assn. will have its spring awards dinner in the girls' gym on Wednesday.

The event following an Indian summer theme will begin at 3:15 p.m. with a swim party. From 5 to 8 p.m. graduating seniors will be honored at this final farewell with dinner, entertainment and presentation of awards.

Committee includes Donna Drexler and Sandy Eastburn, decorations; Dixie Piver, program; Betty Basom, tickets; Chris Castle, publicity and arrangements; and Lauretta Smith, food.

Highlight of the evening will be presentation of the C. R. Ellis trophy, awarded to the graduating senior girl who has participated in GAA for eight semesters.

## COLLEGE OF MARIN FASHION SHOW, TEA PLANNED TUESDAY

The College of Marin home economics department will hold its annual spring fashion show and tea at 3:30 p.m. Tuesday in room 29, Austin Science Building in Kentfield, Mrs. Mary Fedde, home economics instructor, announced.

The show will feature fashions made by students in clothing construction and tailoring classes.

Models are Lynn Crawford, Virginia Buttrum, Katherine Jenkins, Laurie Orr, Scarlet Possi, Ellen Ogreid and Suwapha Songsiridej, all of Kentfield; Mary Wallace, Frances Zeraga, Nancy Carusome, Gail Lowman, Rita, Werner, Marian Kuwamata, Peggy Lochner and Virginia Frugoli, all of San Rafael; Ellen Ahola of Fairfax; Linda Edwards of Hamilton Air Force Base; Margaret Furnas, Karol Lindenbaum and Carol Isola of San Anselmo and Eileen Gilies of Woodacre.

# Susan Ann Niggeman To Wed On Aug. 17 At St. Raphael's

SUSAN ANN NIGGEMAN

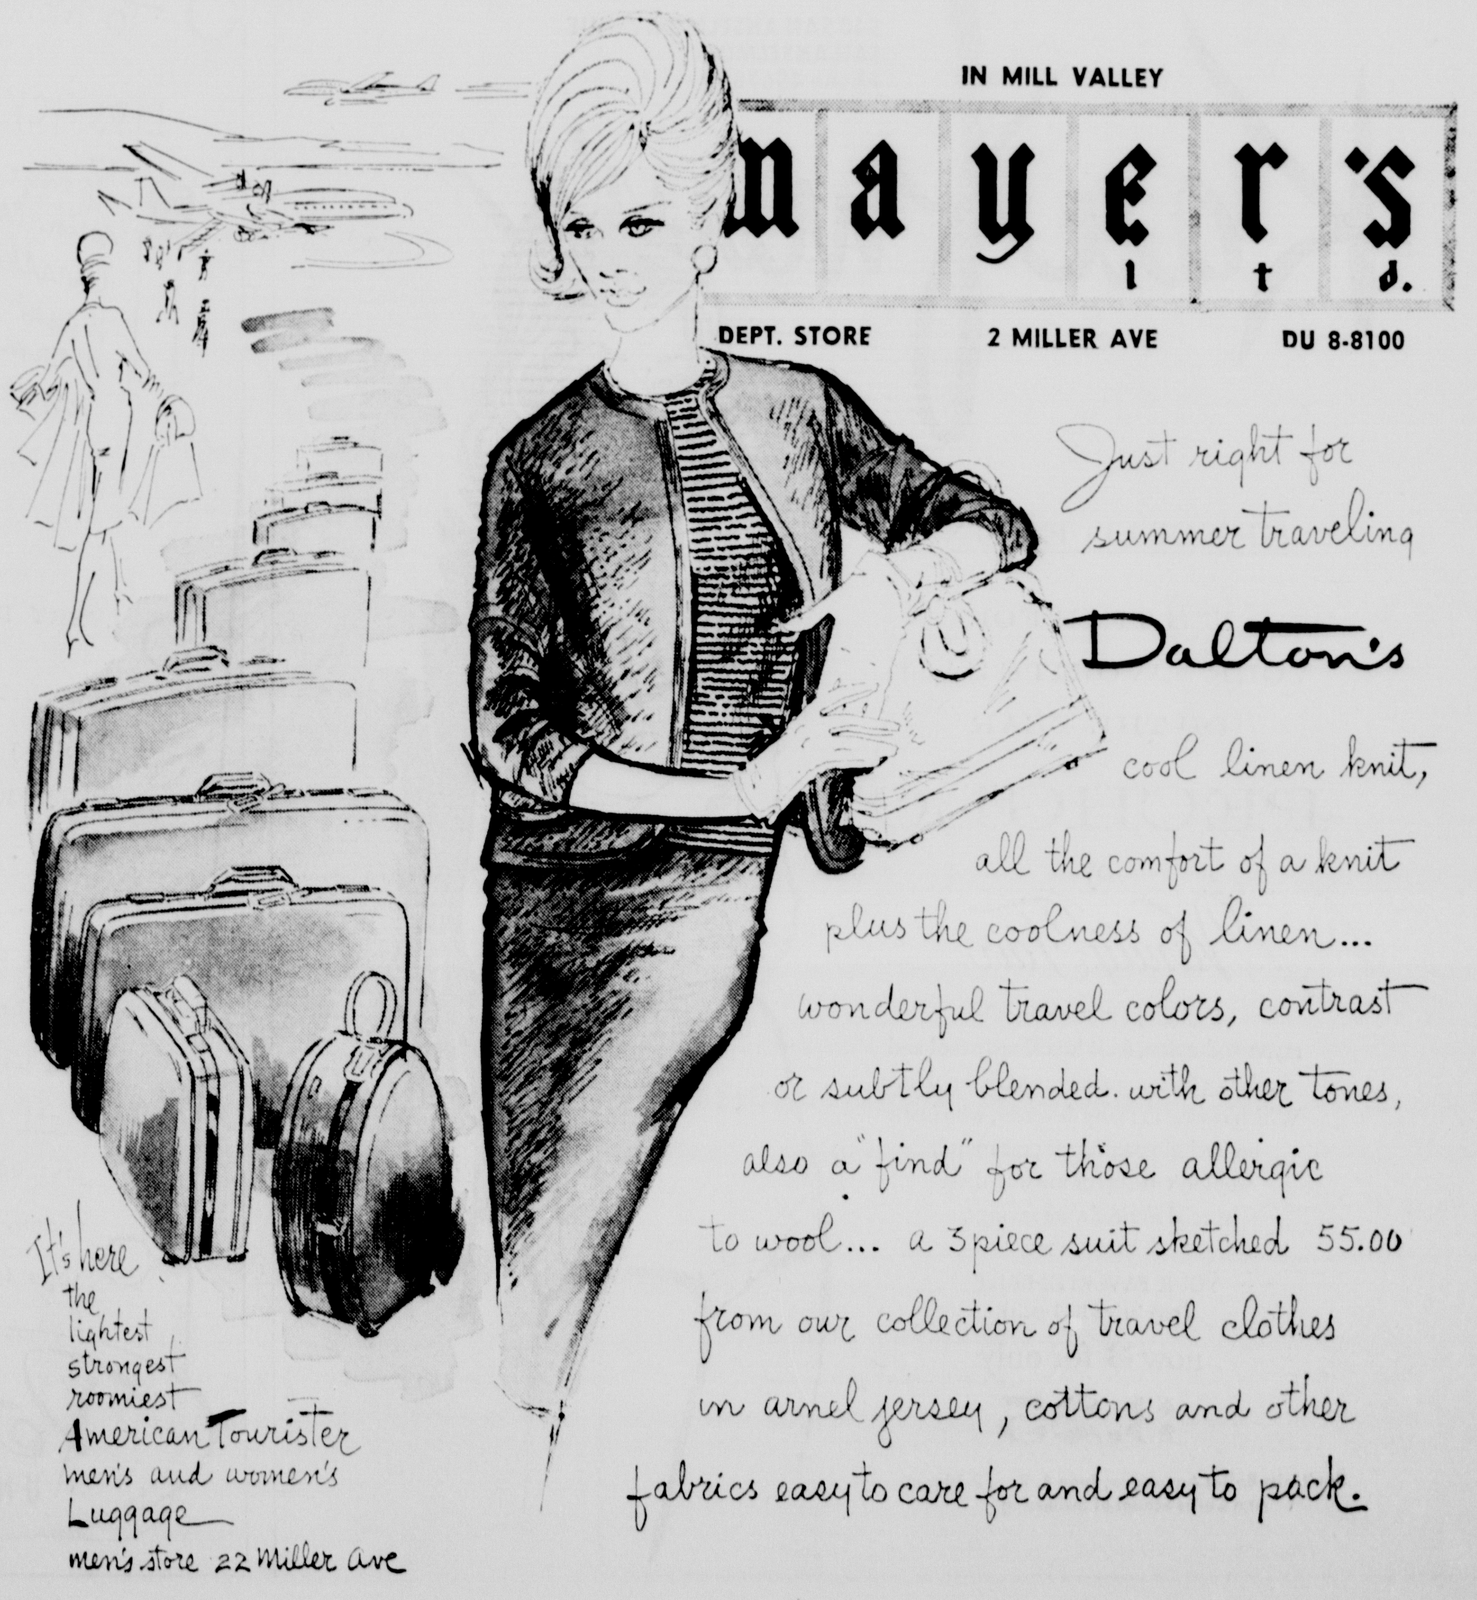
The engagement of Susan Ann Niggeman and Alberto de la Cruz Alarco of Madrid has been announced by her parents, Mr. and Mrs. Louis W. Niggeman of Sleepy Hollow. The bride-elect is the sister of Jon Niggeman, a student at Menlo College, and Peter Niggeman, who attends the Orme School in Arizona.

The granddaughter of Mr. and Mrs. F. K. Rowe of Corte Madera, Susan was graduated from Dominican Convent and is a senior at Southern Methodist University. She spent her junior year studying at the University of Madrid.

The future bridegroom is the son of Sr. and Sra. Amado de la Cruz of Santa Cruz de Tenerife, Canary Islands.

He was graduated from University of Madrid Law School and attended Bowling Green University in Ohio and the University of Tours and Alliance Francaise in Paris. He is director of the foreign department of a Madrid insurance firm.

The engagement was announced to the Alpha Delta Pi sorority sisters of the bride at Southern Methodist University. The couple plans a wedding Aug. 17 at St. Raphael's Church in San Rafael and will reside in Madrid.



## SETTING THE SCENE

With smock and palette Marin artist Mrs. Jerrol Flood, right, sketched the summer scene at yesterday's "Color Me For Summer" fashion show luncheon of the Larkspur-Corte Madera Guild at the Meadow Club. Model for the artist was Mrs. Earl Popovich.

# Over-Slashed Darts Are Cured With Strips Of Iron-On Tape

By EUNICE FARMER

"I took the pattern instruction too literally and slashed the darts in my skirt open too far. Now they are raveling out. I used iron-on mending tape cut in strips to cover the dart seams and this backing certainly solved the problem for me.

"When should darts be slashed open safely?" — Mrs. R.A.Z.

**Dear Mrs. R.A.Z.:**

I usually recommend slashing the darts on the fold line and pressing them flat (or open) only when they appear in a jacket that will be lined. In this way the fabric will not be pulled constantly. It is necessary to press open only darts that are made in very heavy fabrics.

**Mrs. M. Says:**

"If you're a gardener with a green thumb, and do a lot of bending and kneeling, give added protection to your knees by adding a large patch pocket (about 6½" by 8") to the knees of your trousers, or slacks. Sew 3 sides to the slacks, then apply a slide fastener on the top.

"Slip pads of ¼" foam rubber into these knee pockets. They will provide wonderful comfort and protection of knees and are easily removed for laundering."

"Appliques, so popular now for children's clothes as well as casual clothes, are much easier to apply if you will back your applique material with press-on type interfacing. Then when you cut the design and sew it on, you will not need to turn it under. There will be no fraying or raveled edges."

Mrs. D. A. Fiddes, Webster, Mass., sent this suggestion and has won the tailor trix pressing board award for this week.

"The finest pins I could find still made marks on my very fine silk. How would I go about using pins for this, or should I baste instead?"—Mrs. M.F.

**Dear Mrs. M.F.:**

In most cases, a fine silk pin will work beautifully in the very sheerest fabrics. However, if they mark, use No. 10 or No. 11 needles instead of pins. You must also remember to use a very fine sewing machine needle. If your needle is the least bit blunt, it will pull threads in the fabric.

"Fashions come and go for almost everyone. But to a square dancer, they remain basically the same. Please have a heart and tell us how to make a Broomstick skirt and, even more important, how to wash it without losing the original pleated effect. These dresses are very expensive and we can't replace them often."

I've always had a suppressed desire to learn to square dance. Thanks for reminding me before it gets too late.

These squaw skirts are very full (at least 4 widths of fabric) and may be made in one piece or in 3 tiers of ruffles gathered on to each other. In any case, you should reduce the excess fullness at the waistline by a series of darts about 4 inches long.

After the skirt is completed or washed, moisten in water and lay it on a table. Stretch and pull the fabric to straighten it so the fullness is even from hem to waistline. The newest method, I'm told, is to carefully pull the entire skirt through a nylon stocking (that has the foot cut off).

Tie the skirt tightly in 4 to 6 places. Hang up to dry on a windy day so the skirt will not mildew from remaining wet too long. The new drip-dry fabrics are perfect. If you follow these directions carefully, your skirt will have a fine pleated effect and these pleats will stay in surprisingly long.

MR. AND MRS. James P. Doyle are shown following their recent wedding at St. Paul's Episcopal Church, San Rafael. The bride, the former Katherine Ann McCorkle, is the daughter of Mr. and Mrs. Robert G. McCorkle of San Rafael.

# Mill Valley Neighborhood Party To Be Bon Voyage

This year's annual Alta Vista Avenue Neighborhood Party in Mill Valley tomorrow night will also be a bon voyage affair for three couples who will be going to Europe.

Some 60 people are expected to attend.

The party will be progressive, starting at 7 o'clock with cocktails at the home of Mr. and Mrs. Joseph Jordan. The pot luck dinner will be held at the home of the Charles Mayers. Mrs. Mayer is general chairman.

The prospective travelers who will be guests of honor are the Warren Leforts, William Caronis and Thomas Bruces.

For the Bruces it will be good-bye for at least three years, for Bruce, an American Red Cross field director in charge of services to the military at Treasure Island, is being transferred to Kaiserslautern, Germany.

He will be continung his present duties in connection with some 30,000 Americans in the area.

Mrs. Bruce will join him as soon as housing is available.

# Redwood Address Set By California Dean

On June 10 the Redwood High School Parent-Teacher Assn. will honor life members of California Scholarship Federation and life members of the honor society at their annual scholarship awards dinner at Sabella's at 7 p.m.

Miss Katherine A. Towle, dean of students, University of California, will be the speaker. She served as senior editor of the University of California Press for eight years. She accepted an appointment as first director of women of the Marine Corps, and is now a retired colonel, U.S. Marine Corps. She has been dean of students, University of California at Berkeley since 1961.

Mrs. Malvern Dorinson, chairman, announced that reservations chairman is Mrs. Thomas Rogers.

# Police Badges Being Worn More Proudly Now In Marin

The big testimonial and benefit banquet for Marin's championship pistol team held at Dominic's Saturday night was a memorable affair.

As Attorney General Stanley Mosk, the guest speaker, observed, it was significant that a benefit dinner was held to raise funds to send the team to the national matches next month in Indiana. This enabled the community to participate directly and personally, which seeking a tax handout from the county treasury would not.

As Mosk further observed, the three-time winners of state championships are a credit to Marin law enforcement, the county generally and to the state.

The five—Capt. Sid Stinson, Lt. Carl Sears, Sgt. Ed Levine and Deputies William Johansen and Ernest Neilsen—are all sheriff's officers. And it was noted that they carry their full load of assigned law enforcement duties as well as participate in the pistol team's activities.

It was heartwarming to see that some of the "old-timers" who made the pistol team's achievements possible were recognized: former sheriff Dave Menary, a real champion in his own right on the pistol range; former San Rafael police chief Frank Kelly and the late rangemaster and mentor of the team until his death, H. O. Peters. It was the interest of these men some years ago that made possible the establishment of the police pistol range, a foundation of the present championship team.

It was heartwarming to hear the cheers go up as the five members of the team were introduced. It was obvious their fellow law enforcement officers in Marin are behind the team 100 per cent in spirit. And what this means, of course, is that morale, esprit de corps has never been higher in the sheriff's offcie and elsewhere among Marin police officers.

If we read the signs right, a new spirit of good will has emerged.

District Attorney Roger Garety, once at odds with Sheriff Lou Mountanos, was invited to act as master of ceremonies; and he accepted. Former Sheriff Menary, defeated by Mountanos, was invited by the latter to be present; and he accepted.

Lt. Sears, speaking for the team, drew a round of applause when he praised the help the team got from former sheriff Menary—and Mountanos joined in the applause.

Then Sears praised Mountanos and Menary joined in the applause.

It looked to us like the championship pistol team is both cause and effect. It is a group that gives cause to be proud of our law enforcement men in Marin. And its success is the one of the effects, or results, of the new spirit of cooperation, good will and high morale.

As we see it, law enforcement officers in Marin are wearing their badges and uniforms a little more proudly these days—and they deserve to.

MARIN LOOKS AT POLITICS

# A Letter To President Kennedy On The Visit Of Chester Bowles

By CHAPIN A. DAY

'CHIP' DAY

Dear President Kennedy:

Your newly appointed ambassador to India is well known in Marin County. In fact many consider Chester Bowles a Marinite only once removed. Yet we must admit that we are confused and disappointed by his well publicized visit here this week. At the last moment, indeed right in this reporter's face, his talk on foreign policy was closed to the press and public.

Roger Kent, Northern California Democratic chairman and the man in line to be state chairman next year when you seek re-election, inflicted the coup de grace. He intercepted us before we reached the door of the home in which the meeting was being held and said Bowles had issued the "no press" edict in spite of prior invitations to attend. "It's so he can speak more freely and people can ask questions more freely," Kent declared.

This is confusing, Mr. President, because in his talk Mr. Bowles said that one of the reasons he accepted the ambassadorial appointment, after considering it for three months, is that he has his fingers on the pulse of developing countries and that he is in an unique position to interpret these countries to the people of the United States. In closed meetings? Without a question and answer period? There was none here.

The only thing we can imagine that he might not have wanted publicized is that he called this country "a fat, happy nation" and he warned that historically such nations have never survived.

Yet we've heard him say something similar before and somehow we feel his implication went a little further than the affluent 120 Democrats who paid $25 a couple to attend the reception.

In fact his message should be spread far and wide. He called this "fatness" the challenge of our age. It is the nonconformists who are changing the world, he pointed out.

Communism isn't the dynamic, revolutionary idea for which we give it credit, he went on. From an idea point of view, our way of life with individual freedom is far more revolutionary.

But Russia has the military hardware to make it, along with us, the powers of the world. The question is which of the two of us will have a feeling of what the other people of the world are saying and thinking.

Which will keep up with the 20th Century and the pace which the newly emerging nations are setting?

Bowles said he wasn't afraid of change. His great-great-great grandfather had been, however. He was afraid that Thomas Jefferson would get into power and "nationalize women."

Bowles had a warning too about integration. He was concerned about Birmingham, but "don't think that in my own Connecticut or here in California things are too different. There's plenty to be done in all states."

As far as we could see, Mr. President, there was absolutely no reason for secrecy. He didn't even touch on the Kashmir problem or the China-India border dispute, which might be touchy for him before he even gets to New Delhi. He didn't get close to a "sensitive" area.

Obviously, we would have liked to have been there to hear what Ambassador Bowles said. We think the people of Marin should have had the opportunity to know of these things. The whole affair was highly undiplomatic for a diplomat.

Sincerely,
Chapin A. Day

# WHAT OUR READERS SAY

## No Death Penalty, Demonstration

EDITOR,
Independent-Journal:

I am a Republican, somewhat conservative inasmuch as I am a Barry Goldwater fan, who opposes the death penalty and/or capital punishment.

My reason is it is too possible to convict and execute the wrong person. It undoubtedly has happened in the past and will occur in the future unless the voters of California do something about it . . .

Naturally such incidents are rare and far between, but as long as they are a remote possibility I can't buy the gas chamber bit. If the abolishment of the death penalty will save EVEN ONE innocent person from execution in the next hundred years, then I say the small percentage of my tax money needed for the maintenance of persons convicted of capital crimes is money well spent.

While opposing the death penalty, I do feel persons legally and justly found guilty of capital offenses should be imprisoned for life without—and I do mean without—possibility of parole. I believe the majority of us basically feel executions are barbaric and oppose the death penalty, but many don't wish to do away with it because they fear that it's just a matter of time until these people are returned to society and in a great percentage of the cases only repeat their heinous acts.

The famed trial lawyer, Louis Nizer, made sense when on a recent national TV show he stated, "the commandment 'thou shalt not kill' makes no stipulation giving the state the right to kill." The former warden and fine gentleman, Clinton Duffy, who probably knows as much or more about prisons and their inmates than any other man in California, is also against the supreme penalty. I prefer to accept the inside knowledge and wisdom of these men and others like them to the hysteria of those crying "crime deterrent."

While on this subject, although the marchers or pickets, or whatever they call themselves, and I agree re the death penalty, it ends right there. I abhor demonstrations of this sort and they make the proponents of abolishment of the death penalty appear ridiculous. There are more constructive ways to express one's distaste than creating a public disturbance.

We in the United States still possess the right to express ourselves at the polls and a letter to your representative at Sacramento seems more logical to me. After all, abolishment of capital punishment must come from the legislature, not San Quentin Prison.

## Better Health Care Is Needed

EDITOR,
Independent-Journal:

My compliments to the I-J and Dr. Galeno for the guest editorial, "Time Doctors Set Standards For Health Care Insurance," in which Dr. Galeno takes the CMA and AMA to task for its tardiness in setting up standards for a health care program for the aged.

However, if Dr. Galeno or anyone will take a close look at any of the many so-called "health insurance plans for the aged," he will find that even the best fall short of what we in America have a right to expect of a wealthy, progressive and civilized country.

**Any adequate health insurance plan must be on the basis of the well paying for the sick and the young paying for the old.** A look at the history of Blue Cross reveals only too starkly the impossibility of establishing these basic actuarial standards on a volunteer basis. **Either all must join or you have no plan.**

I think a good look at the soundly based, well managed and successful programs like those in Scandinavia, Great Britain, would be the first step for doctors and the public alike. This should be done constructively, with the desire to learn and not with the foregone conclusion that these are un-American and crackpot schemes, doomed to failure.

My son and I spent several months in western Europe last year to get a look at their medical programs and found that a large majority of the doctors and the people were happy with it and would not go back to the old systems.

The cooperation of the medical fraternity with the public has greatly improved the standards for all concerned, and has for the first time in history given adequate health care to all the people when they want it. It has rebuilt the public health and morale and created a remarkable spurt of energy, enterprise and productivity of their people, and a decisive factor in the formation of the Common Market. The frank and open discussion of our health care situation which has gotten somewhat out of hand would be good for all concerned.

## Cast-Offs Don't Make A Library

EDITOR,
Independent-Journal:

Regarding your article in the I-J on May 15, "Bring a book to school drive is planned for Friday," which was followed, I presume, by a "successful" collection:

As someone seriously interested in libraries, I feel it is a grave mistake to found a library on people's cast-off books. I hope the people who cleaned out their attics and thereby "did good" for the county by supporting the county library now have consciences which can rest quietly.

They are wrong. Who is going to part with the book they really love? And who wants a library of books no one really cherishes?

My respect to the directors of the schools who wanted no part of this!

# TRY AND STOP ME

BENNETT CERF

Sir Alec Guinness sat listening patiently while a compatriot droned through a long, pointless story. To make matters worse, he mumbled so that only one word out of three were intelligible. Nevertheless, when he completed his tale, Sir Alec laughed long and loud. He explained later, "I always do. If you don't laugh, the bloody bores usually tell the story all over again."

An after-dinner speaker had droned on endlessly. "After partaking of this evening's superb repast," he continued, "I feel that if I had one single bite more, I would be unable to say a word." From the rear end of the room came an order to the waiter, "Bring him a sandwich quick!"

Asked why he had spent the past 30 days in jail, a young delinquent explained, "All I did was borrow a little money." "Since when do they jail people for borrowing money?" jeered a new acquaintance. "They do in some cases," said the delinquent. "Mine, for example. I had to knock a man down four times before he agreed to lend it to me."

## Corte Madera Moves To Prevent Motels From Becoming Apartments

**OF ALL THE** things I've covered in Corte Madera nothing has evoked as much comment as the Madera Village north of Edgewater Inn along U.S. 101.

This is the box-like motel that caused uproars in the Planning Commission and Town Council because it turned into high density apartment: 101 units and 101 kitchens.

Officials from Mill Valley to Novato have asked me how it ever happened.

After the construction the town last year amended its zoning ordinance to ban kitchens in more than 40 per cent of units in any more motels.

This week the council went further by introducing an amendment to forbid more than one hotel or motel living-sleeping unit for every 1,500 square feet of ground on which such a structure stands.

Town Mgr. Arthur H. Brandow et al are blunt in saying both pioneering restrictions were created to prevent any more Madera Villages.

**FEELING RAN HIGH** at council meetings last year when town fathers demanded certain conditions before the place could be tenanted.

Against the council ranged not only the aggressive developers but also businessmen among 31 local residents with money in one corporation backing the project.

Also invested in it: Frank Rusalem of San Francisco, builder of Edgewater Inn, owner of Corte Madera Center and holder of a federal contract to build a postoffice in the Center but stalled by repeated town rejections.

**THE FIRE AT** American Distilling Co. is long extinguished but the stories continue.

A girl who had her last drink years ago said in Mill Valley she and a friend viewed the fire at close range. When they asked a policeman how to depart through the tangle of fire gear and crowds, he replied:

"You take a left and a left—and get to heck out of here. Those tanks are going to go!"

They "got" in a hurry. "I thought how awful it would be to be off the stuff all these years and then get caught in a distillery explosion!"

Sausalito residents remember how the plant figured in the recall of J. Walter Blair as Third District county supervisor Dec. 5, 1961.

Recall forces echoed criticism by Assessor Bert W. Broemmel of Blair's motion, passed 3-2, for a new method of taxing barrels that cut the firm's taxes $12,000 a year.

In KTIM-FM on Nov. 19, 1961, Peter H. Behr, elected to Blair's seat, said: "If whisky barrels could vote, Blair would sweep Sausalito."

THE ALLEN-SCOTT REPORT

# Cuba Shouldn't Get Surplus U.S. Planes

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON — Defense Secretary McNamara is under stern congressional demand that he take immediate and forceful measures to prevent surplus Air Force cargo planes from getting into Castro hands.

Already the Senate Investigating Committee, headed by Senator John McClellan (D-Ark.), which is probing the hotly controversial TFX plane contract, has blocked the sale of seven C-124 Globemasters that apparently were surreptitiously destined for Cuba.

**SEVERAL HUNDRED** Air Force cargo planes are in process of being declared surplus. The Senate Committee wants to make certain that none of them wind up in Communist hands.

Senator McClellan has requested Secretary McNamara to submit in writing the policy that has been formulated for the disposal of these planes.

The Senate investigators have been told no such policy exists.

This information comes from authoritative Pentagon sources—which tipped off the senators about the proposed sale of the seven surplus Globemasters to highly suspicious buyers.

The would-be purchasers were a Canadian syndicate in which U.S. gamblers had a considerable interest.

These underworld elements operated gambling casinos in Havana before Castro came into power. The McClellan Committee has reason to believe they still have "business" ties there.

**THE CANADIAN** sydicate sought to buy the Globemasters at approximately $210,000 each. Their original cost was about ten times that amount.

The Canadian group told Defense authorities the planes were wanted as private air cargo transports. But the Senate investigators, after digging into the matter, strongly suspected the real intent was to turn over some of the C-124s to Castro and use the others to fly cargo between Canada and Cuba.

On the basis of this secret information, Senator McClellan asked Secretary McNamara for a full report on this contemplated deal.

It was after this that the Defense Department called it off.

**THE SENATE** investigation is still underway. The probers particularly want to question a certain Washington lawyer-lobbyist who had a hand in the affair. But they have been unable to find him, and his whereabouts are unknown.

Also uncovered by the investigators was information that the gamblers involved in the surplus plane deal planned to set up one or more casinos in Panama.

That information has been transmitted to the Panama government.

Senator McClellan is discussing with members of his committee the advisability of making a Senate speech summing up the findings of the TFX contract investigation. Privately, McClellan is highly critical of Secretary McNamara's course in this matter, particularly in disregarding the views of top Air Force and Navy officers. Virtually all of them opposed McNamara's decision to award the contract to General Dynamics.

DELAWARE, Ohio (AP)—Latest addition to permanent furnishings in the home of the president of Ohio Wesleyan University, Dr. Elden T. Smith, is a quilt.

It was made over a period of years by Mrs. Mary Haverfield Kevan, member of an alumni organization in Southern California and bears the names of 87 alumni and others associated with Ohio Wesleyan University.

Names on the quilt range back to the class of 1888 and up to the class of 1970.

# Marin Ambulance Is Not Moving Out Of Larkspur

Marin Ambulance is not moving out of Larkspur, as reported at the Sausalito City Council meeting Tuesday night, but plans to expand by opening a branch in San Raafel, co-owner Robert Parker said today.

Surprised that news of the firm's intentions had been mentioned publicly, Parker told the Independent-Journal: "We're only planning now but we wish to open an office near Francisco Boulevard west of Highway 101 in San Rafael.

"Actually we will be able to give Sausalito better service than now after we start the San Rafael operation."

He said the firm "quite possibly" will purchase a new ambulance after expanding.

In business for seven years, the firm is located at 4 Ward Street, Larkspur, operating two ambulances and one convalescent car.

Parker and John Raggio, former Larkspur fire chief, are partners in the operation.

At the Sausalito council meeting, Dr. Philip G. Huffman was quoted in a letter by the Sausalito Chamber of Commerce as saying the city's ambulance needs would become more acute "when Marin Ambulance Service moves north."

Said Parker: "We're not leaving Larkspur!"

## HOW TO PLAY WINNING BRIDGE

By ALFRED SHEINWOLD

### Good Bridge Player Probably Living Too Sheltered A Life

Good bridge players lead a sheltered life.

They seldom make the wild bids that go for a 2,600-point ride, nor do they make the wild and wooly play that needlessly jeopardizes an unbeatable contract. Perhaps we're missing something.

Opening lead — ♠ 3

Today's hand would be a very tame and colorless affair if an expert were at the helm.

The play would be over in about two minutes, and everybody would go on to the next hand with never a thought of what had been missed.

**FIRST TRICK**

The expert South would win the first trick with the king of spades and would lead a low diamond to finesse with dummy's queen.

An expert East would refuse this trick with never a quiver, in the hope of deceiving South.

South would not be lured into error. He would take the ace of diamonds and give up a diamond trick. Then declarer would take 10 tricks—four diamonds and two in each of the other suits.

**FINDS WAY**

The inexpert declarer can find ways to make this hand more exciting. One way is to refuse the first trick.

After all, everybody has heard of the "hold-up" play, and many a player thinks there's something vaguely shameful about winning the first trick.

East leads another spade to force out the king, and that is the last time spades are led.

**HOLDS OFF**

When South tries the diamond finesse, East holds off. East wins the third round of diamonds, and South never gets to his hand for the ace of spades or the rest of the diamonds. Down two.

Yes, South may recover from his silly hold-up. He wins the second spade and clears the diamonds. East returns a low heart, and declarer refuses the trick. Back comes a club, and dummy takes the top clubs and top hearts. Now declarer puts West in with a heart, and West must lead a spade to let South take the rest.

Of course, West may save the five of hearts and let dummy win the fourth round of hearts. Then South is down one.

All very interesting if South is an exciting paluka rather than a dull expert.

## ALMANAC

Today is Thursday, May 23, the 143rd day of 1963 with 222 to follow.

**The moon is approaching first quarter. The morning stars are Venus, Jupiter and Saturn. The evening star is Mars.**

On this day in history:

In 1962, Gen. Raoul Salan, leader of the Secret Army Organization in Algeria, received a life prison sentence in Paris.

In 1903, Wisconsin became the first slate to adopt a direct primary for party elections.

**A thought for the day — President Theodore Roosevelt said: "No man, not even the soldier who does his duty, stands quite on the level with the wife and mother who has done her duty."**

# HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

## Texas Mother Has Real Problem With 13-Year-Old Asthmatic Son

VAN DELLEN

A Texas mother from San Angelo has a real problem. She writes: "I have a 13-year-old son who has had bronchial asthma since he was 19 months old. We are worried about his health and his school work and want your opinion. I must admit his asthma is not as serious as it has been, but recently, his sinuses have been giving him trouble, causing severe headache."

The adage that tots outgrow asthma is true occasionally but this child demonstrates the more frequent situation. It is senseless to wait for spontaneous recovery because other problems crop up to complicate the picture.

**THERE IS** no substitute for finding and eliminating the cause. Pollen is suspected when asthma recurs at the same time each year. House dust, molds, animal dander, and feathers are possibilities if the child is plagued by wheezing all year 'round. Other clues are obtained when the attack follows eating certain foods, a respiratory infection, or an upsetting emotional situation.

When the origin cannot be found, there is nothing to do but give medicines that offer temporary relief. These include epinephrine, isoproterenol, an antihistaminic agent, potassium iodide, or—finally—one of the corticosteroids.

**BUT THIS IS ONLY** part of the story. This woman is concerned about her youngster's health and his school work. Most children with a chronic ailment develop anxieties and emotional difficulties at school and in the home. These factors often aggravate existing asthma.

Change of climate is one of the oldest approaches to the problems of the asthmatic. I am not familiar with the climate in San Angelo, Tex., but Arizona and New Mexico often are called ideal. Colorado and Florida also are mentioned.

But moving has its drawbacks and may not be successful unless the cause of the asthma is known and a trial period has established the fact that the new location is helpful. When the wheezing youngster benefits, authorities may give credit to the separation of the child from the family rather than to the warm dry air. Here again, the emotional aspects of chronic asthma enter the picture.

**(Dr. Van Dellen will send leaflet on bronchial asthma if stamped, self-addressed envelope accompanies request.)**

### SUGAR AFTER CANDY

H. J. writes: Will sugar show in the blood of a non-diabetic after she has eaten a lot of candy?

REPLY

Yes. When candy is eaten by anyone, the sugar level in the blood will go up within an hour and then return to normal. The same happens in the diabetic except that the level remains elevated for two or more hours thereafter.

### MEASLES VACCINE

Mrs. W. writes: Is the measles vaccine now given to all infants like the other protective shots?

REPLY

No, in that the exact prophylactic program has not been worked out on a national basis. But public health authorities are watching the results carefully.

### PROSTATE AND FERTILITY

W. T. writes: Could a man become a father after his prostate is removed?

REPLY

Yes, theoretically. The prostate does not manufacture the sperm. It forms some of the fluid in which these germ cells are carried to the outside.

### EXERCISE AND VEINS

W. D. writes: Can a person with varicose veins of the knee safely dance, skate and bowl?

REPLY

Yes, provided there are no complications such as swollen ankles or varicose ulcers.

**Today's Health Hint**—Not all breast lumps are malignant but all should be investigated.

## Petaluman Pays Driving Fine

Ernest H. Brooks, 59, of Petaluma paid $149 fine yesterday in Marin Municipal Court for drunken driving.

Judge Harold J. Haley sentenced Brooks for driving while intoxicated along Highway 101 near Terra Linda last April 9. Brooks must remain on six months probation, and his driving is restricted for three months.

On Monday, Judge Haley sentenced Richard Wendall Reichmuth, 23, of Petaluma, for driving while intoxicated along Lincoln Avenue in San Rafael on April 28. Reichmuth also drew $149 fine, nine months probation, and thre months driving restriction.

EXCEPTING therefrom the following described parcel: COMMENCING at the most Southerly corner of Lot 14, as the same is shown on that certain map entitled, "Map of Subdivision of Lots 14, 15, and 16, Rancho de Novato, Marin County, California, Division C 1896" filed May 13, 1896 in Map Book 1 at page 91, Marin County Records and running thence along the Westerly line of said Lot North 4° 54' West 240.0 feet and North 11° 47' East 170.37 feet, thence leaving said line South 80° 31' East 129.57 feet and South 10° 37' East 312.79 feet to the Southeasterly line of said Lot, thence along said line South 68° 53' West 214.08 feet to the point of commencement.

ALSO EXCEPTING THEREFROM the Westerly 20 feet thereof included in School Lane conveyed by Rosa Quilici to County of Marin by Deed recorded June 17, 1937 in Liber 341 of Official Records at page 276, Marin County Records.

Subject to: current taxes, covenants, conditions, restrictions, reservations, rights, rights of way and easements of record

Bids or offers are invited for the property and must be in writing and may be delivered to the executor or to the office of his attorneys, Palmer & Grundstrom, 1516 Grant Avenue, Novato, California, or may be filed in the office of the clerk of the Superior Court at any time after the first publication of this notice and before the making of the sale.

Terms and conditions of sale: Cash in lawful money of the United States of America; ten percent (10%) of the amount bid to accompany the offer and the balance to be paid upon confirmation of sale by the Superior Court. Taxes, rents, operating and maintenance expenses, and premiums on insurance acceptable to the purchaser shall be prorated as of the date of recording of conveyance. The examination of title, recording of conveyance and any title insurance policy shall be at the expense of the purchaser or purchasers.

Dated: May 16th, 1963.

DINING ROOMS

**Chic** ..... $33,750
Amber glass, louvered doors, sparkling white background, and a sundeck give appeal and charm to this dining room; the whole house has been done in good taste and with especially attractive appointments: tile, lighting fixtures, etc. Three large bedrooms, 2½ baths, secluded oak-edged deck off the master bedroom. All-electric kitchen, breakfast area, wonderful valley view, brand new. San Rafael.

**View** ..... $34,500
Glass doors open to a covered terrace, and the view is out over rooftops and a wooded valley. Pretty 3 bedroom home, 2 fine tiled baths, large all-electric kitchen with breakfast area; Arizona stone fireplace in the living room, which is out of the traffic pattern. Oversized double garage, fenced level play yard and lawn, immaculate home. San Rafael.

**Cozy** ..... $39,000
The charm felt in this view dining room is typical of the warmth and appeal of the entire home: beamed ceiling in the living room, comfortable study adjoining the master bedroom, huge BBQ terrace, oak-shaded; shrubs, trees; large deck, magnificent marine view, established grounds (half acre), lovely oaks all around. Four bedrooms, 2 baths, study, family room, pretty gardens. Larkspur.

**Lovely** ..... $44,000
This sizable dining room has an elegant air, and the house is one of quality and impeccable taste. Three bedrooms, 2 baths, large breakfast area, inviting reception hall, large deck, utility room, electric kitchen; trees, good landscaping, handsome new carpeting. Beautiful Greenbrae setting.

**Paneled** ..... $48,000
Dark woods, delightful decorator touches, louvered doors. Large living room, 3 bedrooms, 2 baths, sparkling new electric kitchen, cheerful, sunny breakfast room; U-shaped house, with protected, covered terrace; large level lot, good trees, lawn, pretty outlook. Utility room. Sleepy Hollow.

**Baronial** ..... $60,000
Modeled after an Irish castle, this huge home, situated on an acre and a half, is like a castle itself: grand entrance hall with broad stairs down to a spendid paneled living room; sunroom out into the garden; banquet-sized dining room, large modernized kitchen, breakfast room; wide stairway, with spacious, windowed landing; broad bedroom hallway, huge bedrooms, storybook attic, full basement. Beautiful grounds, four bedrooms, 6 fireplaces, den. San Anselmo.

**Elegant** ..... $69,000
Almost an acre of meticulously gardend space surrounds this exceptionally well-built, handsome Home. Five bedrooms, 4½ baths, huge electric kitchen with large breakfast room and outstanding storage arrangements; splendid sunken living room, glass doors out to an oak-shaded patio. Family room, swimming pool, dressing rooms, view. Greenbrae.

**Formal** ..... $75,000
French doors open to a flagstoned terrace which surrounds a redwood grove; the living room is gracious, looks out on the gardens and lawns; all-electric kitchen; breakfast room, huge paneled family room with sliding glass doors out to the patio. Four bedrooms, 3 baths, level close-in Kent Woodlands location.

Hy Silver Says:

I've been sitting in my office wondering why more people don't come in to buy our good used cars. It occurred to me that a lot of people do know and don't care. So it naturally follows that we've got to give people a reason to come to our lot, and here it is: If you come to our lot in Novato, I will personally guarantee that no one will spit in your eye! I mean that literally and figuratively. We won't try to insult your intelligence with a bunch of ridiculous claims. If you try out one of our cars and find something wrong with it, we'll try to fix it for you. If you are worried about payments or not having enough money to put down, or not having any money to put down, come in and talk over your problems. We can't work miracles, but we've had years of experience in financing cars and we can put this experience to work for you. Even if you don't want to buy a car, come on in and chin a little. We get mighty lonely sometimes. You'll find us at Hy Silver Used Cars, 1119 Grant Ave., Novato.

# Fairfax School Bus Extension Asked

A group of parents in the Bolinas Road area have asked the Fairfax School District to extend bus service from Fawn Ridge to the Meadow Club.

About 12 parents made their request before the board Tuesday night, Supt. Homer Sisk reported.

There are 18 students in the area seeking transportation and more homes are being contructed there, he said.

The board agreed to discuss the transportation problem at its June 18 meeting.

The Fairfax School District board also:

1. Heard a report by Mrs. Isabel Cartwright and Frank Curtin that teachers in the district plan to form their own chapter of the California Teachers' Assn. Teachers now are members of the Ross Valley Teachers' Assn. covering Fairfax, San Anselmo and Kentfield districts, which will be disbanded Dec. 31.

2. Accepted resignations of Ronald C. Samet, sixth grade teacher at Deer Park School, who plans to visit Europe; Joan Boysen, second grade teacher at Manor School, who is going to teach in Germany; Mrs. Rosemari Zumwalt, for maternity, Carol Wlodkoski, eighth grade teacher at Fairfax Central, who is returning to the East, and Mrs. Rosalie Kelly, secretary at Deer Park, for maternity.

3. Authorized the Fairfax Recreation Department to use school facilities for a month after summer school ends July 19.

4. Scheduled a special meeting to review the 1963-64 budget for June 4.

### Drama Workshop Deadline Is June 1

June 1 is the deadline for submission of unpublished plays in the Sausalito Little Theater's third annual original drama workshop. Prize money totaling $250 will be divided among scripts selected for rehearsed readings in late August, Joan La Fontaine said today.

Plays should be typewritten and mailed to Box 601, Sausalito, with return envelopes and postage included, she said. All plays, which have no limitations as to theme, or form, remain the property of the author.

### Earl Pierce Show Opens In Tiburon

Tiburon's quay gallery opened an exhibition of recent paintings of Earl Pierce today at 32 Main Street. Pierce, lecturer on modern art for the University of California Extension school, has given nine one-man shows.

His paintings will be shown through June 16. The gallery is open Thursdays and Sundays from 1 to 5 p.m. and 7 to 9 p.m.

### Water Color Classes To Start Wednesday

Outdoor field classes in water colors will be taught by Art McWhorter in Sausalito beginning next Wednesday.

Classes will be held for five weeks on Wednesdays and Thursdays both from 9:30 a.m. to noon and from 1 to 3:30 p.m. Lynn Wood of 519 Caledonia Street is in charge of enrollments.

# Spotlight To Be On Safety At San Rafael High

A program to promote safety first, last and always will open at the San Rafael High School gymnasium and pool tomorrow evening and continue all day Saturday.

Sponsored by the Kiwanis clubs of Ross Valley, San Rafael and Novato, the program will also have many other participating groups, including the American Red Cross, skin divers, San Rafael High School and the Firemen's Fund.

There will be water and safety demonstrations at 7:30, 8 and 8:30 p.m. tomorrow and at 11 a.m., noon and 1, 2, 3 and 4 p.m. Saturday at the pool. First aid demonstrations, all staged by the Red Cross, will be in the gymnasium at 7, 7:45 and 8:30 p.m. tomorrow and at 11:30 a.m. and 12:15, 1, 2, 3, and 4 p.m. Saturday.

The U.S. Divers Co. and Bamboo Reef of San Rafael are supplying equipment and instructors for some of the skin diving demonstrations. These will be at 8:30 p.m. tomorrow and at 11 a.m. and 1 and 3 p.m. Saturday.

In addition there will be a driver training program staged from 1 to 5 p.m. Saturday by high school instructors. Safety films supplied by the Firemen's Fund will be shown continuously from 6 to 10 p.m. tomorrow and from 11 a.m. to 7 p.m. Saturday.

There will also be several exhibits in the gymnasium emphasizing safety at home, on the highway and in the water. The Marin Council of Mayors and Councilmen has proclaimed the two-day safety fair a "Family Safety Weekend."

Pacific Gas and Electric Co. will have a display showing the dangers of overhead wiring; Marin County Sheriff's Patrol will stage demonstrations on the safe use of guns and archery; the California Highway Patrol will show films and displays on traffic safety; the Coast Guard will have displays on boating safety and rescue equipment, and 4-H clubs will show displays on hazards in the home.

EXOTIC—Among artists in dance, drama and music to be featured in the third annual Festival of Performing Arts will be Magana Baptiste, interpreter of Oriental dances. The festival will be held Wednesday and Thursday, in the Marin Art and Garden Center, Ross.

## He Deals In Complaints

WELLINGTON, New Zealand (AP)—Sir Guy Powles, first ombudsman in the British Commonwealth, has been on the job six months.

In that time, according to the Government Press Office, he has received 334 complaints. Of these, 143 were outside his jurisdction and dropped; 74 are still being considered; 91 were without foundation; 26 had "some substance", and in 13 of these the error was rectified

You don't know what an ombudsman is? He's an investigator of complaints against government action. He cannot start legal action, but advises a government department if the citizen's complaint is worthwhile. He's paid by the government.

## Kansas Cattle All-Time High

TOPEKA, Kan. (AP) — The number of cattle in Kansas has reached an all-time high.

Kansas State University reports the cattle and calf inventory reached the all-time high of 103.5 million head at the start of 1963, a 4 per cent increase over 1962.

Cattle on feed in Kansas has increased 117 per cent since 1958.

## 9 To Graduate At Guide Dogs This Saturday

Guide Dogs for the Blind, Inc., in Los Ranchitas, will graduate its 162nd class in a commencement program at 2:30 p.m. Saturday.

Nine men and women who have undergone a four-week training program with their guide dogs will graduate. The program will include presentation of dogs by 4-H Club members who raised them to the graduates. There will also be a demonstration of dog obedience and a tour of the campus.

Graduates are Christine Backe of Portland, Ore.; Mrs. Albert Dow of Phoenix, Ariz.; Robert L. Ennis of Long Beach; Mrs. Juanita Fontana of Los Angeles; Mrs. Alfred Johnson of San Angelo, Tex.; Arthur Kidd of Phoenix, Ariz.; Luis Lopez of Lucerne, Lake County; Ray McAnulty of Boise, Ida., and Charlotte Tait of Enterprise, Utah.

## This Fellow Has Cat Troubles

SPRING VALLEY, N.Y. (AP)—Harvey Schiff put out the cat one night and the next morning could not find him. He was worried but started to work as usual in his car pool.

A couple of blocks from home one of the men in the car said, "Hey, Harvey, isn't that your cat walking along the road?" He said it was, they picked up the cat, returned to the Schiff house and Harvey put the cat in the living room.

When he returned home from work that evening, Mrs. Schiff said, "Harvey, our cat doesn't look well. His tail is droopy. I think you'd better take him to the vet for a distemper shot."

So Schiff and cat visited the vet and when he drove in his driveway, who did he see waiting on his porch?

His cat.
